**INTRODUCTION BY
JOHN HAMMOND**

New Yearbook Of Jazz

Roman Iwaschkin

New Yearbook Of Jazz:

New yearbook of jazz Leonard Feather,1959 New yearbook of jazz Leonard Feather,1959 **The Encyclopedia Yearbooks Of Jazz** Leonard Feather,1993-08-21 This volume combines The Encyclopedia Yearbook of Jazz 1956 and The New Yearbook of Jazz 1958 to form a single volume source of information photographs and opinion Originally conceived as companion volumes to Leonard Feather s The Encyclopedia of Jazz and therefore including over 600 biographies of musicians these yearbooks also feature material such as a What s Happening in Jazz section a Musician s Musicians poll where jazz greats from Louis Armstrong to Lester Young vote on their favourites hundreds of photographs a poll of jazz fans 78 6% disliked rock n roll in 1956 Favourite Versions of Favourite Tunes where 25 favourite songs are listed along with their best interpretations contributions written by Benny Goodman John Hammond and Martin Williams Meet the Critics short biographies of 30 of the greatest jazz critics of the time articles on jazz and classical music jazz and the other arts and jazz and the phonograph and The Best of the Blindfold Test 1951 1958 **The Encyclopedia Yearbook of Jazz** ,1956 **The Encyclopedia Yearbook of Jazz** Leonard Feather,1957 A Companion to the Modern American Novel, 1900 - 1950 John T. Matthews,2013-06-10 This cutting edge Companion is a comprehensive resource for the study of the modern American novel Published at a time when literary modernism is being thoroughly reassessed it reflects current investigations into the origins and character of the movement as a whole Brings together 28 original essays from leading scholars Allows readers to orient individual works and authors in their principal cultural and social contexts Contributes to efforts to recover minority voices such as those of African American novelists and popular subgenres such as detective fiction Directs students to major relevant scholarship for further inquiry Suggests the many ways that modern American and fiction carry new meanings in the twenty first century **This Is Our Music** Iain Anderson,2012-05-26 This Is Our Music declared saxophonist Ornette Coleman s 1960 album title But whose music was it At various times during the 1950s and 1960s musicians critics fans politicians and entrepreneurs claimed jazz as a national art form an Afrocentric race music an extension of modernist innovation in other genres a music of mass consciousness and the preserve of a cultural elite This original and provocative book explores who makes decisions about the value of a cultural form and on what basis taking as its example the impact of 1960s free improvisation on the changing status of jazz By examining the production presentation and reception of experimental music by Ornette Coleman Cecil Taylor John Coltrane and others Iain Anderson traces the strange unexpected and at times deeply ironic intersections between free jazz avant garde artistic movements Sixties politics and patronage networks Anderson emphasizes free improvisation s enormous impact on jazz music s institutional standing despite ongoing resistance from some of its biggest beneficiaries He concludes that attempts by African American artists and intellectuals to define a place for themselves in American life structural changes in the music industry and the rise of nonprofit sponsorship portended a significant transformation of established cultural standards At the same time free improvisation s growing

prestige depended in part upon traditional highbrow criteria increasingly esoteric styles changing venues and audience behavior European sanction withdrawal from the marketplace and the professionalization of criticism Thus jazz music s performers and supporters and potentially those in other arts have both challenged and accommodated themselves to an ongoing process of cultural stratification

The Story of Jazz Marshall Winslow Stearns,1970 The effect of jazz upon American culture and the American character has been all pervasive This superlative history is the first and the most renowned systematic outline of the evolution of this unique American musical phenomenon Stearns begins with the joining of the African Negro s musical heritage with European forms and the birth of jazz in New Orleans then follows its course through the era of swing and bop to the beginnings of rock in the 50s vividly depicting the great innovators and covering such technical elements as the music s form and structure

Popular Music Roman Iwaschkin,2016-04-14 This is a comprehensive guide to popular music literature first published in 1986 Its main focus is on American and British works but it includes significant works from other countries making it truly international in scope

Meet Me at Mcgoon's Pete Clute,Cedric E. Clute,Jim Goggin,Bob Helm,2004 This book is about American jazz history and a very special place in San Francisco that was called Earthquake McGoon s which was one of the longest running jazz clubs in America Included in Meet Me At McGoon s are some 860 photos and illustrations a complete index and an updated list of Turk Murphy recordings at the time of writing this book

A Guide to Popular Music Reference Books Gary Haggerty,1995-09-30 A guide to locating information on popular music and the people who create it this volume is designed as a desk reference to locate answers to specific questions and to direct library users to key resources More than 400 comprehensive titles are carefully annotated describing content scope and special features The focus is on the musical styles that have developed measurable commercial success through recordings and live performance Along with academic titles many important titles from the popular press are included as well as selected electronic resources A necessary reference tool for any library scholar student and popular music buff The work covers bibliographies indexes discographies dictionaries and encyclopedias biographical resources directories almanacs yearbooks and guidebooks on styles that include jazz swing Tin Pan Alley country gospel blues rhythm and blues soul rockabilly rock heavy metal musical theater and film music Its extensive appendices feature discographies and bibliographies of individual artists and ensembles A detailed index combining authors titles and subjects makes cross referencing easy The entries are modeled after the immensely useful The Guide to Reference Books

