Best Ghost Stories of M. R. James Montague Rhodes James, 1944 *Casting the Runes* Jane Mainley-Piddock, 2023-02-16 The much loved author Montague Rhodes James is best known today for his ghost stories Their popularity has kept them in print since the first collection was issued in 1931 and they've earned a cult following But for all this literary success his lifetime's correspondence has remained inaccessible in a Cambridge University archive until now This first ever collection of his personal letters has been meticulously curated transcribed and annotated by Jamesian scholar Jane Mainley Piddock to offer an unprecedented and overdue insight into a great and singular mind Through notoriously illegible handwriting we learn of James's fear of spiders and his love of cats his musings on the work of other contemporary authors and a whole life's thoughts on a host of subjects which shed light on the man himself his family his work his relationships and preoccupations Essential reading for any fan *Casting the Runes* brings at last to the fore a writer adored for his fiction who himself has long remained in the shadows *Ghost Stories of an Antiquary Illustrated* Montague Rhodes James, 2021-03-10 Ghost Stories of an Antiquary is a horror short story collection by British writer M R James published in 1904 some had previously appeared in magazines Some later editions under this title contain both the original collection and its successor More Ghost Stories 1911 combined in one volume *A Thin Ghost and Others* Montague Rhodes James M. R. James, 2017-04-10 Two of these stories the third and fourth have appeared in print in the Cambridge Review and I wish to thank the proprietor for permitting me to republish them here I have had my doubts about the wisdom of publishing a third set of tales sequels are not only proverbially but actually very hazardous things However the tales make no pretence but to amuse and my friends have not seldom asked for the publication So not a great deal is risked perhaps and perhaps also some one's Christmas may be the cheerfuller for a storybook which I think only once mentions the war **Ghost Stories of an Antiquary by Montague Rhodes James** M. R. James, 2017-10-16 Ghost Stories of an Antiquary by Montague Rhodes James

Ghost Stories of an Antiquary Montague Rhodes Montague Rhodes James, 2017-04-23 How is this book unique Font adjustments Provost of King's College Cambridge He wrote many of his ghost stories to be read aloud in the long tradition of spooky Christmas Eve tales By contrast to the gothic tales of predecessors James's stories often use rural settings with a quiet scholarly protagonist getting caught up in the activities of supernatural forces The details of horror are almost never explicit the stories relying on a gentle bucolic background to emphasise the awfulness of the otherworldly intrusions His tales

can thus be said to have derived the subgenre of the antiquarian ghost story Plot Summary Two men in a smoking room were talking of their private school days At our school one said we had a ghost s footmark on the staircase What was it like Oh very unconvincing Just the shape of a shoe with a square toe if I remember right **Montague Rhodes James, O.M.**
