Red Scare A Study In National Hysteria 1919 1920

David C. Cassidy

Red Scare A Study In National Hysteria 1919 1920:

Red Scare Robert K. Murray, 1955-01-01 Red Scare was first published in 1955 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Few periods in American history have been so dramatic so fraught with mystery or so bristling with fear and hysteria as were the days of the great Red Scare that followed World War I For sheer excitement it would be difficult to find a more absorbing tale than the one told here The famous Palmer raids of that era are still remembered as one of the most fantastic miscarriages of justice ever perpetrated upon the nation The violent labor strife still makes those who lived through it shudder as they recall the Seattle general strike and Boston police strike the great coal and steel strikes and the bomb plots shootings and riots that accompanied these conflicts But exciting as the story may be it has far greater significance than merely that of a lively tale For just as American was swept by a wave of unreasoning fear and was swayed by sensational propaganda in those days so are we being tormented by similar tensions in the present climate of the cold war The objective analysis of the great Red Scare which Mr Murray provides should go a long way toward helping us to avert some of the tragic consequences that the nation suffered a generation ago before hysteria and fear had finally run their course The author traces the roots of the phenomenon relates the outstanding events of the Scare and evaluates the significant effects of the hysteria upon subsequent American life

RED SCARE. MURRAY., 1955 *Red Scare* Robert Keith Murray, 1964 Red Scare Robert K. Murray, 1980-01-01 **American Anti-Communism** M. J. Heale, 1990-10 In American Anticommunism Heale examines the various forms American reactions to this perceived threat have taken from the attacks on workers in the Haymarket Riot to the widespread witch hunts of Senator Joe McCarthy

Red Scare Frances Turk, *A Time of Fear* Albert Marrin, 2021-03-30 From National Book Award Finalist and Sibert Honor Author Albert Marrin a timely examination of Red Scares in the United States including the Rosenbergs the Hollywood Ten and the McCarthy era In twentieth century America no power and no threat loomed larger than the communist superpower of the Soviet Union America saw in the dreams of the Soviet Union the overthrow of the US government and the end of democracy and freedom Meanwhile the Communist Party of the United States attempted to use deep economic and racial disparities in American culture to win over members and sympathizers From the miscarriage of justice in the Scotsboro Boys case to the tragedy of the Rosenbergs to the theatrics of the Hollywood Ten to the menace of the Joseph McCarthy and his war hearings Albert Marrin examines a unique time in American history and explores both how some Americans were lured by the ideals of communism without understanding its reality and how fear of communist infiltration at times caused us to undermine our most deeply held values The questions he raises ask What is worth fighting for And what are you willing to sacrifice to keep it Filled with black and white photographs throughout this timely book from an award author brings to life an important and dramatic era in American history with lessons that are deeply relevant today

