Douglas Gifford, Sarah Dunnigan, Alan MacGillivray, Beth Dickson, 2002 This substantial new volume is a stimulating yet in
depth introduction to Scottish literature in English and Scots From medieval to modern the entire range of literature is
introduced examined and explored Aimed primarily at those with an interest in Scottish literature this guide also responds to
the need for students and teachers to have detailed discussions of individual authors and texts The volume looks at Scottish
literature in six period sections Early Scottish Literature Eighteenth Century The Age of Scott Victorian and Edwardian The
Twentieth Century Scottish Literary Renaissance and Scottish Literature since 1945 Each section begins with an overview of
the period followed by several chapters examining exemplary authors and texts Each section finishes with an extensive
discussion including suggestions as to how to further explore the rich and often neglected hinterlands of Scottish writing
Extensive reading lists identify primary texts of the period as well as details of a wide range of additional authors Opening up
neglected areas of study as well as responding to the burgeoning interest in novelists modern poets and dramatists this book
serves as an invaluable guide to Scottish Literature *Who's Who in Contemporary Women's Writing* Jane Eldridge
Miller, 2019-07-23 Unique in its breadth of coverage Who's Who in Contemporary Women's Writing is a comprehensive
authoritative and enjoyable guide to women's fiction prose poetry and drama from around the world in the second half of the
twentieth century Over the course of 1000 entries by over 150 international contributors a picture emerges of the incredible
range of women's writing in our time from Toni Morrison to Fleur Adcock all are here This book includes the established and
well loved but also opens up new worlds of modern literature which may be unfamiliar but are never less than fascinating

Bella Caledonia Kirsten Stirling, 2008 *Bella Caledonia* Woman Nation Text looks at the widespread tradition of using a
female figure to represent the nation focusing on twentieth century Scottish literature The woman as nation figure emerged
in Scotland in the twentieth century but as a literary figure rather than an institutional icon like Britannia or France's
Marianne Scottish writers make use of familiar aspects of the trope such as the protective mother nation and the woman as
fertile land which are obviously problematic from a feminist perspective But darker implications buried in the long history of
the figure rise to the surface in Scotland such as woman nation as victim and woman nation as deformed or monstrous As a
result of Scotland's unusual status as a nation within the larger entity of Great Britain the literary figures under
consideration here are never simply incarnations of a confident and complete nation nurturing her warrior sons Rather they
reflect a more modern anxiety about the concept of the nation and embody a troubled and divided national identity Kirsten

Stirling traces the development of the twentieth century Scotland as woman figure through readings of poetry and fiction by male and female writers including Hugh MacDiarmid Naomi Mitchison Neil Gunn Lewis Grassie Gibbon Willa Muir Alasdair Gray A L Kennedy Ellen Galford and Janice Galloway **The Literary Review** ,1994 Contemporary Scottish Women Writers Aileen Christianson, Alison Lumsden, 2000 These essays fill a gap in critical response to contemporary Scottish women writers **Ethically Speaking** James McGonigal, Kirsten Stirling, 2006 As politics and cultures interact within an increasingly diverse Scotland and differences in values become more evident across generations the need for clear understanding and cooperation within and between communities becomes a pressing issue This relates both to local and larger concerns language violence morality gender and sexuality education ethnicity truth and lies The chapters gathered here focus on significant Scottish writers of the late twentieth and early twenty first centuries Edwin Morgan A L Kennedy Liz Lochhead John Burnside Jackie Kay Robin Jenkins Muriel Spark William McIlvanney Ali Smith James Kelman and others and the communities described are certainly Scottish but the issues raised are universal Questions are asked about the relationship of the individual to others and therefore on a larger scale about the means through which any community is both constructed and sustained linguistically spiritually ethically If their multiple voices evoke a zigzag of contradictions it is at any rate a creative zigzag which discovers or uncovers many contradictory aspects of life in modern Scotland that should particularly be brought to light in a re emergent nation Ethically speaking Scottish writers point out the need to attend to many different narratives and retellings in order that Scots might live more honestly and clear sightedly with themselves and with the wider world **Encyclopedia of British Writers, 1800 to the Present** George Stade, Karen Karbiener, 2010-05-12 Contains alphabetically arranged entries that provide biographical and critical information on major and lesser known nineteenth and twentieth century British writers and includes articles on key schools of literature and genres *The Wiley Blackwell Companion to Contemporary British and Irish Literature* Richard Bradford, Madelena Gonzalez, Stephen Butler, James Ward, Kevin De Ornellas, 2020-09-03 THE WILEY BLACKWELL COMPANION TO CONTEMPORARY BRITISH AND IRISH LITERATURE An insightful guide to the exploration of modern British and Irish literature The Wiley Blackwell Companion to Contemporary British and Irish Literature is a must have guide for anyone hoping to navigate the world of new British and Irish writing Including modern authors and poets from the 1960s through to the 21st century the Companion provides a thorough overview of contemporary poetry fiction and drama by some of the most prominent and noteworthy writers Seventy three comprehensive chapters focus on individual authors as well as such topics as Englishness and identity contemporary Science Fiction Black writing in Britain crime fiction and the influence of globalization on British and Irish Literature Written in four parts The Wiley Blackwell Companion to Contemporary British and Irish Literature includes comprehensive examinations of individual authors as well as a variety of themes that have come to define the contemporary period ethnicity gender nationality and more A thorough guide to the main figures and concepts
