Monstrous Martyrdoms:

Monstrous Martyrdoms Eric Bentley, 2007-04-18 This is an adaptation of Dickens *Hard Times* for the stage **Oscar Wilde** John Stokes, 1996-03-14 Stokes offers studies of Wilde's place in the Romantic tradition and of his relationships with such legendary figures of the fin de siècle as Aubrey Beardsley Alfred Jarry and Arthur Symonds And always as part of the process of historical inquiry Stokes considers those who came after humanitarian disciples who kept Wilde's memory sacred performers in his plays actors who impersonated the man himself *Visions of Queer Martyrdom from John Henry Newman to Derek Jarman* Dominic Janes, 2015-04-27 Dominic Janes is at pains here to highlight the role played by Christianity in the history of homosexuality in Britain His story deals not merely with genital relations but also with identities both embraced and refused Necessarily coded expressions of desire as well as creative blurrings between religious idealism and queer gender and sexuality are integral to Janes's account A special focus for Janes is the way in which visual images and imaginary visions of suffering in ecclesiastical contexts were used to develop concepts of male same sex desire that projected the self as dutiful and penitent rather than shameful And so a model and in ways a substitute for same sex relationships was readily available in idealizations of the person and body of Christ's unmarried queer martyr Homosexual desires and identities prove to have unfolded in creative dialogue with religion during and since the 19th century Various figures enter into Janes's history from Cardinal Newman and Oscar Wilde to artists such as Simeon Solomon and Frederick Rolfe and the plot thickens with forays into Victorian monasteries that functioned as queer families with fascinating side trips into Rolfe's Christmas cards as expressions of queer aesthetic identity He brings the account full circle with a concluding chapter on the life and works of Derek Jarman Janes uses this case to show that the experience of the AIDS epidemic led to a reconnection with older modes of queer self expression specifically concerned with the endurance of suffering The religious roots of queer creativity are a vital resource for modern churches and openly gay men and women to learn from **Homintern** Gregory Woods, 2017-01-01 A landmark account of gay and lesbian creative networks and the seismic changes they brought to twentieth century culture In a hugely ambitious study which crosses continents languages and almost a century Gregory Woods identifies the ways in which homosexuality has helped shape Western culture Extending from the trials of Oscar Wilde to the gay liberation era this book examines a period in which increased visibility made acceptance of homosexuality one of the measures of modernity Woods shines a revealing light on the diverse informal networks of gay people in the arts and other creative fields Uneasily called the Homintern an echo of Lenin's Comintern by those suspicious of an international homosexual conspiracy such networks connected gay writers actors artists musicians dancers filmmakers politicians and spies While providing some defense against dominant heterosexual exclusion the grouping brought solidarity celebrated talent and in doing so invigorated the majority culture Woods introduces an enormous cast of gifted and extraordinary characters most of them operating with surprising openness but also explores such issues as artistic influence the coping

strategies of minorities the hypocrisies of conservatism and the effects of positive and negative discrimination Traveling from Harlem in the 1910s to 1920s Paris 1930s Berlin 1950s New York and beyond this sharply observed warm spirited book presents a surpassing portrait of twentieth century gay culture and the men and women who both redefined themselves and changed history

