Looking At Religion Christian:

Eight Ways of Looking at Christianity Granville Hicks, 1926 **An Evolutionist Looks at Religion** Charles Augustus Collin, 1928 **Worldview of the Christian Faith** Joseph Charles Beach, 2022-10-27 Worldview of the Christian Faith explores the differing worldviews of our society against the backdrop of what Christians should believe Joseph Charles Beach a devoted believer in our Lord and Savior Jesus Christ answers questions such as Why do morals and values matter Is the Bible still relevant in today's modern world How can Christians stand up for the truth instead of caving in to the whims of society Can Christians defend their faith amid so many assaults on God and the Bible The author also explores whether science and the Bible can coexist and argues that skeptics of the Word should give Christianity another look It may surprise you how accurate the Bible is despite what you may have heard Only the Christian faith can offer hope truth and value to you as an individual Whether you have lost your faith want to ignite it or are confused about what to believe you'll find valuable guidance in this book **Religions Around the World** Encyclopaedia Britannica, Inc., 2012-04-01 Updated for 2012 and part of the Britannica Learning Library Series in Religions Around the World you will learn about the people traditions and diverse ideas that make up the many religions of the world *Sermons on the Chief Doctrines and Duties of the Christian Religion, in Their Natural Order* William Dalglish, 1799 *Rooted in Hope: China - Religion - Christianity Vol 2* Barbara Hoster, Dirk Kuhlmann, Zbigniew Wesolowski, 2017-03-27 This Festschrift is dedicated to the former Director and Editor in chief of the Monumenta Serica Institute in Sankt Augustin Germany Roman Malek S V D in recognition of his scholarly commitment to China The two volume work contains 40 articles by his academic colleagues companions in faith confreres as well as by the staff of the Monumenta Serica Institute and the China Zentrum e V China Center The contributions in English German and Chinese pay homage to the jubilarian's diverse research interests covering the fields of Chinese Intellectual History History of Christianity in China Christianity in China Today Other Religions in China Chinese Language and Literature as well as the Encounter of Cultures **How You Can Run The Christian Race Successfully Looking Unto Jesus** Emmanuel Allotey, 2024-05-28 A Christian book about Christian discipleship that will inspire you to make Jesus your standard for life Vodou and Christianity in Interreligious Dialogue Celucien L. Joseph, Charlene Desir, Lewis A. Clormeus, 2023-10-30 Vodou and Christianity in Interreligious Dialogue addresses both historical factors and ideological issues that created antagonism and conflict between Christians and Vodouists in Haiti The book offers practical solutions and strategies to help create a harmonious and peaceful environment between religious practitioners associated with Vodou and Christianity Toward this goal this volume considers various perspectives and theories such as autobiography anthropology ethnographic fieldwork religious experience and gender to examine the subject matter This volume offers practical examples and resources on how to engage in interreligious dialogue and promote interreligious education in Haiti There are three philosophical and practical ideas underlying this book project 1 it is grounded on the belief that religion has value and it

could bring social goods to different communities and enhance human dignity and justice 2 it is premised on the idea that dialogue and cooperation are necessary for nation building and human development as democratic ideals and that one of the leading functions of the world's religious traditions is to promote both cooperation and dialogue through mutual understanding and for the common good and 3 that the power and public role of religion in society can be used as a major force of unification and peace building among divergent factions and schools of thought and to promote reconciliation mutual respect and friendship in the world

Religion and Life with Christianity Ina Taylor, 2005 At the right depth for Religion and Life options Religion and Life with Christianity provides everything you need for Unit B of the Edexcel specification without any redundant material *Christian Theology and African Traditions* Matthew Michael, 2013-05-21 Christian theology is increasingly recognized to be now a non western enterprise since the high concentrations of Christians in the world are no longer found in the Western societies Christian Theology and African Traditions takes seriously this present recognition of the southward movement of Christianity from the western world to a non western setting It seeks to reposition Christian theology and faith to engage the African traditions in classical category of theology proper bibliology anthropology Christology pneumatology soteriology ecclesiology and eschatology and provides unique insights and problems that these classical and systematic categories poses to African Christianity Similarly it provides theological blueprint for non Africans who are interested in knowing the nature and shape of the Christian theology in non western settings **Course**

