Look For His Coming Advent 2001 Scriptures For The Church Season:

Look for His Coming Joy Lawler, 2001-09 We think we know what to expect from Christmas and frankly we like it that way But if you Look for His Coming this Advent there will be no settling down for a long winter s nap You just never know what God has in store Look for His Coming It will change your life Joy Lawler leads the reader on an exploration of what God has done for us in Jesus Christ and how we can respond to his coming using the Revised Common Lectionary texts We are invited to explore the unsettling eschatological imagery of the lections and to entertain notions of a mysterious God full of power and might who comes in the small package of a baby to shake the foundations of our world A five session leader s guide is available for use in small groups or Sunday school order 0687069602 [Look for His Coming Advent 2001 Leader](#)

Seibert, 2023-11-07 One the greatest challenges the church faces today writes Jerome F D Creach is to interpret and explain passages in the Bible that seem to promote or encourage violence Violence in Scripture 1 In the past fifteen years a number of books have been published to help people make sense of God s violent behavior in the Bible Yet very little has been written about how to use these and other violent texts constructively in church This leaves religious practitioners pastors priests Sunday school teachers worship ministers lay leaders and others at a real disadvantage What should they do with stories that sanction genocide or praise individuals for killing others How can they use these violent texts in sermons liturgies Christian education classes and elsewhere without promoting the violent ideologies they contain In Redeeming Violent Verses Eric Seibert addresses these questions by focusing on a wide range of practical ways to use violent biblical texts responsibly in the church and beyond With chapters devoted to using violent verses when preaching sermons teaching Sunday school and leading worship this book is filled with guidelines and specific practices designed to help ministers use violent verses responsibly Seibert includes numerous examples to illustrate specific ways these verses could be used in ministry settings and pays special attention to dealing with passages that portray God behaving violently Rather than

ignoring these passages or being intimidated by them Redeeming Violent Verses tackles troublesome texts head on It charts a bold path forward one that opens up new possibilities for ministers by equipping them to use these texts in life giving and spiritually edifying ways Religious practitioners of all stripes will find this book immensely helpful and readers will benefit greatly from the many strategies and suggestions offered here