J. Robert Oppenheimer and the American

Century David C. Cassidy, 2019-07-31 Born into a wealthy secular New York Jewish family a student of the Ethical Culture School in New York later educated in theoretical physics at Harvard Cambridge UK and G ttingen Germany appointed professor at UC Berkeley and Caltech J Robert Oppenheimer 1904 1967 was on the forefront of the rise of theoretical physics in the United States to world class status contributing to the century altering success of the Manhattan Project to build the atomic bomb As the scientific leader of that project Oppenheimer played a key advisory role in government helping to forge the post war military industrial scientific alliance that poured huge resources into post war big science Because of his position Oppenheimer became for the public the heroic cultural icon of American science but he also became a target and a tragic victim of the cold war fear and nuclear war preparations underlying the McCarthy era This biographical study focuses on Oppenheimer s cultural and intellectual rise as a theoretical physicist as well as his role within the trajectory of the nation s rise to scientific leadership and the post war forces that confronted American science This biography is nearly unique in that it includes discussions for general audiences of Oppenheimer s work and contributions to theoretical physics including his famous prediction of black holes sixty years before their confirmed discovery Now David Cassidy brings us the best account of Oppenheimer s life in science with J Robert Oppenheimer and the American Century T Powers New York Review of Books Cassidy covers this ground admirably in his thoughtful biography of Oppenheimer Scientific American Cassidy s book is probably the best single study of Oppenheimer to date B Bernstein Physics World Cassidy s biography of J Robert Oppenheimer is a concise well written book about the life of the famous 20th century scientist A worthwhile read for anyone with an interest in the coming of age of American physics and how the weaknesses and strengths of one of its leaders shaped the relationship between science and the government for decades to come Physics and Society This biography is a detailed and beautifully written work Cassidy expands beyond the traditional scope of a biography and expertly explores the surrounding environment that shaped Oppenheimer s life Atomic Archive This excellent biography of J Robert Oppenheimer places the eminent physicist in the context of twentieth century America Cassidy provides excellent insights into the life and times of this complex man Unlike many other biographers of Oppenheimer Cassidy assesses his role as a twentieth century theoretical physicist Alsos Digital Library for Nuclear Issues A superbly researched biography There is no doubt that Cassidy gives us a valuable perspective on Oppenheimer s life The author is shy neither of editorializing nor of making judgments about the personalities who appear in the story These comments are almost unfailingly fair and justified by the evidence Times Higher Education Cassidy has written a book that neither praises Oppenheimer nor buries his reputation but rather puts some tarnish upon the icon G Herken Science [The Modern Temper](#) Lynn Dumenil, 2024-07-02 An in depth perspective of the transformative decade that was the American Jazz Age from the end of World War I to the stock market crash Dumenil has captured the fire of this volcanic time and weaves together scores of social and political threads into an insightful overview Publishers Weekly When most of us take a backward glance at the 1920s we may think of prohibition and

the jazz age of movies stars and flappers of Harold Lloyd and Mary Pickford of Lindbergh and Hoover and of Black Friday October 29 1929 when the plunging stock market ushered in the great depression But the 1920s were much more Lynn Dumenil brings a fresh interpretation to a dramatic important and misunderstood decade As her lively work makes clear changing values brought an end to the repressive Victorian era urban liberalism emerged the federal bureaucracy was expanded pluralism became increasingly important to America's heterogeneous society and different religious ethnic and cultural groups encountered the homogenizing force of a powerful mass consumer culture The Modern Temper brings these many developments into sharp focus

American Political Prisoners Stephen M. Kohn, 1994-06-20 This book is the first account of the personal lives of the nearly 1 000 long term political prisoners arrested under various sedition laws for their opposition to World War I their trade union activities or their unpopular political or religious beliefs Based on the author's exclusive access to the uncensored prison files of many of these prisoners and information obtained under the federal Freedom of Information Act Kohn relays the powerful prison experiences of some of America's most famous and colorful labor socialist and peace leaders With over ten years of research and access to tens of thousands of pages of never before released U S Department of Justice records Stephen Kohn has been able to recreate the actual prison experiences of these political prisoners

The Jdc at 100 Linda G. Levi, Maud S. Mandel, Avinoam Patt, Atina Grossmann, 2019-05-13 It will appeal to readers with a more general interest in Jewish studies and refugee studies Holocaust museum professionals and those engaged in Jewish and other relief and resettlement programs

Echoes of Mutiny Seema Sohi, 2014-08-01 How did thousands of Indians who migrated to the Pacific Coast of North America during the early twentieth century come to forge an anticolonial movement that British authorities claimed nearly toppled their rule in India during the First World War Seema Sohi traces how Indian labor migrants students and intellectual activists who journeyed across the globe seeking to escape the exploitative and politically repressive policies of the British Raj linked restrictive immigration policies and political repression in North America to colonial subjugation at home In the process they developed an international anticolonial consciousness that boldly confronted the British and American empires Hoping to become an important symbol for those battling against racial oppression and colonial subjugation across the world Indian anticolonialists also provoked a global inter imperial collaboration between U S and British officials to repress anticolonial revolt They symbolized the hope of the world's racialized subjects and the fears of those who worried about the global disorder they could portend *Echoes of Mutiny* provides an in depth and transnational look at the deeply intertwined relationship between anti Asian racism Indian anticolonialism and state antiradicalism in early twentieth century U S and global history Through extensive archival research Sohi uncovers the dialectical relationship between the rise of Indian anticolonialism and state repression in North America and demonstrates how Indian anticolonialists served as catalysts for the implementation of restrictive U S immigration and antiradical laws as well as the expansion of state power in early twentieth century India and America Indian

migrants came to understand their struggles against racial exclusion and political repression in North America as part of a broader movement against white supremacy and colonialism and articulated radical visions of anticolonialism that called not only for the end of British rule in India but the forging of democracies across the world

