Jenkinson, 2019-01-03 The realm of He aeven has always been influenced by prophecies but when one speaks of the end of everything it will be a race against time to interpret what is written and to save the multiverse When Ezekiel an Erelim angel of light finds out that he may be a part of the prophecy his whole life is thrown into chaos But before he can answer the questions of his fate he is thrust into the middle of an ancient war one that he never wanted to be a part of On the run he will try to find the truth Meanwhile seven Archangels legends and survivors of their own prophecy are trying to save their world and a universe in peril while an army of demons move against them Including Envy a member of the elite group of demons known as the Seven Deadly Sins He enacts his own plans to interpret the prophecy and change his own fate They will fight to avoid fix or change their destinies But can prophecy be changed Or are their fates written in stone Also available as a digital Ebook The Long Road Home and Other Short Stories from the Silences in the Gospel of Mark James S. Lowry, 2013-05-17 Borrowing from the ancient rabbinic use of midrash as a means of opening Scripture to students James Lowry has chosen six texts from among those in which he believes Mark deliberately left silences The author is convinced Mark hoped his readers would be encouraged to raise a variety of possibilities as to what the evangelist left unsaid Beginning with Mark choosing not to name the temptations of Jesus Mark 1 12 13 and concluding with Mark choosing to conclude his narrative with the women leaving the tomb of Jesus in stunned silence Mark 16 8 Lowry spins short stories that suggest several alternative ideas as to how the biblical narrative might have played In half of the tales Lowry enters the text and adds fictitious material to Mark s narrative In the other half his stories are set in the small textile town of Great Falls South Carolina where the author grew up in the 1950s The hope is these stories will encourage readers of Mark and groups of his readers to raise other possibilities

The Spiritual Life Tyler G. Walton, 2021-12-08 In our modern selfie and soundbite society so many of us struggle with connection and self acceptance We rely on our keyboards and screens and masks that hide who we really are even from ourselves Rather than having character we become characters Rather than being grateful for what we have we feel entitled

to all of it and more With this mindset it is easy to fool ourselves into thinking that we are fine the way we are and that they are the problem abdicating any responsibility for our failures or failings and remaining stuck in situations and circumstances that hurt ourselves and everyone around us Whether we re facing the rock bottom of homelessness and drug addiction or simply strained relationships with friends and loved ones an examination of our self defeating beliefs and habits can make a world of difference The Spiritual Life Finding Freedom From Homelessness Hunger and Heroin takes readers on a journey from the depths of despair and dejection to the rejuvenation of a life worth living all through an inward focus that helps nurture and develop a healthier outward look
