history of mass transportation in Manhattan and New York City's outer boroughs. Public transportation has long been vital to the city with horse drawn surface lines established by 1831 and elevated railroad lines constructed during the 1870s and 1880s. The concept of subway railroads operating underground originated in London in 1863 and was applied to New York City by 1904. This collection of vintage postcards brings you through the tunnels of the subway onto the platforms of the long gone els and examines New York's renowned terminals especially Grand Central and Penn Station. [American Woman Suffrage Postcards](#) Kenneth Florey, 2016-04-29 American women's suffrage activists were fascinated with suffrage themed postcards. They collected them, exchanged them, wrote about them, used them as fundraisers and organized postcard day campaigns. The cards they produced were imaginative and ideological, advancing arguments for the enfranchisement of women and responding to antisuffrage broadsides. Commercial publishers were also interested in suffrage cards, recognizing their profit potential. Their products though, were reactive rather than proactive, conveying stereotypes they assumed reflected public attitudes, often negative towards the movement. Cataloging approximately 700 examples, this study examines the visual rhetoric of suffrage postcards in the context of the movement itself and as part of the general history of postcards.

The Subway Girls Susie Orman Schnall, 2024-09-04 From the author of *The Balance Project* comes a dual timeline narrative featuring a 1949 Miss Subways contestant and a modern day advertising executive whose careers and lives intersect. Schnall has written a book that is smart and timely. Feels perfect for fans of Beatriz Williams and Liza Klausmann. Meanwhile, Charlotte is swept into the glamorous world of the Miss Subways beauty contest which promises irresistible opportunities with its Park Avenue luster and local fame status. But when her new friend, the intriguing and gorgeous fellow participant Rose, does something unforgivable, Charlotte must make a heart wrenching decision that will change the lives of those around her forever. Nearly 70 years later, outspoken advertising executive Olivia is pitching the NYC subways account in a last ditch effort to save her job at an advertising agency. When the charismatic boss she's secretly in love with pits her against her misogynistic nemesis, Olivia's urgent search for the winning strategy leads her to the historic Miss Subways campaign. As the pitch date closes in on her, Olivia finds herself dealing with a broken heart, an unlikely new love interest and an unexpected personal connection to Miss Subways that could save her job and her future. *The Subway Girls* is the charming story of two strong women, a generation apart, who find themselves up against the same eternal struggle to find an impossible balance between love, happiness and ambition. **Extruder, Mold & Tile** Anderson Turner, 2008 *Extruder Mold and Tile Forming Techniques* includes a wide variety of articles on forming techniques that go
