all about Yes the gospel Contrary to conventional thinking inside and outside the church following Jesus is not about denying our humanness but embracing it Rather than acting more spiritual or being more religious we re called and enabled to become more fully human and alive Matt Heard escorts us on a journey of discovery that Jesus didn t come to save us from our humanity Christ instead yearns to restore it to what God originally intended Matt then explores ten key areas where everyday life can become extraordinary Life Christ promised we could live life to the full He didn t just mean eventually Life with a Capital L is the Life you are longing for Now Family Pictures Laura Duhan Kaplan,1998 This series of intimate snapshots of family life shows how the ordinary journey through marriage maturity and parenting is fraught with extraordinary questions about ethics knowledge and metaphysics Humorous and poignant depictions of family members are presented in the context of classical philosophical questions The reality of family life brings these questions down to earth while the author s imaginative use of philosophy deepens the reader s understanding of what is at stake for an individual enclosed in the sphere of the family The author s romantic vision of love as a spiritual anchor gives way to mock horror at discovering her new husband s philosophy of life A respectful description of her mother in law s attempts to stave off death by clinging to physical possessions is followed by an outrageous account of her mother s ability to constructively ridicule the foibles of others A meditation on the importance of learning from children about the value of human life is juxtaposed with the record of a futile attempt to learn from an art exhibit while chasing a wriggling infant Family Pictures brings philosophy to a wider audience by showing how philosophical questions arise in ordinary experience and how practical philosophy can be in understanding personal and spiritual transformation **One-Minute Prayers to Start Your Day** Hope Lyda,2019-01-01 What s on Your Heart Today As sure as the rising of each new dawn God is with you Whatever the day will bring you can know that he is near and longs for moments to speak to your heart These short powerful prayers and inspiring verses will revive your spirit renew your faith and lead you to deeper conversations with your creator Awaken daily to God s possibility and encouragement as you trust his promises for every trial seek holy guidance in your decisions walk in the purpose designed for you As you spend your first moments of every day with God your softened heart will become more available to his transforming grace all day long *The Bridge* Dario L.
