**The Money Mentor** Tad Crawford, 2001-04-01 You don't have to be a twenty three year old dancer with no savings to end up with the excruciating debts young Iris is confronted with in this latest work by financial and legal advisor Tad Crawford Every year thousands of Americans of all ages and backgrounds overtax their bank accounts and credit cards and are left with the tricky task of pulling themselves out of their financial chaos Rarely can they receive such high quality financial and moral support as the *The Money Mentor* provides and certainly not in the guise of an entertaining up beat novel As the author tells the story of the recovering debtor Iris he walks his readers through all the stages of money management from the painful assessment of assets and debts to increasing one's income and starting to save Choosing a sympathetic girl from next door as protagonist *The Money Mentor* offers people in financial trouble what they lack most of all the ability to look at themselves from a healthy distance and realize that there is a way out of their trouble **The Money Mirror**

Annette Lieberman, Vicki Lindner, 1996 Today millions of women are finding themselves heads of households and sole financial decision makers Although they are earning more than their mothers would have dreamed possible women still struggle with the same questions about money that the authors had identified when this book was first published as *Unbalanced Accounts* nearly ten years ago *The Money Mirror* completely updated to reflect today's economic concerns and realities delves into the reasons that many otherwise successful and self-reliant women both desire and fear money It offers women the tools they need to understand and change the ways in which they think about themselves and their money the first step toward developing healthier happier financial lives **The Voices of Heaven** Maija Rhee Devine, 2013-05-15 The latest from Korean American author Maija Rhee Devine *THE VOICES OF HEAVEN* is a rare gem in English language literature about Korea a story that takes us deep into the devotion and secrets of a family living in Seoul at the cusp of the Korean War A tale that spans decades *THE VOICES OF HEAVEN* has been expertly woven together to reveal not only the injustices of unmitigated life circumstances but also the restorative power of truth and love Maija Rhee Devine presents a stellar cast of empathetic characters to spin a tale that draws readers into the shadows of Korea's Confucian web that at once constrains and defines the powerful will of its people **How to Survive and Prosper as an Artist** Caroll
