[In Search of Mary](#) Sally Cunneen,2010-12-15 Mary relic of the religious past or beacon of the future Mary is more alive today than she was in the early Christian church surfacing in art and worship in almost every culture on earth Her appeal bridges the gap between the devotional and the secular the uneducated and the sophisticated But who is Mary and what exactly does she symbolize How did a humble Jewish girl become the most honored woman in human history Why is there so little about Mary in the Bible and so much about her in the art and history of Christianity East and West And why in an age dominated by

science and technology does devotion to Mary persist In Search of Mary is Sally Cunneen s provocative response to these questions As Cunneen eloquently points out in order to see Mary whole it is important to look at all the different visions and versions of her revisiting history through the eyes of a present day searcher Including the latest findings by historians anthropologists and psychologists as well as art historians and religious scholars In Search of Mary reveals what we know about the life of Mary follows the history and development of her image over the last two thousand years and explores the different ways that Mary has transformed the lives of people today As we struggle for greater unity in a divided world In Search of Mary shows us a woman who can touch all people regardless of their backgrounds She is a profound reminder of the presence of the holy in ordinary life *Bipolar, Abba (Father) and My Inner Child* Magdalen Preast,2015-08-14 In October of 2001 after taking an anti depressant I flipped into a manic episode I was hospitalized and diagnosed with bi polar disorder 1 with psychotic features Many years went by and I had taken pretty much all of the medications that were prescribed for my mental illness I knew that I had to be on some kind of medication but I was frustrated with all of the combinations and side effects that caused havoc in my life At times I found myself thinking about ending it all but deep in my heart I knew that was not going to be the story of my life Abba has much more in His plan for my life and you are involved in it After much searching and praying I found my sense of spiritual awareness and my gifts of writing and artwork I also found the child within me who was longing to come out and let me know that my life really mattered With her I was taken to unforeseen places and mysterious happenings began to unfold So come with me for a little while and experience what happens to the mind when it leaves the world behind and takes you soaring into another time On the front cover is my own artistic interpretation of bi polar disorder Magdalen Preast A portion of the proceeds will go to N A M I National Alliance for Mental Illness in Boise Idaho for the surrounding areas **Survival** United States.
