adult in the confines of normal society Left with only a foggy recollection of her childhood she s consumed with being a dutiful wife to her husband Ryan and mother to their two children But an unexpected twist of events returns her to that long forgotten house in the woods Soon Mari is greeted with reminders of a past life the clarified memories only inviting a new level of strangeness into her fragile world To protect her family she must find the beautiful powerful strength hidden in her inner chaos Because someone is bent on exploiting Mari s trauma and as normal and wild begin to blend a string of devastating truths force Mari to question all she thought she knew Haunting devastating heart wrenching RT Book Reviews on *Precious and Fragile Things*      Life's Lessons from MOM Patrick Flaherty,2005-05 Author Patrick Flaherty and his brothers honor their mother by sharing stories and life s lessons learned from her during their childhood Doris Flaherty was typical of the millions of moms raising families in the 1950 s 60 s and 70 s Much of what these moms did on a daily basis for teaching and disciplining their children can easily be used by today s mothers Many stories are humorous anecdotes of how common situations were handled through the wisdom of motherhood      The Mommy Myth Susan Douglas,Meredith Michaels,2004-03-26 Susan Douglas first took on the media s misrepresentation of women in her funny scathing social commentary *Where the Girls Are Now* she and Meredith Michaels have turned a sardonic but never jaundiced eye toward the cult of the new momism a trend in American culture that is causing women to feel that only through the perfection of motherhood can true contentment be found This vision of motherhood is highly romanticized and yet its standards for success remain forever out of reach no matter how hard women may try to have it all *The Mommy Myth* takes a provocative tour through the past thirty years of media images about mothers the superficial achievements of the celebrity mom the news media s sensational coverage of dangerous day care the staging of the mommy wars between working mothers and stay at home moms and the onslaught of values based marketing that raises mothering standards to impossible levels just to name a few In concert with this messaging the authors contend is a conservative backwater of talking heads propagating the myth of the modern mom This nimble assessment of how motherhood has been shaped by out of date mores is not about whether women should have children or not or about whether once they have kids mothers should work or stay at home It is about how no matter what they do or how hard they try women will never achieve the promised nirvana of idealized mothering Douglas and Michaels skillfully map the distance traveled from the days when *The Feminine Mystique* demanded more for women than the unpaid labor of keeping house and raising children to today s not so subtle pressure to reverse this thirty year trend A must read for every woman      Becoming a Calm Mom Deborah Roth Ledley,2008-10-15 *Becoming a Calm Mom* balances scientifically sound techniques from an experienced cognitive behavioral therapist with friendly advice from fellow new moms to help moms successfully overcome the self doubt that so often arrives along with their first bundle of joy      *Car Line Mom Devotional* Caris Snider,2023-08-29 Do you feel like your life these days is basically just carting your people everywhere Are your mornings filled with horns blaring cars speeding and pressure mounting to get out of the house and to

the front of the car line on time Does your blood pressure rise as you fear the inevitable explosion from one of your kids over the wrong breakfast food or forgotten homework assignment And on the other end of your day do you find that the afternoon is filled with waiting at a snail s pace for the day to conclude Caris Snider gets it Whether it s waiting in the car line or waiting for the afternoon to finally end she knows that those moments of pausing are sacred for a busy mama like you In those precious moments Caris has learned that she has a choice to move toward things that induce anxiety for the rest of her day or instead move toward God s Word which floods her with encouragement In Car Line Mom devotional she offers you that very same encouragement with 100 fun warm and on the go devotions that remind you of God s love energizing you for the many stops ahead in your journey for the day As you take in each day s devotion and enjoy relatable stories life giving passages of Scripture and daily action steps too You have to get your people everywhere that s not changing any time soon But in the waiting moments discover the joy available to you if you take back your time and soak in God s favor and grace day by day stop by stop
