Cooper,1983-06-30 Celebrated for almost 150 years as the prototype of the American adventure story The Last of the
Mohicans remains a perennial favorite an astonishingly complex work to be read on many levels Irradiated by an elusive
irony that gives epic scope to the American colonial experience it projects on a broad canvas the futile efforts of European
armies to wrest a glorious wilderness from the Indians and each other It speaks with compassion of racial injustice and
prejudice especially of the dispossession of the Indian In tribute to his friend Cooper shortly before the novelist s death
George Copway the Chippewa chief Kah Ge Ga Gah Bowh wrote No living writer nor historian has done so much justice to
the noble traits of our people The whole American feeling takes pride in such a man as the author of The Last of the
Mohicans Suggested by Cooper s visit to Glens Falls and Lake George with four British travellers in 1824 this book is the
second of the Leatherstocking Tales in point of composition and also in the chronology of the hero s life In it Hawk eye
appears as a reincarnation of the Leather stocking of The Pioneers now a younger hard bitten Indian scout George Sand one
of Cooper s many European admirers remarked of the romance While Sir Walter Scott mourns for a nation a power above all
an aristocratic way of life w hat Cooper sighs for and laments is a noble people exterminated a serene natural world laid
waste he mourns all nature and all mankind *American Book Publishing Record Cumulative, 1950-1977* R.R. Bowker
