African-American Perspectives and Philosophical Traditions John Pittman, John P. Pittman, 1997 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's *A Comedy of Errors* Miola's edited work also features a comprehensive critical history coupled with a full bibliography and photographs of major productions of the play from around the world In the collection there are five previously unpublished essays The topics covered in these new essays are women in the play the play's debt to contemporary theater its critical and performance histories in Germany and Japan the metrical variety of the play and the distinctly modern perspective on the play as containing dark and disturbing elements To compliment these new essays the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficult accessible journals newspapers and other sources This collection brings together these essays for the first time

The Stakes of History David N. Myers, 2018-01-01 A leading scholar of Jewish history's bracing and challenging case for the role of the historian today Why do we study history What is the role of the historian in the contemporary world These questions prompted David N Myers's illuminating and poignant call for the relevance of historical research and writing His inquiry identifies a number of key themes around which modern Jewish historians have wrapped their labors liberation consolation and witnessing Through these portraits Myers revisits the chasm between history and memory revealing the middle space occupied by modern Jewish historians as they work between the poles of empathic storytelling and the critical sifting of sources History properly applied can both destroy ideologically rooted myths that breed group hatred and create new memories that are sustaining of life Alive in these investigations is Myers's belief that the historian today can and should attend to questions of political and moral urgency Historical knowledge is not a luxury to society but an essential requirement for informed civic engagement as well as a vital tool in policy making conflict resolution and restorative justice
