Roger Luckhurst

Revival Of Evil:

In the Latter Days Vinson Synan, 2001 What in the World is God Doing asks Vinson Synan Evil has swept the earth in the twentieth century the bloodiest in human history Yet this century has also seen an astounding outpouring of the Holy Spirit Writing with both a historian's perspective and prophetic urgency Synan helps us understand our times Today God is giving great gifts in times of great trouble In the Latter Days describes the Pentecostal outpouring of the Holy Spirit in the twentieth century It is the greatest revival in human history It has touched millions of lives reached across denominational barriers restored spiritual gifts to Christian life and permanently reshaped Christianity The Pentecostal movement began humbly in a Kansas farmhouse and a shabby Los Angeles meeting hall It spread rapidly throughout the U S spawning several new fast growing denominations and within a few decades had taken hold in every continent Then in the 1960s even Pentecostal Christians were amazed when a neo Pentecostal movement erupted in the mainline Protestant denominations and the charismatic renewal unexpectedly appeared in the Catholic Church In the Latter Days tells the whole dramatic story of God's Pentecostal working our day a day of great evil and a day of great blessing Publisher's information **Embodying the Spirit** Michael J. McClymond, Michael James McClymond, 2004-07-16 This book will appeal to scholars and students of popular religion as well as to general readers interested in the subject **BOOK JACKET** **War on the Saints** Jessie Penn-Lewis, Evan Roberts, 2005-06-30 **Revival** Dr. D. K. Olukoya, 2018-05-31 There is urgent need for revival in the church as body and in the lives of individual Christians A Christian must hunger and thirst for spiritual growth Many Christians are in a state of spiritual slumber We must wake up or end up in hell When there is revival people show concern for where they will spend eternity they begin to hunger and thirst after God in earnest To make heaven Christians must make every necessary sacrifice to get revived This book is a wake up call for those who are in spiritual slumber It is a pointer to the part we must take and the pitfalls we must avoid if we must be revived One thing is sure if you digest the contents of this book and say the prayers with your whole heart you will know and neighbours will testify that something new has happened in your life *The Kingdom of God in Africa* Mark Shaw, Wanjiru M. Gitau, 2020-07-31 African Christianity is not an imported religion but rather one of the oldest forms of Christianity in the world In *The Kingdom of God in Africa* Mark Shaw and Wanjiru M Gitau trace the development and spread of African Christianity through its two thousand year history demonstrating how the African church has faithfully testified to the power and diversity of God's kingdom Both history students and casual readers will gain greater understanding of how key churches figures and movements across the continent conceptualized the kingdom of God and manifested it through their actions The only up to date single volume study of its kind this book also includes maps and statistics that aid readers to absorb the rich history of African Christianity and discover its impact on the rest of the world *Church Isn't Always What It Seems* Joann W. Cox, 2015-08-21 Faith always went to church as a child but as an adult she decided that church is not for her Just like anybody else she loves to party and

have fun but along the way she faces life's trials and tribulations and decides to go back to church and give her life to God. Faith becomes a devoted faithful member but this time around in church she sees and experiences a lot along the way dealing with one wicked man who thinks he is God. Faith does not believe half of what she sees or what she hears or even half of the events that take place. So much takes place in the house of the Lord no one can ever know what to expect and everyone has to be on pins and needles. Instead of getting the solace and peace they look for when attending church the members get nothing but hell raising. Faith starts to understand why people talk unkindly about Christian folk and don't go to church like they used to. This makes her realize that church isn't always what it seems and that it's really a one man church. *Super Apostle Brothers* Daniel Preston, 2003. Two boys and a girl embark on a fictional story into the realm of Christian cults. Their adventure illustrates the simplicity of the gospel of Jesus Christ, the importance of having a personal relationship with God, and how forgiveness plays a key role in recovering from spiritual abuse.

Exploring Psalms John Phillips, 2001-10. John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation. *Moody Magazine*.

Breaking Chains Alfred M. Flett, 2024-11-01. Setting the Captives Free. After suffering with suicidal thoughts and addictions for many years, Alfred Flett found himself back in the very church he'd attended as a child. Christianity wasn't practised in his home but he was made to attend Sunday school where he heard the life-changing words of John 3:16. But he eventually dropped out of Sunday school and never returned to church until he was an adult. The path he chose left him a broken young man and life seemed hopeless. He tried self-help techniques like psychology and counselling but nothing seemed to help. His need went beyond the physical and emotional. He was running away from his Creator who had made him for a purpose. Have you ever asked yourself: Why am I here? Who created me? What's my purpose? Alfred found the answer in the person of Jesus Christ. He filled the spiritual vacuum in his life and He can do the same for you.

The Modern Stephen King Canon Patrick McAleer, Philip L. Simpson, 2018-11-29. *The Modern Stephen King Canon: Beyond Horror* is a collection of essays focused on the more recent writings of Stephen King, including *Revival* (11/22/63) and a selection of short stories by the Master of the Macabre. The authors write about King's works that have received little critical attention and aim to open up doorways of analysis and insight that will help readers gain a stronger appreciation for the depth and detail within King's fiction. Indeed, while King is often relegated to the role of a genre writer, horror, the essays in this collection consider the merits of King's writing beyond the basics of horror for which he is primarily known. Recommended for scholars of literature, horror, and popular culture.

The Encyclopedia of Christianity, Vol. 5 Erwin Fahlbusch, Geoffrey William Bromiley, 1999. Written by leading scholars from around the world, the articles in this volume range from sin, Sufism, and terrorism to theology in the 19th and 20th centuries, Vatican I and II, and the virgin birth.

Pentecostal Theology for the Twenty-First Century May Ling Tan-Chow, 2016-05-13. In our post-9/11 world where there is a growing religious fundamentalism and when both exclusion and easy tolerance are inadequate options, this book

offers a creative alternative arguing that Pentecostalism has the potential to be a peaceful harbinger of plurality The potential lies in its spirituality a lively pneumatology and eschatology The eschatological Spirit is seen as orientated towards the other crossing boundaries in redemptive embrace transcending exclusion and easy tolerance This book's non Western perspective and the empirical contextual study of Singapore's multicultural and multi faith context are unique contributions to religion and society This is a book for students pastors teachers and theologians concerned for an approach to mission that is sensitive to their context who want to learn from a creative theological voice from what has been perhaps the largest religious movement in history and who see the immense potential in lively theology by Christians of the Chinese diaspora who can speak to the many millions of ethnic Chinese Christians This book will also appeal to those outside Christianity who are interested in its attempts to engage with a complex multi ethnic and multi religious situation such as that in Singapore
