

Red Army

Ellen Jones

Red Army:

My Life in the Red Army Fred Virski, 2019-02-18 *My Life in the Red Army* chronicles 19 year old Fred Virski's experiences as a soldier in the Russian military in the early years of World War 2. With a wry tone rarely seen in a combat memoir, Virski describes the hardships, the near starvation rations, the inadequate clothing for the frozen wastelands, and his tense interactions with officers of the NKVD secret police. He is wounded twice, earns a Medal of Valor, witnesses atrocities committed by both the Germans and the Soviets, is branded a deserter, and somehow finds time to fall in love more than once on his journey. A testament to the will of the human spirit, *My Life in the Red Army* is a must read for fans of World War 2 adventure.

Why Stalin's Soldiers Fought Roger R. Reese, 2011-04-28 Inept leadership, inefficient campaigning, and enormous losses would seem to spell military disaster. Yet despite these factors, the Soviet Union won its war against Nazi Germany thanks to what Roger Reese calls its military effectiveness: its ability to put troops in the field even after previous forces had been decimated. Reese probes the human dimension of the Red Army in World War II through a close analysis of soldiers' experiences and attitudes concerning mobilization, motivation, and morale. In doing so, he illuminates the Soviets' remarkable ability to recruit and retain soldiers, revealing why so many were willing to fight in the service of a repressive regime and how that service was crucial to the army's military effectiveness. He examines the various forms of voluntarism and motivations to serve, including the influences of patriotism and Soviet ideology, and shows that many fought simply out of loyalty to the idea of historic Russia and hatred for the invading Germans. He also considers the role of political officers within the ranks, the importance of commanders who could inspire their troops, the bonds of allegiance forged within small units, and persistent fears of Stalin's secret police. Brimming with fresh insights, Reese's study shows how the Red Army's effectiveness in the Great Patriotic War was foreshadowed by its performance in the Winter War against Finland, and offers the first direct comparison between the two, delving into specific issues such as casualties, tactics, leadership, morale, and surrender. Reese also presents a new analysis of Soviet troops captured during the early war years and how those captures tapped into Stalin's paranoia over his troops' loyalties. He provides a distinctive look at the motivations and experiences of Soviet women soldiers and their impact on the Red Army's ability to wage war. Ultimately, Reese puts a human face on the often anonymous Soviet soldiers to show that their patriotism was real, even if not a direct endorsement of the Stalinist system, and had much to do with the Red Army's ability to defeat the most powerful army the world had ever seen.

The Red Army and the Second World War Alexander Hill, 2017 A major new account of the Soviet Union at war, which charts the development, successes, and failures of the Red Army.

The Red Army Today Louis B. Ely, 1953 *Stumbling Colossus* David M. Glantz, 1998 Drawing on evidence never before seen in the West, including combat records of early engagements, David Glantz claims that in 1941 the Red Army was poorly trained, inadequately equipped, ineptly organized, and consequently incapable of engaging in large scale military campaigns, and both Hitler and Stalin knew it. He provides a

complete and convincing study of why the Soviets almost lost the war that summer dispelling many of the myths about the Red Army that have persisted since the war and soundly refuting Viktor Suvorov's controversial thesis that Stalin was planning a preemptive strike against Germany

The Red Army: the Red Army, 1918 to 1945 Sir Basil Henry Liddell Hart, 1956

The Red Army at War Artem Drabkin, 2010-04-19 What was life in the Red Army like for the ordinary soldier during the Great Patriotic War the fight between the Soviet Union and Germany on the Eastern Front How far is the common perception of Red Army heroism and sacrifice borne out by historical reality And what was the daily experience of the individual soldier caught up in this immense and ruthless conflict The 160 contemporary photographs from the Russian archives that have been selected for this book give a striking insight into all sides of wartime service for the Soviet soldier The whole range of military experience is portrayed here from recruitment and the rigors of training to transport marching and the ordeal of combat

The Red Army, 1918-1941 Earl F Ziemke, 2004-05-20 Supported by evidence released after the collapse of the Soviet Union this book follows the career of the Red Army from its birth in 1918 as the vanguard of world revolution to its affiliation in 1941 with the citadel of capitalism the USA

The Red Army Michel Berchin, Eliahu Ben-Horin, 1942 Analysis of the origin development and achievements of the Russian Army

