Monday Night:

A March to Madness John Feinstein, 2014-05-27 It's the book in which America's favorite sportswriter returns to the arena of his most successful bestseller *A Season on the Brink*. It's the book that takes us inside the intensely competitive Atlantic Coast Conference, paints a portrait of how college basketball is coached, played at the highest level. It's the book that takes us onto the courts, into the locker rooms, inside the high-pressure world of the talented coaches who have helped make the ACC's nine colleges—Duke, North Carolina, North Carolina State, Clemson, Georgia Tech, Virginia, Maryland, Wake Forest, Florida State—world renowned for their championship basketball teams. The author's afterword to this edition will recap the ACC's current season, preview the 1998-99 rivalries. *Keepers of the Flame* Travis Vogan, 2014-03-15 NFL Films changed the way Americans view football. *Keepers of the Flame*, NFL Films and the Rise of Sports Media traces the subsidiary's development from a small independent film production company to the marketing machine that Sports Illustrated named perhaps the most effective propaganda organ in the history of corporate America. Drawing on research at the NFL Films Archive and the Pro Football Hall of Fame and interviews with media pioneer Steve Sabol and others, Travis Vogan shows how NFL Films has constructed a consistent, romanticized and remarkably visible mythology for the National Football League. The company packages football as a visceral and dramatic sequence of violent, beautiful, graceful and heroic gridiron battles. Historically proven formulas for presentation, such as the dramatic voiceovers once provided by John Facenda's baritone, the soaring scores of Sam Spence's rousing background music and the epic poetry found in Steve Sabol's scripts, are still used today. From the Vincent Price narrated *Strange but True Football Stories* to the currently running series *Hard Knocks*, NFL Films distinguishes the NFL from other sports organizations and from other media and entertainment. Vogan tells the larger story of the company's relationship with and vast influence on our culture's representations of sport, the expansion of sports television beyond live game broadcasts and the emergence of cable television and Internet sports media. *Keepers of the Flame*, NFL Films and the Rise of Sports Media presents sports media as an integral facet of American popular culture and NFL Films as key to the transformation of professional football into the national obsession commonly known as America's Game. **TV Guide** Stephen F. Hofer, 2006 This book looks at the origins and growth of television through the pages of *TV Guide* and covers the complete run of this American icon from the first guides in 1953 to the last issue in guide format on October 9, 2005. It includes full-color reproductions of every cover ever printed and is both a collector's guide with pricing included and a retrospective view of the medium. *501* Robert Field, 2018-01-22 Every Monday the six players for the George Inn ladies' dart team meet for their league match, but behind the camaraderie of the occasion, each has their own story to tell. **Testimony Taken by the Joint Select Committee to Inquire Into the Condition of Affairs in the Late Insurrectionary States** United States. 1999 Ross Benes, 2025-04-22 The year 1999 was a high water mark for popular culture According to one measure it was the best movie year ever But as journalist Ross Benes shows the end of the 90s was also a banner year for low culture This was the heyday of Jerry Springer Jenna Jameson and Vince McMahon among many others Low culture had come into its own and was poised for world domination The reverberations of this takeover continue to shape American society During its New Year's Eve countdown MTV entered 1999 with Limp Bizkit covering Prince's famous anthem to the new year The highlights of the lowlights continued when WCW and WWE drew 35 million American viewers each week with sex appeal and stories about insurrections Insane Clown Posse emerged from the underground with a Woodstock set and platinum records about magic and murder Later that year Dance Dance Revolution debuted in North America and Grand Theft Auto emerged as a major video game franchise Beanie Babies and Pokémon so thoroughly seized the wallets and imagination of collectors that they created speculative investment bubbles that anticipated the faddish obsession over nonfungible tokens NFTs The trashy talk show Jerry Springer became daytime TV's most watched program and grew so mainstream that Austin Powers Sabrina the Teenage Witch The Wayans Bros The Simpsons and The X-Files incorporated Springer into their own plots during the late 90s Donald Trump even explored a potential presidential nomination with the Reform Party in 1999 and wanted his running mate to be Oprah Winfrey whose own talk show would make Dr Oz a household name Among Springer's many guests were porn stars who at the end of the millennium were pursuing sex records in a bid for stardom as the pornography industry