Corrections to Faith and Identify the Real Gospel Authors John Zavicar, 2022-07-19 The author believed he was a saved Christian and never doubted he was going to heaven Recently during a traumatic surgery that nearly killed him God took him to hell to show him his true eternal destination After surgery and during recovery John started working with the Holy Spirit to understand why God sent him to visit hell He realized it was because he hadn't wholeheartedly accepted the story of Jesus Many of the Biblical Gospels never made sense to John and he couldn't fully commit to Jesus Read John's story to find out how God worked in his life to identify the real authors of the Gospels and how this solidified his faith Following this investigation John committed 100% to Jesus Apply the five step process he describes to firm up your faith and eliminate your doubts in Jesus just as he did **Psychology of Religion and Families** Loren D. Marks, David C. Dollahite, 2025-07-21 Now

in its second edition this multidisciplinary text addresses the growing scholarly connection between religion and family life while offering an accurate and engaging account of why and how families are impacted by their religion This updated volume integrates the social science literature from family studies psychology sociology and religion with narratives drawn from in depth interviews with 300 racially religiously and regionally diverse families that bring the concepts to life Written in a thought provoking accessible style by two of the leading researchers in the field this book reflects the author's first hand experience in teaching today's students about religion's influence on families This book examines Christianity Judaism and Islam addresses the impact of religious involvement on longevity divorce rates and parenting styles and considers

demographic family couple and individual level data that relate to prayer and other sacred practices New chapters explore The Conflicts Struggle and Stressors of Religion Racial and Ethnic Minorities and Religion Religion Sex and Gender Roles in Marriage Pedagogical features include boldfaced key terms defined in the glossary text boxes chapter conclusions summary points and review questions Intended as a text for undergraduate courses in family and religion the psychology or sociology of the family the psychology or sociology of religion pastoral biblical counseling or family and youth ministry taught in human development and family studies psychology sociology religion social work pastoral counseling and philosophy this book is also relevant to family therapists and counselors

A Rabbi Looks at Jesus' Parables Frank Stern, 2006 Intended to appeal to both Christians and Jews A Rabbi Looks at Jesus Parables is an introduction to the teachings of Jesus and compares the similarities and differences in Jesus thinking to other Jewish sources from first century Palestine Each chapter uncovers hidden messages within each of Jesus parables and discusses each parable within its first century religious and historical context The book attempts to build bridges of understanding between Christians and Jews by exploring the notion that we share a common history

'Hell': A Hard Look at a Hard Question David J. Powys, 2007-01-01 I welcome this rigorous examination of some of the many questions which are raised by the doctrine of hell At a time when it is rare to hear even heaven spoken about in our churches it is encouraging that this sober theme is once more in our sights It was plainly often on the lips of Jesus Nigel M de S Cameron Trinity International University Dr Powys has pursued a rigorous examination of the Scriptures He rivets our attention on what the New Testament actually says about the fate of the unrighteous This is a seminal work David Claydon Federal Secretary CMS Australia The author writing from a position of biblical conservatism has presented a powerful convincing and scholarly case for the view that the unrighteous will forfeit resurrection life in the Kingdom of God It is in my judgment the most thorough treatment of the issue in recent years John W Pryor Macquarie University This book is an impressive thorough discussion of a thorny question Dr Powys is at home in many branches of biblical studies He examines the biblical evidence carefully and sets his case out lucidly and with real insight showing convincingly how ill founded are many ancient and many recent views on the fate of the unrighteous His own solution of a set of complex exegetical and theological issues is judicious and clearly the end result of careful thought from the Foreword by Graham Stanton University of Cambridge David Powys has made a significant contribution to an increasingly important debate His book's real strength lies in its very careful study of New Testament teaching in the light of a comprehensive analysis of the Old Testament and Jewish literature This literature is rightly seen not merely as background but as the key to a right understanding of the New Testament teaching I wish that such a clear discussion had been available when I first began engaging with these questions Stephen Travis St John's College Nottingham David Powys was educated at The University of Melbourne He gained degrees in arts and social work studied theology at Ridley College and was ordained in 1981 Dr Powys has ministered in four Melbourne parishes He is an Examining Chaplain to the Archbishop of Melbourne and

a member of Archbishop in Council and National Synod He was awarded the Doctor of Theology by the Australian College of Theology in 1994 for his The Hermeneutics of Hell The present volume is a slightly abbreviated version of that dissertation