Stalin's Keys to Victory Walter S. Dunn Jr., 2006-05-30 Most military historians have difficulty comprehending the miracle that took place in late 1941 and early 1942 in the Soviet Union In the summer of 1941 the German Army routed the Red Army as it had routed the Polish British French and other armies in 1939 1940 and early 1941 None had been able to withstand German might more than a few weeks When Hitler invaded the Soviet Union in June 1941 his legions quickly overcame the Soviet divisions they met and it appeared to most that Hitler would succeed as he had before A major portion of the prewar Red Army had been completely annihilated millions of prisoners taken and the most populous and developed provinces of the Soviet Union occupied by the Germans and their allies In September the Germans surrounded and captured a huge bag of divisions east of Kiev only to encounter a flood of new Red Army divisions when they redirected their intentions on Moscow In short order the Wehrmacht broke through this line and approached within sight of the outskirts of the capital There they were surprised by a massive offensive mounted by even more new divisions Other countries had surrendered after losing one army let alone two The Soviets came back with a third which sent the Germans reeling to the rear How was this possible Dunn's detailed examination shows that far from carelessly throwing thousands of disorganized untrained men into battle the Soviets wisely used the resources at hand to resist and drive back the invaders once the initial shock had been absorbed He reveals how the Soviets systematically trained men as replacements for casualties in existing units often renaming the unit a move that confused German intelligence then and continues to confound historians today Unit integrity was as significant in the Red Army as in other armies Men were not robotic clones and each had strengths and weaknesses Knowing this led to unit integrity and success on the battlefield Tracing the formation and commitment to battle of Soviet units regardless of the

changes of designation is crucial to understanding the success and failure of Soviet operations and Stalin's keys to victory

The Red Empire's Might: Unveiling the Soviet Economy and the Red Army's Triumph Pasquale De Marco, 2025-05-20 In the annals of military history the Red Army's triumph over Nazi Germany stands as a testament to the resilience and determination of the Soviet people This book tells the gripping story of how the Red Army despite facing overwhelming odds transformed itself into a formidable fighting force that played a pivotal role in defeating Hitler's war machine Through meticulous research and analysis this book delves into the factors that contributed to the Red Army's remarkable transformation It examines the Soviet Union's ambitious industrialization drive which laid the foundation for the army's military might It also explores the role of foreign experts particularly American engineers in the development of Soviet industry and the military Additionally it investigates the Red Army's military reforms and the lessons it learned from its early setbacks in the war This book also sheds light on the immense sacrifices made by the Soviet people during the war Millions of soldiers and civilians lost their lives and the country's economy was devastated However the Soviet people's determination to defeat the Nazis never wavered and their resilience ultimately proved to be the key to victory Furthermore this book analyzes the Red Army's impact on the post war world The Soviet Union's emergence as a superpower led to the Cold War and a decades long arms race The legacy of the Red Army is still felt today as Russia continues to be a major military power By delving into the history of the Red Army this book provides a deeper understanding of one of the most pivotal events of the 20th century It is a tribute to the courage and resilience of the Soviet people who played a vital role in shaping the world we live in today This book is essential reading for anyone interested in military history World War II or the Soviet Union It is a gripping narrative that offers new insights into one of the most important events in human history If you like this book write a review on google books

The Stuff of Soldiers Brandon M. Schechter, 2019-10-15 The Stuff of Soldiers uses everyday objects to tell the story of the Great Patriotic War as never before Brandon M Schechter attends to a diverse array of things from spoons to tanks to show how a wide array of citizens became soldiers and how the provisioning of material goods separated soldiers from civilians Through a fascinating examination of leaflets proclamations newspapers manuals letters to and from the front diaries and interviews The Stuff of Soldiers reveals how the use of everyday items made it possible to wage war The dazzling range of documents showcases ethnic diversity women's particular problems at the front and vivid descriptions of violence and looting Each chapter features a series of related objects weapons uniforms rations and even the knick knacks in a soldier's rucksack These objects narrate the experience of people at war illuminating the changes taking place in Soviet society over the course of the most destructive conflict in recorded history Schechter argues that spoons shovels belts and watches held as much meaning to the waging of war as guns and tanks In The Stuff of Soldiers he describes the transformative potential of material things to create a modern culture citizen and soldier during World War II

