disturbing Lily is convinced that she's being stalked. Though her attacker started the destruction of her life, someone else is determined to finish it.

Luke's Quest Karen, Karen & Al Collier, 2006-10 In *Prisoner of Time*, the first of the *Luke's Quest* series, Luke Bradley discovers a journal from 1881 written by a time traveler who is trapped in the past. Not only does Luke uncover a murder plot, but he also meets a woman he has seen in his dreams for years. Luke's love for Lisa presents a few problems. A few months from now, Lisa may be murdered or may murder someone else, and Luke is not sure which. Meanwhile, both Luke and Lisa are attacked and nearly killed, and he tries to find out who is behind those attacks and why. Lisa's husband is one suspect; a rejected lover is another possibility. Or it could be the head of security for the secret government time travel research project where she works, or even all of them working together. Will Luke live long enough to save Lisa, or will she die too while another time traveler is trapped in 1881? Most of the action takes place in modern-day Arkansas, but also includes a trip to Scotland as well as a journey back to Jacksonport, Arkansas, in 1881. It is a love story, adventure, and mystery all rolled into one. Without intending to, Luke finds his life taking a different path from what he had ever expected it to, and discovers healing in the process of helping others.

Luke's wife Evelyn R. Garratt, 2025-03-02 In *Luke's Wife*, Evelyn R. Garratt weaves a poignant narrative that explores the complexities of love, sacrifice, and identity through the lens of an ordinary woman navigating her extraordinary circumstances. Set against a backdrop of societal upheaval, the novel is characterized by its lyrical prose and rich character development, offering readers an intimate glimpse into the protagonist's internal struggles and evolving relationships. Garratt deftly balances emotional depth with social commentary, inviting reflection on the roles and expectations placed upon women in contemporary society. Evelyn R. Garratt, an acclaimed writer known for her insightful portrayals of women's experiences, draws on her background in social work and feminist literature to shape the narrative of *Luke's Wife*. Her personal experiences and keen observations of human behavior infuse the characters with authenticity, allowing readers to resonate deeply with their triumphs and tribulations. Garratt's commitment to exploring themes of resilience and empowerment sets her apart as a vital voice in modern literature. I highly recommend *Luke's Wife* to readers seeking a compelling and thought-provoking tale that examines the intricacies of personal relationships and societal pressures. Garratt's masterful storytelling will not only engage but also inspire, making this book a significant contribution to contemporary fiction.

Shadow Valley (THE FINAL CHAPTERS) Stephenie Muller, 2017-12-16 50% of the proceeds go to Bundy to the Farm Drought Aid. A trilogy of novellas, *Shadow Valley: THE FINAL CHAPTERS* is the finale to the larger novel simply titled *Shadow Valley*. If you have read *Shadow Valley*, this is an enthralling conclusion as the reader revisits the farm and life in Rathdowney. Otherwise, this story stands alone. With twists and turns, devastation, and chance encounters, there is a whole new dusty track to travel down Foreign Fields. Another story with its roots planted firmly in the country and following the life of an upstanding family who have lived on their farm for generations. But there's a secret being kept. Who will put the pieces together? Who already knows? *The Trolley Guy*. This is a story that will keep you guessing to the end. Set

largely in an underground car park it is something quite different to the other two stories in the book Car racing on a back road two unlikely thieves and when body meets concrete be prepared to let your imagination run wild Acts Paul W.
