George C Scott in 1964 **The Lost Cause** Sidney St. James, LINCOLN The Lost Cause Book 1 in the Lincoln Assassination Series President Abraham Lincoln once said It is better to remain silent and be thought a fool than to speak out and remove all doubt President Jefferson Davis once said I worked night and day for twelve years to prevent the war but I could not The North was mad and blind would not let us govern ourselves and so the war came More than 150 years later the assassination of Abraham Lincoln remains one of the most significant events in United States history It continues until this very day attracting the interest of scholars writers like myself and armchair historians This series is very special to my heart It begins with the inauguration of Abraham Lincoln on March 4 1861 and passes by the four war years and continues with his assassination by David Edgar Herold a 23 year old pharmacist who was living in Washington City Wait Did you just say who If you did then follow this book from start to finish and you will find out that not only did John Wilkes Booth die for his involvement in the assassination but so did four others Many novels define John Wilkes Booth as a lone deranged actor and a madman who struck from a twisted lust for vengeance This is not true He was neither alone nor was he mad According to the U S federal government over 250 people were taken into custody and interrogated Later books in the series will take you through the actual military trial of the other s conspirators including the first woman ever executed by the United States Government This novel will also cover that fateful night of Lincoln s assassination It will follow the 12 day chase for John Wilkes Booth and David Herold Then it will follow the burial route and final resting place for Lincoln The trial will not be covered in this novel but the day of execution of the conspirators is included along with the burial of the other assassins Then the chase and capture of Jefferson Davis is told along with his two year imprisonment by the federal government Are you aware that it wasn t until 1977 during Jimmy Carter s term in office that Davis was posthumously forgiven for his role in the civil war and made a U S Citizen The novel includes the inauguration the assassination the funeral capture of John Wilkes Booth the execution the arrest and imprisonment of Jefferson Davis and later his funeral held in Metairie Louisiana Below are a few words his wife said while traveling down Poydras in downtown New Orleans The funeral procession was over three miles long as mourners paid their respect to the South s President Jefferson Davis Dear I was thinking out loud how sad a day this has been The United States War Department did not recognize your father The United States flag did not fly at half mast It flew at half mast throughout the south Varina began to cry again She raised her handkerchief up to blot the tears running down her cheek He is the only former Secretary of War not given the respect and honor due him by the United States Government She sighed clasping her slender hands together in her lap and stared at them lost with her emotions Mother don t fret about it Father s funeral service was I am sure attended by far more people than those who attended Abraham Lincoln s The South loves him We love the South **Lincoln Assassination Series Box Set** Sidney St. James, 2020 The Lincoln Assassination Series Books 1 5 Written as Creative Historical Nonfiction BOX SET President Abraham Lincoln said It is better to remain silent and be thought a fool than to speak out and remove all doubt President Jefferson Davis said I worked night

and day for twelve years to prevent the War but I could not The North was mad and blind would not let us govern ourselves and so the War came BOOK 1 THE LOST CAUSE The Lincoln Assassination The assassination of Abraham Lincoln on April 14 1865 and his death at 7 22 am on April 15 is covered in this first novel His funeral train back home is narrated along with the ending punishment phase of the conspirators Much of the life of Jefferson Davis is brought to life including how the United States didn't fly a flag at half mast honoring him He was the only former Secretary of War not given this respect in the history of the United States BOOK 2 PURSUIT AND CAPTURE OF JOHN WILKES BOOTH General Robert E Lee said There's a terrible war coming These young men who have never seen War can't wait for it to happen But I tell you I wish that I owned every slave in the South for I would free them all to avoid this War This novel will follow John Wilkes Booth and the federal forces extensive manhunt to capture him Still there are questions In the memoirs of one of the soldiers who captured the assassin said the man they killed had a red mustache Booth's of course was black BOOK 3 LEWIS THORNTON POWELL The Conspiracy to Kill Abraham Lincoln Winston Churchill once said History is written by the victors From all indication enough preliminary witnesses placed Lewis Thornton Powell in the same room with Secretary of State Seward William E Doster took over representation for the defense of Powell Doster was a graduate of Yale and Harvard and the former provost marshal for the District of Columbia BOOK 4 KNIGHTS OF THE GOLDEN CIRCLE A Most Secretive Organization This book is more of a reference manual for writing the other four novels in the series You can't understand the Lincoln Assassination without an understanding of the Knights of the Golden Circle the most powerful and secret society in all America at the time of the Civil War The organization grew out of Southern Rights Clubs in the South who were mostly interested in opening up more territory to slavery The actual words written in this reference novel were written by a member of the Order who never revealed his name BOOK 5 MARY ELIZABETH SURRETT First Woman Executed by the Federal Government The entire court case for Mary Elizabeth Surratt is depicted in this novel the fifth novel in the Lincoln Assassination Series The reader can follow the trial and determine for themselves from the evidence and the testimony of the witnesses if she should be found guilty or innocent A military tribunal rather than a civilian court was chosen as the prosecutorial venue Why President Andrew Johnson did not declare an end to the War Between the States until August 1866 Was Mary Elizabeth Surratt in the wrong place at the wrong time Was the United States Government out for revenge out for blood President Andrew Johnson said Mary Elizabeth Surratt kept the nest that hatched the egg This quote suggests that Johnson was bolstering his belief that she was guilty and deserved the harshest sentence allowed An exciting conclusion in this five novel series on the Lincoln Assassination