Stonewall David Carter,2010-05-19 David Carter's *Stonewall* is the basis of the PBS American Experience documentary *Stonewall Uprising* In 1969 a series of riots over police action against The Stonewall Inn a gay bar in New York City's Greenwich Village changed the longtime landscape of the homosexual in society literally overnight Since then the event itself has become the stuff of legend with relatively little hard information available on the riots themselves Now based on hundreds of interviews an exhaustive search of public and previously sealed files and over a decade of intensive research into the history and the topic *Stonewall The Riots That Sparked the Gay Revolution* brings this singular event to vivid life in this the definitive story of one of history's most singular events A Randy Shilts Publishing Triangle Award Finalist Riveting Not only the definitive examination of the riots but an absorbing history of pre Stonewall America and how the oppression and pent up rage of those years finally ignited on a hot New York night Boston Globe *The Secret Life of Oscar Wilde* Neil McKenna,2009-03-05 Oscar Wilde said of himself I put all my genius into my life I put only my talent into my work Now for the first time Neil McKenna focuses on the tormented genius of Wilde's personal life reproducing remarkable love letters and detailing Wilde's until now unknown relationships with other men McKenna has spent years researching Wilde's life drawing on extensive new material including never before published poems as well as recently discovered trial statements made by male prostitutes and blackmailers about Wilde McKenna provides explosive evidence of the political machinations behind Wilde's trials for sodomy as well as his central role in the burgeoning gay world of Victorian London Dazzlingly written and meticulously researched *The Secret Life of Oscar Wilde* fully charts Wilde's astonishing odyssey through London's sexual underworld and paints a frank and vivid psychological portrait of a troubled genius

The Air That We Breathe - Book One Simon M. Zayas,2025-03-21 Father Marcellinus warns the young monk saying The air that we breathe that is the creature that we become explaining how every influence both good and evil ultimately shape us into the person that we are Based on real events this novel unfolds in a nineteenth century abbey and is about a young man who struggles to face the truth of who he really is something that all of us must ultimately do in our own lives The reader is invited into that cloister so full of passions and conflicts Simon desires only one thing since he was a little boy and that is to serve God as a priest He dreams of wearing silken gold vestments and being enveloped in great clouds of incense offering the Sacrifice to God When he is seventeen he leaves home and becomes a monk far north in the mountains of Pennsylvania His faith is genuine and he

gives himself to his studies in order to become a Roman Catholic priest But not all is as he expected A sexual awakening he had not anticipated blossoms in him and boyhood dreams are shaken to the core as he wrestles with a side of himself he never counted on He falls in love in a monastic world filled with holy men mischievous souls colorful individuals and also great scoundrels A powerful visitor invites him to Rome something Simon never expected There is a dark price tag however something Simon is unaware of Writers, Editors and Exemplars in Medieval English Texts Sharon M. Rowley,2020-12-24 This collection of essays explores the literary legacy of medieval England by examining the writers editors and exemplars of medieval English texts In order to better understand the human agency creativity and forms of sanctity of medieval England these essays investigate both the production of medieval texts and the people whose hands and minds created altered and or published them The chapters consider the writings of major authors such as Chaucer Gower and Wyclif in relation to texts authors and ideals less well known today and in light of the translation and interpretive reproduction of the Bible in Middle English The essays make some texts available for the first time in print and examine the roles of historical scholars in the construction of medieval English literature and textual cultures By doing so this collection investigates what it means to recover study and represent some of the key medieval English texts that continue to influence us today **The World We Have Won** Jeffrey Weeks,2007-06-21 The World We Have Won is a major study of transformations in erotic and intimate life since 1945 We are living in a world of transition in the midst of a long unfinished but profound revolution that has transformed the possibilities of living out our sexual diversities This book provides a balance sheet of the changes that have transformed our ways of being from welfarism to the pill women s and gay liberation from globalization consumerism and individualization to new forms of intimacy from friends as family to same sex marriage Some respond to these challenges with a deep cultural pessimism or moral conservatism It rejects such views and argues that this is a world we are increasingly making for ourselves part of the long process of democratization of everyday life Unless we grasp this we cannot understand not only the problems and anxieties but the opportunities and hopes in this world we have won Queer London Matt Houlbrook,2006-10-15 Queer London explores the underground gay culture of London during four decades when homosexual acts between consenting adults remained illegal The author discovers how queer men made sense of their sexuality and how their lifestyles were affected by and in turn influenced the life of the metropolis **Woyzeck** Georg Büchner,Eric Bentley,1991 Eric Bentley s adaptation of the classic drama Sacrificed to powers larger than himself Woyzeck suffers at the hands of a corrupt system and ultimately ends in tragedy *The Gay & Lesbian Theatrical Legacy* Billy J. Harbin,Kim Marra,Robert A. Schanke,2005 Recovers the hidden history of theater professionals who transgressed the gendered expectations of their time *The Ancient Lowly Cyrenus* Osborne Ward,1900 The Playwright as a Thinker Eric Bentley,1957 *Martyrdom* Jolyon Mitchell,2012-11-29 Martyrdom is not only a sharply contested term and act but it has a long history of provoking controversy One person s martyr is another s terrorist and one person s martyrdom operation is

