Keep Watching the Skies! Bill Warren, 2017-01-12 Bill Warren's *Keep Watching the Skies* was originally published in two volumes in 1982 and 1986. It was then greatly expanded in what we called the 21st Century Edition with new entries on several films and revisions and expansions of the commentary on every film. In addition to a detailed plot synopsis, full cast and credit listings, and an overview of the critical reception of each film, Warren delivers richly informative assessments of the films and a wealth of insights and anecdotes about their making. The book contains 273 photographs, many rare, 35 in color, has seven useful appendices, and concludes with an enormous index. This book is also available in hardcover format. ISBN 978 0 7864 4230 0

Vera Miles Christopher McKittrick, 2025-03-25 Captivating, talented, and beautiful Vera Miles was destined for fame. Within a few years of making her way to Hollywood in 1949, she starred in such films as *The Rose Bowl Story* (1952), *Tarzan's Hidden Jungle* (1955), and *Wichita* (1955). Her frequent television performances so enthralled Alfred Hitchcock that he chose her to be Grace Kelly's successor for roles in *The Wrong Man* (1956) and the iconic film *Psycho* (1960). She also starred in John Ford's *The Searchers* (1956) and *The Man Who Shot Liberty Valance* (1962). Miles's illustrious film and television career spanned nearly fifty years in Hollywood, and yet she is still considered one of the most unsung film actresses of her era. *Vera Miles: The Hitchcock Blonde Who Got Away* is the first full-length biography of the talented performer's life and extensive body of work. Integrating historical interviews and archival materials, author Christopher McKittrick reveals the struggles Miles faced as a working mother in the 1950s and 1960s and why she was compelled to step away from the lead role in *Vertigo*, a choice that irrevocably sundered her relationship with Hitchcock. Yet Miles would go on to appear in nearly two hundred television shows, including *The Twilight Zone*, *The Fugitive*, *Ironside*, and *The Virginian*, as well as numerous Disney films. She would work with some of the most talented actors in Hollywood: John Wayne, Bob Hope, and James Stewart, among them, and would receive a star on the Hollywood Walk of Fame. By highlighting Miles as the lead in her own story, McKittrick amplifies the voice of this remarkable and prolific actress who was far more than just a footnote in Hitchcock's film legacy.

American International Pictures Rob Craig, 2019-02-15 *American International Pictures* was in many ways the missing link between big-budget Hollywood studios, poverty-row B movie factories, and low-rent exploitation movie distributors. AIP first targeted teen audiences with science fiction, horror, and fantasy, but soon grew to encompass many genres and demographics. At times, it was indistinguishable from many of the major studios. From *Abby Cadabby* to *Zontar*, this filmography lists more than 800 feature films, television series, and TV specials by AIP and its partners and subsidiaries. Special attention is given to *American International Television*, the TV arm of AIP, and an appendix lists the complete AITV catalog. The author also discusses films produced by founders James H. Nicholson and Samuel Z. Arkoff after they left the company.