Your Jazz Collection Derek Langridge,1970

Jazz Eddie S. Meadows,2013-10-23 Jazz Research and Pedagogy is the third edition of an annotated bibliography to books recordings videos and websites in the field of jazz Since the publication of the 2nd edition in 1995 the quantity and quality of books on jazz research performance and teaching materials have increased Although the 1995 book was the most comprehensive annotated jazz bibliography published to that date several books on research performance and teaching materials were omitted In addition given the proliferation of new books in all jazz areas since 1995

the need for a new comprehensive and annotated reference book on jazz is apparent Multiply indexed this book will serve as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared in the field over the last decade **Air Force Pamphlet** ,1966 **Billboard** ,1958-11-24 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Easy Listening and Film Scoring 1948-78 Jack Curtis Dubowsky,2021-05-27 Composers arrangers conductors session musicians and executives worked in easy listening and scoring complicating an academic focus that lionizes film music while ignoring or deriding easy listening This book documents easy listening s connections with film music an aspect overlooked in academic and popular literature Fueled by the rise of the LP and home entertainment easy listening became the largest midcentury commercial music market generating more actual income for the record business than 7 inch singles Easy listening roped in subgenres including classical baroque jazz Latin Polynesian exotica rock Broadway and R B appropriated and reinterpreted just as they were for cinema Easy listening provided opportunities in orchestral music for conservatory trained composers Major film composers such as Henry Mancini and Michel Legrand had a prodigious output of easy listening albums Critics fault easy listening for structural racisms overlooking its evolution and practitioners Easy listening helped destabilize a tripartite record business that categorized product as race records old time records or general popular music Charlie Parker s with Strings records altered the direction of jazz profoundly influencing other performers encouraging bold crosspollinations and making money The influence of technology and historical contexts of music for work and leisure are explored Original interviews and primary sources will fascinate scholars historians and students of cinema television film scoring and midcentury popular music **Paul Whiteman: Pioneer in American Music, 1930-1967** Don Rayno,2012-12-19 In a career that spanned 60 years Paul Whiteman changed the landscape of American music beginning with his million selling recordings in the early 1920s of Whispering Japanese Sandman and Three O Clock in the Morning Whiteman would then introduce symphonic jazz a powerful blend of the classical and jazz idioms that represented a whole new approach to modern American music influencing generations of bandleaders and composers While some hold that at the close of the Roaring Twenties Whiteman s musical hegemony quickly waned Don Rayno illustrates in this second volume of Paul Whiteman Pioneer in American Music how much of a dominant figure Whiteman remained A major figure on the American music scene for decades to come he would continue to lead critically acclaimed orchestras filling theaters and concert halls alike and diligently seeking out and nurturing musical talent on the largest scale of any orchestra leader in the 20th century In this second volume of Rayno s magisterial treatment of the life and music of this remarkable maestro Whiteman s career during the second half of his life is explored in the fullest detail as Whiteman conquers the worlds of theater and vaudeville the concert hall radio motion

pictures and television winning accolades in all of them Through hundreds of interviews extensive documentation and exhaustive research of over nearly three decades a portrait emerges of one of American music s most important musical figures during the last century Rayno paints a stunning portrait of Whiteman s considerable accomplishments and far reaching influence

Duke Ellington's America Harvey G. Cohen,2010-05-15 Few American artists in any medium have enjoyed the international and lasting cultural impact of Duke Ellington From jazz standards such as Mood Indigo and Don t Get Around Much Anymore to his longer more orchestral suites to his leadership of the stellar big band he toured and performed with for decades after most big bands folded Ellington represented a singular pathbreaking force in music over the course of a half century At the same time as one of the most prominent black public figures in history Ellington demonstrated leadership on questions of civil rights equality and America s role in the world With Duke Ellington s America Harvey G Cohen paints a vivid picture of Ellington s life and times taking him from his youth in the black middle class enclave of Washington D C to the heights of worldwide acclaim Mining extensive archives many never before available plus new interviews with Ellington s friends family band members and business associates Cohen illuminates his constantly evolving approach to composition performance and the music business as well as issues of race equality and religion Ellington s own voice meanwhile animates the book throughout giving Duke Ellington s America an intimacy and immediacy unmatched by any previous account By far the most thorough and nuanced portrait yet of this towering figure Duke Ellington s America highlights Ellington s importance as a figure in American history as well as in American music

American Music Librarianship Carol June Bradley,2013-09-13 The literature of American music librarianship has been around since the 19th century when public libraries began to keep records of player piano concerts significant donations of books and music and suggestions for housing music As the 20th century began American periodicals printed more and more articles on increasingly specialized topics within music studies Eventually books were developed to aid the music librarian their publication has continued over the course of nearly a century This book reflects the great diversity of the literature of music librarianship The main resources included are items of historical interest descriptions of individual collections catalogues of collections articles describing specific library functions record related subjects bibliographies designed for music library use literature from Canada and Britain when relevant to U S library practices key discographies and information on specialized music research The material is ordered by topic and indexed by author subject and library name

Avant-garde Jazz Musicians David Glen Such,1993
