**The Dead Survivors** KJ Erickson, 2007-04-01 Frank Beck a man with terminal colon cancer a new divorce and a stack of debts hangs himself It s an open and shut suicide except for a string of numbers inscribed on Beck s right arm Minneapolis Homicide Detective Marshall Bahr can t make sense of the numbers or the fact that a guy everyone describes as sloppy tied a perfect hangman s noose for himself But then he uncovers an obscure fact in the dead man s ancestry a connection to the Battle of Gettysburg and to make sense of its bearing on this homicide he needs to understand ninety seconds of action at the end of this historical battle Mars and his partner Nettie Frisch begin to theorize based on the idea that this death by hanging just might be related to the Civil War Then another body turns up and before Mars can even believe it s true they re are on the trail of a serial killer whose motive seems to be related to a contemporary controversy about Gettysburg and the descendents of the First Minnesota Volunteers the legendary northern regiment who turned the tide against the Confederacy on that fateful day In this enormously compelling follow up to Third Person Singular KJ Erickson delivers a top notch police procedural full of twists and turns pitting a relentless cop against an equally determined killer

**Third Person Singular** KJ Erickson, 2010-04-01 Set against the black backdrop of a ruthless Minnesota winter KJ Erickson s debut novel is bursting with masterfully plotted suspense and intricately rendered characters Prickly but gifted Minneapolis Special Detective Marshall Mars Bahr is a man whose devotion to his eight year old son is eclipsed only by his love of the hunt Mars hasn t won any popularity contests among his fellow officers but his commitment to

his job and his investigative talents have gotten him a plumb assignment Special Detective in charge of the First Response Unit reporting directly to the chief On a winter morning when Mars is called to the scene of a homicide near the outskirts of town his first thought is that a homeless drunk passed out in the wrong place on a freezing cold night What he finds turns out to be much more menacing a nightmare case involving a teenage girl from the right side of the tracks With few clues and increasing pressure from the mayor on down to apprehend the killer Mars is forced to turn away from the details of the crime on the bluffs and instead focus on the victim herself Mary Pat Fitzgerald seemed to have a storybook lifestyle at least from the outside With a little digging however it becomes clear that appearances can be deceiving Mars and his partner Nettie Frisch turn up some provocative clues in the search to uncover the truth about the young woman s lonely death but can they trust them Third Person Singular is a multilayered screamer of a debut that will have readers breathlessly awaiting KJ Erickson s next effort