another's suicide bombing Suicide attacks have made recurring questions about martyrdom more pertinent to current discussions What is martyrdom Why are some people drawn towards giving up their lives as martyrs What place does religion play in inciting and creating martyrs How are martyrs made Why are some martyrs and martyrdoms remembered more than others How helpful is the distinction between active and passive martyrdoms In order both to answer such questions and to understand the contemporary debates about martyrdom it is helpful to consider its diverse roots In this Very Short Introduction Jolyon Mitchell provides a historical analysis to shed light on how the concept and practice of martyrdom has evolved as well as the different ways in which it is used today ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Oscar Wilde and Modern Culture Joseph Bristow, 2009-01-12

Oscar Wilde and Modern Culture The Making of a Legend explores the meteoric rise sudden fall and legendary resurgence of an immensely influential writer's reputation from his hectic 1881 American lecture tour to recent Hollywood adaptations of his dramas Always renowned if not notorious for his fashionable persona Wilde courted celebrity at an early age Later he came to prominence as one of the most talented essayists and fiction writers of his time In the years leading up to his two year imprisonment Wilde stood among the foremost dramatists in London But after he was sent down for committing acts of gross indecency it seemed likely that social embarrassment would inflict irreparable damage to his legacy As this volume shows Wilde died in comparative obscurity Little could he have realized that in five years his name would come back into popular circulation thanks to the success of Richard Strauss's opera *Salome* and Robert Ross's edition of *De Profundi* With each succeeding decade the twentieth century continued to honor Wilde's name by keeping his plays in repertory producing dramas about his life adapting his works for film and devising countless biographical and critical studies of his writings This volume reveals why more than a hundred years after his demise Wilde's value in the academic world the auction house and the entertainment industry stands higher than that of any modern writer

The Kleist Variations Eric Bentley, 1990 See Bentley's discussion of his brief infatuation with Fred at Yale p 66-69

Sex and Sexuality in Victorian Britain Violet Fenn, 2020-05-30 Dull this book is not and it gives an insight into the many scandals not spoken about in polite Victorian drawing rooms Glasgow West of Scotland Family History Society Peek beneath the bedsheets of nineteenth century Britain in this affectionate informative and fascinating look at sex and sexuality during the reign of Queen Victoria It examines the prevailing attitudes towards male and female sexual behavior and the ways in which these attitudes were often determined by those in positions of power and authority It also explores our ancestors ingenious surprising bizarre and often entertaining solutions to the challenges associated with maintaining a healthy sex life Did the people in Victorian times live up to their stereotypes when it came to sexual behavior This book will answer this question as well as looking at fashion food science art

medicine magic literature love politics faith and superstition through a new lens leaving the reader uplifted and with a new regard for the ingenuity and character of our great great grandparents I would say this book gives you the information on relationships genders and very much behavior that doesn't usually come across in history books Therefore this is an excellent book indeed certainly one that more people should be aware of and learn from UK Historian The writing is joyous and it is clear the author enjoys her subject and is fairly knowledgeable on things Victorian Rosie Writes Fenn's writing is so readable and it's clear this is a book written by a historian who loves her subject and is very knowledgeable about the research being carried out by other historians Jessticulates

Monstrous Martyrdoms Introduction

In the digital age, access to information has become easier than ever before. The ability to download Monstrous Martyrdoms has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Monstrous Martyrdoms has opened up a world of possibilities. Downloading Monstrous Martyrdoms provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Monstrous Martyrdoms has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Monstrous Martyrdoms. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Monstrous Martyrdoms. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Monstrous

Martyrdoms, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Monstrous Martyrdoms has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
