## **Longman A Level Study Guide Sociology Longman A Level Study Guides:**

**Books Magazine** ,1994      **Sociology in Perspective** Mark Kirby,2000 This text specifically for AQA specifications is designed to be easy and encouraging for students to use The book contains updated material and activities together with a new chapter on study skills It also indicates clearly where activities meet the new evidence requirements for key skills

Whitaker's Books in Print ,1998      *Sociology* ,2000      Resources in Education ,1996-04      **Research in Education** ,1974      **New Society** ,1979      **Bookbuyers' Reference Book** ,1993      Forthcoming Books Rose Army,2001-08

**Secondary Education Journal** ,1986      *TEACHING ENGLISH AS A SECOND LANGUAGE* MANISH A. VYAS,YOGESH L. PATEL,2009-11-03 Today English Language Teaching ELT especially English as a Second Language ESL and English as a Foreign Language EFL has been witnessing unprecedented changes in curriculum teaching methodology and the application of learning theories This has created a demand for teachers who can teach English to learners of varied cultural socio economic and psychological backgrounds This book discusses the modern trends innovations as well as the difficulties and challenges in teaching and learning ESL in a non native context The book with contributions from many experts each one specializing in a particular field from countries such as UK USA Australia New Zealand India Nigeria Sri Lanka China and Japan provides new methods strategies and application oriented solutions to overcome the problems in a practical way The book deals with all topics pertinent to ESL and these are reinforced by a large number of examples and quotations from different sources What distinguishes the text is its focus on modern innovations and use of technology in ELT CLT communicative language teaching Teachers teacher trainees B Ed M A Education M Ed and teacher educators who are concerned with teaching English as a Second Language ESL should find this book immensely helpful      A New Reader's Guide to African Literature Hans M. Zell,Carol Bundy, Virginia Coulon,1983      **Subject Guide to Books in Print** ,1997

*Careers Education* Suzy Harris,1999-06-02 This book offers an insight into the structure and delivery of careers education discusses the meaning and impact of vocational guidance and provides a political and historical context It is thorough and well researched and will be of interest to those delivering researching and participating in careers education and guidance *Careers Guidance Today* This book is an important contribution to a discourse in which there have been too few voices *British Journal of Guidance* delineates the changing and uncertain relationship between schools and the Careers Service shows how the politics of curriculum relevance marginalizes careers teaching describes the downward path to complete exclusion from The National Curriculum and points the way for policymakers to eschew rhetoric and rebuild the Careers Service This book will be an essential resource to help careers and guidance practitioners make sense of their situation for students and researchers seeking to understand current policy and inform policy making Essential for teachers doing courses in careers education and guidance Tony Watts NICEC      **Reader's Guide to the Social Sciences** Jonathan Michie,2014-02-03 This 2 volume work includes approximately 1 200 entries in A Z order critically reviewing the literature on

specific topics from abortion to world systems theory In addition nine major entries cover each of the major disciplines political economy management and business human geography politics sociology law psychology organizational behavior and the history and development of the social sciences in a broader sense     *Theory and Method in Religious Studies* Frank Whaling,2012-10-25 This paperback edition contains selected articles from the original clothbound editions of Contemporary Approaches to The Study of Religion Vol I The Humanities Vol II The Social Sciences Religion and Reason 27 28     Christian Couples Coping with Childlessness Auli Vahakangas,2009-06-01 Children are the focus of marriage in African cultures Marriage is considered full and functional only if the couple has children in many cultures preferably a boy Becoming a parent also contributes to one s full adulthood in the sense that childlessness blocks ascent towards full personal dignity as an adult person in the community As a result childlessness is often a major disaster for both of the spouses It has social economical and personal consequences quite often including divorce This book explores in depth how childlessness is perceived dealt with and coped with in two Christian communities in Machame on the slopes of Mt Kilimanjaro Childlessness is approached through narratives of the spouses concerned and the members of their communities Their stories reveal pain and courage brokenness and strength faithfulness and betrayal Christianity presents itself in an ambiguous light on one hand pressuring spouses to keep up facades supporting oppressive structures On the other hand Christian faith provides childless couples with personal hope in the afterlife that the African traditional culture offers only to those with children This study proves that childlessness is not only a personal but also a communal problem Childlessness and the fear of having no children contribute to family structures and sexual behavior In this way they have a considerable impact on the spread of HIV AIDS in Africa However this study reveals that the attitudes and practices towards marriage and children need not be petrified but rather that traditions can and do change     Essential Concepts in Sociology Anthony Giddens,Philip W. Sutton,2021-05-04 Social life is in a constant process of change and sociology can never stand still As a result contemporary sociology is a theoretically diverse enterprise covering a huge range of subjects and drawing on a broad array of research methods Central to this endeavour is the use of core concepts and ideas which allow sociologists to make sense of societies though our understanding of these concepts necessarily evolves and changes This clear and jargon free book introduces a careful selection of essential concepts that have helped to shape sociology and continue to do so Going beyond brief dictionary style definitions Anthony Giddens and Philip W Sutton provide an extended discussion of each concept which sets it in historical and theoretical context explores its main meanings in use introduces relevant criticisms and points readers to its ongoing development in contemporary research and theorizing Organized in ten thematic sections the book offers a portrait of sociology through its essential concepts ranging from capitalism identity and deviance to the digital revolution environment postcolonialism and intersectionality It will be essential reading for all those new to sociology as well as anyone seeking a reliable route map for a rapidly changing world     *The Humanities* Frank Whaling,2019-10-08 No detailed description