The Russian Civil War (1) Mikhail Khvastov, 1996-05-15 The main instrument with which the Bolsheviks imposed

communism on Russia was the Red Army Traditionally the origins of this army were among the factory workers who laid down their tools and took up arms as a way of expressing their grievances Already formed by the time of the revolutions of 1905 and February 1917 these militant workers organised themselves into parliamentary detachments known as the krasnogvardeytsi or Red Guards In this first of two volumes see Men at Arms 305 White Armies focusing on the Russian Civil War 1917 1923 Mikhail Khvostov examines the Red Army s organisation weaponry uniforms and insignia Ivan's War Catherine Merridale,2006-01-24 Drawing on previously closed military and secret police archives interviews with surviving soldiers and private letters and diaries Catherine Merridale presents here the first comprehensive history of the thirty million soldiers of the Red Army BOOK JACKET *Red Army and Society* Ellen Jones,2021-01-26 This book first published in 1985 is the first full length study of the Soviet Armed Forces as a social institution Using military manpower as a substantive focus it identifies those characteristics that the Soviet military shared with counterparts in non communist systems and those that were unique to the society and political culture in which it was embedded The discussion encompasses defence policy making as a whole and focuses on conscription policy the characteristics of the professional military the role of the political officer the mechanics of political socialization within the Red Army and the experience of ethnic minorities in the armed forces This analysis provides a window through which we can observe the broader military system at work how that system affects and in turn is affected by the economic social and political life of the Soviet Union It contributes to our understanding of civil military relations in communist systems and to our knowledge of Soviet political and social trends From Leningrad to Hungary Evgenii D. Moniushko,2004-12-17 This new book is a chronological narrative of the experiences of Evgenii Moniushko who lived through and survived the first year of the siege of Leningrad and who served as a junior officer in the Red Army during the last eighteen months of war and the first year of the Soviet occupation of Czechoslovakia and Hungary This volume presents nbs The Price of Victory Lev Lopukhovsky,Boris Kavalerchik,2017-06-30 A stark picture of war between the Germans and the Soviets including some very interesting illustration fascinating if chilling reading Firetrench The Red Army s casualties during the Second World War and the casualties sustained by the German army they fought are a key element in any assessment of the conflict on the Eastern Front Since the war ended over seventy years ago the statistics have been a source of bitter controversy of claim and counterclaim as each generation of historians has struggled to uncover the truth This contentious issue is the subject of this absorbing book The figures reveal much about the way the war was fought and they demonstrate the enormous human price the Soviet Union paid for its victory That is why the statistics have been so strongly contested Distortion and falsification by official historians have obscured the facts because the issue has been so heavily politicized Using recently declassified information from the Russian archives the authors focus in forensic detail on the way the figures were recorded and compiled and seek to explain why so many years after the war the full truth about the subject is still far from our reach **Soviet Russia** ,1920 **Armored Units of the Russian Civil War** David

Bullock,2013-02-20 By 1920 the Red Army of Russia fielded an overwhelming array of armored cars armored trains and tank detachments These armored units played an important part in consolidating the newly won Bolshevik empire in the early 1920s as a consequence of the fact that railways were the strategic arteries that essentially controlled Russia armored trains have never played such a significant role in military history as they did in the Russian Civil War This title details the management construction repair personnel training and combat of the Red Army s armored units on all fronts including such famous vehicles as Trotsky s armored train **Our Red Army Ally** U.S. War Department,1945-04-23 This short World War 2 era pamphlet was created by the U S War Dept in anticipation of the end of the war in Europe U S G I s would no doubt encounter Soviet troops as the vise of two great armies squeezed German lines smaller and smaller Its goal was to familiarize American soldiers about the Soviet army and troops so that they would know something about their look armaments and organization It even contains some useful Russian language phrases that might be used by sentries STOY Ktaw ee DYAAWT Halt Who goes there Reply A mee ree KAHN skee bo YETS American soldier There is also extensive details about why the Russians are fighting their command structure supply methods and some more Russian phrases for Red Army units squad platoon battalion etc that could be useful for troops meeting on the battlefield 82 pages in length it features amazingly accurate color illustrations of WW2 Soviet tanks uniforms rank insignia and even Soviet medals and decorations An insightful document that outlines our government s depiction of our allies in the East which would change rapidly as the Iron Curtain descended over most of Eastern Europe in the years to follow

Thank you categorically much for downloading **Red Army**. Most likely you have knowledge that, people have look numerous times for their favorite books bearing in mind this Red Army, but stop occurring in harmful downloads.

Rather than enjoying a good book afterward a cup of coffee in the afternoon, instead they juggled subsequently some harmful virus inside their computer. **Red Army** is simple in our digital library an online entry to it is set as public correspondingly you can download it instantly. Our digital library saves in combination countries, allowing you to acquire the most less latency period to download any of our books behind this one. Red Army Introduction

In the digital age, access to information has become easier than ever before. The ability to download Red Army has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Red Army has opened up a world of possibilities. Downloading Red Army provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Red Army has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Red Army. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Red Army. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Red Army, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Red Army has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Red Army Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Red Army is one of the best book in our library for free trial. We provide copy of Red Army in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Red Army. Where to download Red Army online for free? Are you looking for Red Army PDF? This is definitely going to save you time and cash in something you should think about.
