Next Door Savior Participant's Guide Max Lucado,2004-02-09 Jesus Holy or human According to the Bible he was and is both Fully God and fully man Our next door Savior The Christ of your galaxies is the Christ of your Mondays The Starmaker manages your travel schedule Relax You have a friend in high places There is no person he won t touch No place he won t go to find you For even though he is in heaven he never left the neighborhood The Next Door Savior Participant s Guide is the perfect companion for users of the Next Door Savior Group Study Kit On the Study Kit DVDs Max Lucado personally teaches what it means for Christ to be our next door Savior The six lessons in this Participant s Guide correspond with the six lessons in the Study Kit Every teacher who uses the Study Kit will want each of their class members to have and use a Participant s Guide for it s in the Bible study and self reflection questions of this Participant s Guide that each class member will have the opportunity to really learn what it means for our Savior to be near enough to touch and strong enough to trust Next Door Savior Max Lucado,2012-12-31 We applaud men for doing good things We enshrine God for doing great things But what about a man who does God things One thing is certain We can t ignore him If these moments are factual if the claim of Christ is actual then he was at once man and God The single most significant person who ever lived Forget MVP He is the entire league The head of the parade Hardly No one else shares the street Who comes close Humanity s best and brightest fade like dime store rubies next to him Dismiss him We can t Resist him Equally difficult Why would we want to Don t we need a God man Savior A just God Jesus could make us but not understand us A just man Jesus could love us but never save us But a God man Jesus Near enough to touch Strong enough to trust A next door Savior *Next Door Savior Guidebook* Max Lucado,Len Woods,2004 This interactive study provides an opportunity for a deeper understanding of Jesus our next door Savior The Guidebook will include Excerpts from the hardcover book Next Door Savior Bible study materials Questions for reflection and discussion Lyrics of favorite hymns featured on the Next Door Savior CD and DVD track **Unsplintered** Mira Price,2022-10-19 This collection of poems offers a glimpse into the kaleidoscope of perspectives that coexist in the world The poet hopes this journey of exploration will enlighten the reader about the socio political atmosphere we live in and provide a good dose of comic relief with refreshing perspectives on Art and the Artist while tracing a theme of cathartic philosophical views to the very end With ideas that destigmatise readers will perhaps be able to dream bigger dreams and invite social change instead of living a life of quiet desperation This book also aims at restoring faith in humanity as much as it unearths it There is an underlying theme of finding beauty in the broken the grey and the imperfect **Saviour's Story** J. Tucker,2022-09-27 If you want to hear God laugh tell him your plans is a favorite saying of Joan Tucker This is a story about two people with great plans for an orphan living in Northern Ghana who needed considerable medical treatment Born with Cerebral Palsy Saviour would face many hardships in the first few years of his life including being abandoned in the African bush at the age of three Several days later he was rescued and taken to the Nazareth Home for God s Children Then Momma Joan came along and helped change his life forever From the early days of getting him accepted by the hospital in the United States and bringing him into their home the first time Joan and Bill were repeatedly reminded that while some things are done in Africa time most are done in God s time This is not a story of how Joan and Bill made his life better It is about a little boy who is so courageous and determined to make the most out of the opportunity they have offered him Saviour for his part would face the challenges of recovery from many surgeries and adjusting to all the new things America offered with his incredible smile and a never give up attitude Over the next few years many plans were made to ensure him the best opportunity to not only walk but to lead a happy and productive life This book will tell you about all the times Joan Bill and Saviour heard God s laughter If you would like to know more about Saviour s brothers and sisters in Ghana please visit www.sisterstanschildren.org Any and all profits from the sale of this book will go directly to them **Croatia Piers**

In Life Matters Confronting the challenges of our time we see distilled experiences and reflections of a humble and spiritual working class man This is an honest depiction by the author someone who has had to deal with many challenging and painful struggles in his sixty years of life In a wide range of blogs devotionals and articles accumulated over many years of prolific writing in the pages of Life Matters the author explores themes centred on the best and worst of human nature with much clarity and a rare honesty Topics range from life controlling behaviour to freedom in the Spirit from human loss and rejection to hope and acceptance It also covers topics such as envy and insecurity grace and confidence anguish and despair true joy and hope it s all there The author s wit humour and carefully crafted words will help you find encouragement from Jesus Christ appropriate to the happenings and thoughts that are part of being human These words would have carried heavenly anointing whenever they had been penned You will find in the multitude of diverse subjects close to every one of us good reason to return and dip into this book time and time again and in the years to come Not written in a deeply theological manner this book will appeal just as much to the committed Christian as it does to the casual agnostic or open minded seeker Each reading leaves a message of hope in even the most desperate of circumstances Bahuroopi - The Master Disguiser