Searching For God And Finding Allah Gene Netto, 2019-11-19 What does Islam say about Christianity Jesus the Trinity the Holy Bible and Almighty God What does Islam say about the Absolute Truth of Islam the Prophet Muhammad and the Holy Qur'an also spelled Koran If there is only One Almighty God then Christians and Muslims must be praying to the same God So what are the differences between the two religions and why do Muslims reject Christianity the Bible and Jesus as the Son of God but still accept Jesus as a prophet of God For non devout and ex Christians this book will explain the problems with Christianity from an Islamic perspective It will also explain that the Prophet Muhammad was sent to replace Jesus as the next person in a succession of prophets that started with the Prophet Adam and finished with the Prophet Muhammad For Muslims who grew up without a strong religious education this book will explain that all religions are not the same that Christianity is no longer valid or accepted by God and that we should use the logical brains that God gave us to understand Islam In this book you will discover that Islam is simply the continuation of Judaism and Christianity that Islam is the One True Religion of Almighty God and always has been since the time of Adam and Eve and that the Prophet Muhammad is the next messenger and also the Final Messenger from God that Jesus promised to his followers Gene Netto Investigating Christian Privilege and Religious Oppression in the United States , 2019-02-11 Today the United States stands as the most religiously diverse country in the world This diversity poses great challenges as well as opportunities Christian denominations and their cultural manifestations however often function to marginalize exclude and deny members and institutions of other religions and non believers the privileges and access that accompany a Christian affiliation Christianity is the privileged religious perspective in the United States since Christian groups people and organizations often have the power to define normalcy Christian privilege comprises a large array of benefits that are often invisible unearned and unacknowledged by Christians At times overt while at other times more subtle as Christian religious practice and beliefs have entered the public square the clearly religious meanings symbolism positionality and antecedents of these practices and beliefs betray claims to mere secularism The effect of the so called secularization of Christian religious practices and beliefs not only fortifies but strengthens Christian privilege by perpetuating Christian influence in such a way as to avoid detection as religion or circumvent violating the constitutional requirements for the separation of religion and government Christian dominance therefore is maintained often by its relative invisibility With this invisibility privilege is neither analyzed nor scrutinized neither interrogated nor confronted Investigating Christian Privilege and Religious Oppression in the United States addresses Christian privilege as well as religious oppression since the two are in symbiotic relationship oppression toward non Christians gives rise to Christian privilege in the United States and Christian privilege maintains oppression toward non Christian individuals and faith communities This anthology also provides historical and contemporary cases

exposing Christian privilege and religious oppression on the societal institutional and personal interpersonal levels A number of chapters include sections suggesting change strategies and in particular ways to achieve the national goal of religious pluralism in the United States

Religion Malory Nye,2003 Is religion the same as culture How does it fit with life in the modern world Do you have to believe to be part of one From televangelism in the American South to the wearing of hijab in Britain and Egypt from the rise of paganism to the aftermath of September 11th this accessible guide looks at the ways in which religion interacts with the everyday world in which we live A comprehensive introduction to the world of religion it includes religion and culture how power operates in religion gender issues the role of belief rituals and religious texts religion in the contemporary world Religion The Basics offers an invaluable and up to date overview for anyone wanting to find out more about this fascinating subject

Faith, Hope and Clarity: A look at Biblical and Situation Ethics Gordon Kainer,2012-03-24 Truthfulness Morality Ethics Christians face fundamental questions regarding deep issues and everyday problems Are there situations in life where obedience to God's law is not the most practical solution Is lying always wrong Situation ethics attempts to answer questions like these by affirming that doing the loving thing is a higher priority than obedience to God's law The author endeavors to show how disregard for divine law though seemingly attractive reasonable and practical is untenable The book reveals how a situationalist follows a misguided ego rather than an objective standard Whether we manipulate others to suit our own purposes lie to avoid embarrassment or commit a minor indiscretion it's just a quick fix something that only lasts for a season Discover how the eye of faith adheres to God's directives unblinded by sin's attractive glow it contemplates a lifetime it considers eternity

Searching the Soul of the College and University in America Stephen J. Nelson,2023-10-30 This is a story of religious and democratic covenants and controversies in the foundations of the American nation and in the soul of its colleges and universities Its powers are religion and politics in America the creeds and convictions constituting the beliefs

and theologies of citizens and religious people Critically overlapping and entangled democratic beliefs and convictions distinctly define the American body politic and are in the foundation of the nation and its colleges and universities In that story an unmistakable feature and idea is that the religion of the Republic in America is intertwined with and parallel to a symbiotic religion of the academy in its colleges and universities The nation and its colleges share the same space history and religious and democratic heralds and heroes Democratic and political theories and philosophies and competing and cooperating religious faiths and impulses have been reflected both the Republic and in battles waged about the essential nature of the American nation and its colleges and universities These traits constitute how America its public and its citizens in and outside the gates of the academy have wrestled with the aspirations and ideals that define civic duty the commons and the common good
