Gruber,2017-07-27 Mayer I Gruber provides a new commentary on and translation of Hosea Building

upon his work that debunked the myth of sacred prostitution Gruber now goes on to show that the book of Hosea repeatedly advocates a single standard of marital fidelity for men and women and teaches cheated women to fight back Gruber employs the latest and most precise findings of lexicography and poetics to solve the difficulties of the text and to determine both how Hosea can be read and what this means The translation differs from classical and recent renderings in eliminating forms and expressions which are neither modern English nor ancient Hebrew Referring to places events and material reality of the 9th and 8th centuries BCE Gruber uncovers the abiding messages of the heretofore obscure book of Hosea As in previous studies Gruber employs the insights of behavioral sciences to uncover forgotten meanings of numerous allusions idioms similes and metaphors Judicious use is made also of textual history reception history and personal voice criticism One of the least biblical books now speaks more clearly to present and future audiences than it did to many previous audiences *Hand Me Down Husband* Rosanna Huffman,2015-03-03 High school teacher Suzanne Bloomer has buried herself in her job at New Vision Christian School in Farmersburg Ohio But she's none too pleased when widower Mitch Sanderson leaves his fields mid harvest to fill a teacher principal position at the school She knows better than to trust a Sanderson and she's determined not to be tricked by one again When Mitch's persistent kindness starts to confuse Suzanne's feelings for him she remembers that she is even less interested in a hand me down husband than she is in wearing secondhand clothing Neither has Mitch forgotten his late wife's plea that he never remarry His children certainly haven't Will their faith in God and trust in each other be enough to overcome the odds and build a life together *Our Navy*,1929 **The Secrets of Happily Married Women** Scott Haltzman,Theresa Foy DiGeronimo,2010-12-21 From the authors of the best selling *The Secrets of Happily Married Men* comes the much anticipated follow up book *The Secrets of Happily Married Women* In their first book Dr Haltzman and his coauthor Theresa Foy DiGeronmio outlined a recipe for men about growing a happy marriage treat marriage with the same sense of purpose resolve and single minded devotion that they have for their job Although that workplace formula works well for men an entirely different set of criteria resonate with women In *The Secrets of Happily Married Women* Dr Haltzman tells us stories from real women who are happy in their relationships These women know how to get more out of their partners by doing less by not trying so hard to make men perfect not dragging them to couples therapy not expecting them to think or behave like a woman These are women from Dr Haltzman's clinical practice and culled from thousands of contributors to his Web site www.HappilyMarriedWomen.com They have learned to understand how men really work and tap into men's powerful hard wired desire to please women and be a better man **What Work Means** Claudia Strauss,2024-06-15 *What Work Means* goes beyond the stereotypes and captures the diverse ways Americans view work as a part of a good life Dispelling the notion of Americans as obsessive workaholics Claudia Strauss presents a more nuanced perspective While some live to work others prefer a diligent 9 to 5 work ethic that is conscientious but preserves time for other interests Her participants often enjoyed their jobs without making work the focus of their life These

findings challenge laborist views of waged work as central to a good life as well as post work theories that treat work solely as exploitative and soul crushing Drawing upon the evocative stories of unemployed Americans from a wide range of occupations from day laborers to corporate managers both immigrant and native born Strauss explores how diverse Americans think about the place of work in a good life gendered meanings of breadwinning accepting financial support from family friends and the state and what the ever elusive American dream means to them By considering how unemployment experiences diverge from joblessness earlier What Work Means paves the way for a historically and culturally informed discussion of work meanings in a future of teleworking greater automation and increasing nonstandard employment

further insight into the media and genre specific ways of constructing perpetuating and challenging gender concepts in audiovisual media taking into consideration the interplay of the different levels on which gendering occurs in them Thus two articles in the present volume address the processes of constructing perpetuating and challenging notions of femininity and masculinity in music videos while other contributions are dedicated to the analysis of gendering in films and or TV series
