Caring for Hamsters Tammy Gagne, 2018-08 *Nibble's Guide to Caring for Your Hamster* Anita Ganeri, 2014-11-01
Titles in the Pets Guides series teach young readers how to care responsibly for their chosen pet. However, in a unique spin, each book is written from the point of view of one of the animals themselves, thus also allowing the books to be used to teach perspective. In this book, Nibble the Hamster reveals how readers should go about choosing a pet hamster, what supplies they will need, how to make a new hamster feel at home, and how to properly care for a pet hamster, including feeding, exercising, and keeping a hamster cage clean. Text in the book is accompanied by clear labeled photographs to further reinforce key concepts. How to Look After Your Hamster David Alderton, 2013. Owning even the smallest pet is a big responsibility, but an enjoyable one. This book presents a useful guide for young animal lovers on how best to care for their hamster. It explains all you need to know about the different breeds that are available, including long and short haired varieties, and useful items to include in your hamster's home, such as a drinking bottle and an exercise wheel. **The Pet Owners Guide to Hamsters: Everything You Need To Know About Owning a Happy and Healthy Hamster** Matthew DeBanks, Hamsters have long been a favorite pet amongst owners. These adorable creatures are known for their attractive appearance, pleasant nature, and high energy levels. You will also discover the tricks to bonding with your hamster so that you are able to handle him and enjoy a close level of connection with your pet. Hamsters are warm blooded mammals that sleep during the day and are awake at night. While there are many different types of hamsters, only a few are kept as pets.