Reader's Guide to American History Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader's Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

Freemasonry and American Culture, 1880-1930 Lynn Dumenil, 2014-07-14 As the United States moved from Victorian values to those of modern consumerism the religious component of Freemasonry was increasingly displaced by a secular ideology of service like that of business and professional clubs and the Freemasons psychology of asylum from the competitive world gave way to the aim of good fellowship within it This study not only illuminates this process but clarifies the neglected topic of fraternal orders and enriches our understanding of key facets of American cultural change Originally published in 1984 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

"A Man of Books and a Man of the People" William Elliott Ellis, 1985 Political Repression in Modern America from 1870 to 1976 Robert Justin Goldstein, 2001 Enhanced with a new introduction and an updated bibliography Political Repression in Modern America remains an essential record of the relentless intolerance that suppresses radical dissent in the United States

History's Memory Ellen Fitzpatrick, 2004-10-25 This reinterpretation of a century of American historical writing challenges the notion that the politics of the recent past alone explains the politics of history Fitzpatrick offers a wise historical perspective on today's heated debates and reclaims the long line of historians who tilled the rich and diverse soil of our past

To Try Men's Souls Harold M. Hyman, 2023-11-15 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1959

A History of Disinformation in the U.S. Joseph R.

Hayden,2024-06-07 This volume recounts notable episodes of distortion throughout American media history It examines several of the lurid hoaxes and conspiracy theories that have inspired press coverage as well as some of the political lies promoted by partisan gladiators whether of the eighteenth century or today The book moves beyond the sensational stories to show the enduring and systemic nature of media manipulation that occurs on far more consequential issues It exposes persistent and deeply destructive falsehoods that have been told about women people of color immigrants the LGBTQ community unions commercial products highlighting how longstanding bipartisan myths have effectively marginalized certain groups of Americans Alongside these cases the author carefully dissects the changing nature of institutions technologies and practices of journalism in America Attention is given to the evolution of newspapers in the eighteenth and nineteenth centuries the role of broadcasting in the twentieth and the impact of the internet and social media at the dawn of the twenty first This book will appeal to readers interested in American history journalism communication studies political science and sociology

Loyalty and Liberty Alex Goodall,2013-12-15 Loyalty and Liberty offers the first comprehensive account of the politics of countersubversion in the United States prior to the McCarthy era Beginning with the loyalty politics of World War I Alex Goodall traces the course of American countersubversion as it ebbed and flowed throughout the first half of the twentieth century culminating in the rise of McCarthyism and the Cold War This sweeping study explores how antisubversive fervor was dampened in the 1920s in response to the excesses of World War I transformed by the politics of antifascism in the Depression era and rekindled in opposition to Roosevelt s ambitious New Deal policies in the later 1930s and 1940s Identifying varied interest groups such as business tycoons Christian denominations and Southern Democrats Goodall demonstrates how countersubversive politics was far from unified groups often pursued clashing aims while struggling to balance the competing pulls of loyalty to the nation and liberty of thought speech and action Meanwhile the federal government pursued its own course which alternately converged with and diverged from the paths followed by private organizations By the end of World War II alliances on the left and right had largely consolidated into the form they would keep during the Cold War Anticommunists on the right worked to rein in the supposedly dictatorial ambitions of the Roosevelt administration while New Deal liberals divided into several camps the Popular Front civil liberties activists and embryonic Cold Warriors who struggled with how to respond to communist espionage in Washington and communist influence in politics more broadly Rigorous in its scholarship yet accessible to a wide audience Goodall s masterful study shows how opposition to radicalism became a defining ideological question of American life

Red Scare A Study In National Hysteria 1919 1920 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Red Scare A Study In National Hysteria 1919 1920 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Red Scare A Study In National Hysteria 1919 1920 PDF books and

manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Red Scare A Study In National Hysteria 1919 1920 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Red Scare A Study In National Hysteria 1919 1920 Books
