

The background of the slide is a reproduction of a painting by J.M.W. Turner titled "Rain, Steam, and Great Bridge". The painting depicts a steam locomotive crossing the Maidenhead Railway Bridge over the River Thames. The scene is characterized by soft, atmospheric conditions of rain and steam, with a palette dominated by muted greens, blues, and greys. In the foreground, several lily pads float on the water, with white and yellow flowers in bloom. The overall style is Impressionist, emphasizing light and color over fine detail.
