New York City Of Cities:

Historical Cities-New York City Lyn Wilkerson, 2010-10-08 This edition of the series explores the boroughs of New York City Manhattan Brooklyn Queens the Bronx and Staten Island Over 600 historical sites are described within based on the WPA 1939 Guide to New York City Along with historical text of each site borough histories reference maps and GPS Coordinates are included Travelers and residents alike will find enjoyment and education Privately Owned Public Space Jerold S. Kayden, The New York City Department of City Planning, The Municipal Art Society of New York, 2000-11-10 Hailed by the Wall Street Journal as a juicy little time bomb of a book Privately Owned Public Space The New York City Experience examines for the first time New York City's 39 year mixed experience with the production of more than 500 plazas parks and atriums located on private property yet by law accessible to and usable by the public Until now comprehensive systematic knowledge about this vast collection of public spaces has not existed either for experts or members of the public To remedy this gap Harvard University professor Jerold S Kayden The New York City Department of City Planning and The Municipal Art Society of New York have joined forces to research and write Privately Owned Public Space The New York City Experience Through words photographs scaled site plans maps and analysis of newly assembled data they examine history law design and use of the city's privately owned public spaces Each of the more than 500 spaces is individually discussed to provide far reaching comparative information about this unique category of public space In reading this book designers planners lawyers and academics will gain greater understanding about the possibilities and problems inherent in the design management and enforcement of privately owned public space Public officials private owners and civic group representatives will learn more about their roles in ensuring public access and vitality of such spaces Individuals will discover where New York City's public spaces are located and what amenities they offer Everyone will comprehend more completely the contribution that privately owned public space can make toward open and attractive cities in which all individuals have access to a diversity of public places *Eco-Responsible Cities and the Global Ocean* Voula P. Mega, 2018-08-29 This book examines the nexus of cities and oceans and the interrelations between the Sustainable Development Goals SDGs 11 and 14 just after the first two critical years following the milestone year of hope in 2015 It advocates for actions both for sustainable cities the largest interconnected and only human ecosystem and for the global ocean that is the largest physical ecosystem Cutting edge concepts and actions are presented by and for cities and oceans following the global engagements during the years 2015 2017 In the era of global geopolitics cities offer major democratic spaces between the micro regulations of the local communities and the governance of the global commons The role of education trust and citizen empowerment cannot be stressed enough This book offers an evidence based holistic and integrated view of key urban and ocean sustainability issues at the horizon of 2030 and of 2050 The chapters cover the most prominent issues at the heart of the matter and highlight systemic multi stakeholder eco responses towards sustainability with economic social environmental dimensions including

political and cultural aspects This book offers a full exploration of cities and seas with an emphasis on vigorous paradigm shifts redesigning human systems and reconciling them with nature Building on robust evidence and transformational cases it provides structured advice for world leaders stakeholders and scholars Construction in Cities Patricia J. Lancaster,2000-12-21 Today s construction environment is more complex than any previous era The possible impediments to a project s successful completion include not only bricks and mortar issues like material availability or curtain wall testing but a broad array of concerns involving the economic political social environmental archeological community and hi
