Red Ice:

A Sword from Red Ice J. V. Jones, 2008-12-30 Master storyteller J V Jones called a striking writer by Robert Jordan weaves an unforgettable tale of ambition betrayal and the indomitable strength of the human spirit This epic fantasy of enormous scope set on a world peopled by fascinating compelling characters is a sharply observed saga of a cold splintered world on the brink A thousand years ago war shook the land Now chaos has erupted Clans vie for dominance dangerous arrogant clan chiefs urge their followers into frenzied battles killing each other and plotting the defeat of their rivals despite those among them who seek unity But for all the vicious contention among the clans a darker threat comes from Spire Vanis a city with a black heart of evil whose rulers have long sought to control the clanholds In the midst of the chaos a few extraordinary people wrestle with personal demons A born killer with only love and loyalty in his heart a young woman whose mystical destiny is shrouded in her unknown past a young man betrayed by his own brother and a clanswoman who would do anything to save her folk Each alone seeks only survival but together they hold the keys to a world s salvation At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *Working with Preferences: Less Is More* Souhila Kaci, 2011-06-20 Preferences are useful in many real life problems guiding human decision making from early childhood up to complex professional and organizational decisions In artificial intelligence specifically preferences is a relatively new topic of relevance to nonmonotonic reasoning multiagent systems constraint satisfaction decision making social choice theory and decision theoretic planning The first part of this book deals with preference representation with specific chapters dedicated to representation languages nonmonotonic logics of preferences conditional preference networks positive and negative preferences and the study of preferences in cognitive psychology The second part of the book deals with reasoning with preferences and includes chapters dedicated to preference based argumentation preferences database queries and rank ordering outcomes and intervals The author concludes by examining forthcoming research perspectives This is inherently a multidisciplinary topic and this book will be of interest to computer scientists economists operations researchers mathematicians logicians philosophers and psychologists U.S. Geological Survey Bulletin ,1983

Bick, 2012-07-24 For twelve years she captained the flagship of the Federation But while her exploits are legend little has been revealed about Rachel Garrett her vessel or the unusual men and women of her crew Until now When the archeological find of the decade hints at an earlier Cardassian civilization it attracts not merely academics and knowledge seekers but also those with far less noble interests Among them is Asfar Qatala a notorious criminal cartel with a disturbing connection to one of the highest ranking officers on the Enterprise Captain Garrett and her crew find themselves swept in to a maelstrom of kidnapping extortion and

murder as well as a desperate secret struggle between the Qatala and its chief rival the fledgling Orion Syndicate And beneath the surface of the frozen world on which the proto Cardassian discovery was made another drama is playing out that will force Captain Garrett to make the most difficult decision of her career amid ruins reputed to link the living with the dead

Well of Souls Ilisa J. Bick, 2003-11-01 A highly charged Star Trek tale of a largely unknown ship captain and crew in which the Enterprise C comes up against mysterious alien forces unleashed by a fledgling crime cartel For twelve years Rachel Garrett was captain of the Federation's flagship But while her exploits as commander of the U S S Enterprise NCC 1701 C are legend little has been revealed about Garrett her vessel or the unusual men and women of her crew Until now When the archaeological find of the decade offers possible hints about an earlier Cardassian civilization it attracts not merely those seeking to quench their thirst for knowledge but also parties with far less noble interests Among the latter is the Asfar Qatala a notorious criminal cartel with a disturbing connection to one of the Enterprise's highest ranking officers Now Captain Garrett and her crew are swept into a maelstrom of kidnapping extortion and murder And beneath the surface of the frozen world on which the proto Cardassian discovery was made another drama is playing out that will force Garrett to make the most difficult decision of her career

Sisters in Hate Seyward Darby, 2020-07-21 WITH A NEW FOREWARD Journalist Seyward Darby's masterfully reported and incisive Nell Irvin Painter expos pulls back the curtain on modern racial and political extremism in America telling the eye opening and unforgettable Ibram X Kendi account of three women immersed in the white nationalist movement After the election of Donald J Trump journalist Seyward Darby went looking for the women of the so called alt right really just white nationalism with a new label The mainstream media depicted the alt right as a bastion of angry white men but was it As women headlined resistance to the Trump administration's bigotry and sexism most notably at the Women's Marches Darby wanted to know why others were joining a movement espousing racism and anti feminism Who were these women and what did their activism reveal about America's past present and future Darby researched dozens of women across the country before settling on three Corinna Olsen Ayla Stewart and Lana Lokteff Each was born in 1979 and became a white nationalist in the post 9 11 era Their respective stories of radicalization upend much of what we assume about women politics and political extremism Corinna a professional embalmer who was once a body builder found community in white nationalism before it was the alt right while she was grieving the death of her brother and the end of her marriage For Corinna hate was more than just personal animus it could also bring people together Eventually she decided to leave the movement and served as an informant for the FBI Ayla a devoutly Christian mother of six underwent a personal transformation from self professed feminist to far right online personality Her identification with the burgeoning tradwife movement reveals how white nationalism traffics in society's preferred retrograde ways of seeing women Lana who runs a right wing media company with her husband enjoys greater fame and notoriety than many of her sisters in hate Her work disseminating and monetizing far right dogma is a testament to the power of disinformation With acute psychological insight

and eye opening reporting Darby steps inside the contemporary hate movement and draws connections to precursors like the Ku Klux Klan Far more than mere helpmeets women like Corinna Ayla and Lana have been sustaining features of white nationalism Sisters in Hate shows how the work women do to normalize and propagate racist extremism has consequences well beyond the hate movement **Contemporary Far-Right Thinkers and the Future of Liberal Democracy** A. James McAdams,Alejandro Castrillon,2021-09-26 This book is the first systematic analysis of the efforts of a broad range of contemporary far right thinkers to popularize their critiques of liberal democratic norms and institutions and make their ideas the subjects of sustained political and academic debate The book focuses on outspoken thinkers in western and eastern Europe Russia the United States Canada and Australia They include Alain de Benoist Guillaume Faye G tz Kubitschek Pat Buchanan Fr i Midjord Jason Jorjani contributors to the online magazine Quillette and the elusive personality known as the Bronze Age Pervert The book explores the diverse intellectual foundations of these thinkers positions the similarities and differences in their ideas and their prospects for influencing attitudes about democratic politics within their respective countries It examines diverse movements and schools of thought including the European New Right Paleoconservatism the Alt right Identitarianism White nationalism and antifeminism Providing a much needed global perspective this book will be of considerable interest to students and scholars of populism right wing extremism identity politics fascism racism and conservatism **Logics in Artificial Intelligence** Michael Fisher,2006-09-13 This book constitutes the refereed

proceedings of the 10th European Conference on Logics in Artificial Intelligence JELIA 2006 The 34 revised full papers and 12 revised tool description papers presented together with 3 invited talks were carefully reviewed and selected from 96 submissions The papers cover a range of topics within the remit of the Conference such as logic programming description logics non monotonic reasoning agent theories automated reasoning and machine learning *Geological Survey Water-supply Paper* ,1964 Light List ,2010 *Championship Science Fair Projects* Sudipta Bardhan-Quallen,2007-08 With these 100 proven projects students will have a really winning science fair experience and hone their analytical skills too Best of all the author makes even the most complicated subjects such as DNA research marvelously clear The wide range of topics offers something for everyone the many faces of acids and bases the science of life cells enzymes algae perfect plant projects the nature of hot and cold chemical conundrums and lots more Students can construct a solar oven in a pizza box figure out how many phone books can balance on a couple of eggshells concoct a snail salad and other blue ribbon ideas
