Look For The Rainbow A Of Verses:

Man vs Mind Daniel Richardson,2018-03-06 Where do our thoughts come from Do we all see the same blue And how much is our eye really like a camera The mind is the tool that sets humans apart from the rest of the animal kingdom and the most crucial part of our very being but what actually is it From trying to decide whether or not we re robots understanding why some people commit acts of violence to figuring out the art of persuasion this essential guide to the inner workings of our minds explores the questions we really want to know the answers to Making the complex comprehensible this informative book provides a new insight into how our minds work and the role they play in modern life Whether it s pondering over why you re usually right about everything or discovering colour Man vs Mind shows that you don t need to be a psychologist to understand more about what s going on up there
