## **Monochrome Home Harmony Balance And The Elements Of Modern Style:**

**Monochrome Home** Kelly Hoppen, 2001 Minimalist style interiors are now a familiar and recognizable part of today's visual culture. Top shelter magazines from *Wallpaper* and *House and Garden* to *Elle Decor* devote monthly features to the latest variation on white or beige while fashion designers like Calvin Klein and Donna Karan design neutral housewares to match minimalist decor. Cheaper but no less stylish Crate and Barrel and Pottery Barn sell their own versions of minimalism and countless upmarket European designer kitchen and furniture companies entice fashion-conscious consumers with advertisements in leading shelter magazines. Building on this trend *Monochrome Home* presents designer Kelly Hoppen's innovative and breakthrough new approach to the next step beyond minimalist style interiors by using dabs of color, texture and dimension to establish a refined yet warm environment. A winner of Britain's Oscars of interior design, the prestigious Andrew Martin Award, she is considered internationally a leading interior designer. The hallmark of the Hoppen style: bold, simple pieces of modern furniture mixed with an emphasis on texture and comfort and counterpointing subtle neutral shades mixed with brighter dots of color to add a luxurious sensual element to modern minimalist interiors. *Monochrome Home* is a wonderful visual resource full of exquisite and original close-up photographs that detail Hoppen's brilliant editorial eye combined with her talent for juxtaposing various elements to create dramatic, stunning effects. *Monochrome Home* is a flexible and inspiring resource suitable for small studios or larger spaces. It is equally useful for those with small budgets or unlimited funds. For fans of minimalism who want more than anonymous white spaces, *Monochrome Home* describes in visual detail how to achieve a more personalized and inspired brand of minimalism full of simplicity, elegance, comfort and style.
