Official Military Historical Offices and Sources: The Western hemisphere and the Pacific rim Robin Higham, 2000

What is Military History? Stephen Morillo, 2017-12-21 The third edition of *What is Military History* has been thoroughly updated and includes a new bibliography and new case studies on naval warfare and the origins of war as well as expanded sections on historiography environmental history and world history This popular textbook showcases a field that encompasses not only accounts of campaigns and battles but includes a wide range of perspectives on all aspects of past military organization and activity Its global and comparative analysis covers the history of military history showing how it has developed from ancient times to the present the key ideas and concepts that shape analysis of military activity the current controversies about which military historians argue and why they are important a survey of who does military history where it is taught and published and how it is practiced and a look at where military history is headed in the future Ideal for any interested reader and for classes in military history and in historiography generally the third edition of this popular book thoroughly explains the dynamics of this rich and growing area of study

Chinese Warfighting: The PLA Experience since 1949 Mark A. Ryan, David M. Finkelstein, Michael A. McDevitt, CNA Corporation, 2016-04-29 This is the first systematic study of modern China's military campaigns and the actual fighting conducted by the People's Liberation Army since the founding of the People's Republic It provides a general overview of the evolution of PLA military doctrine and then focuses on major combat episodes from the civil war with the Nationalists to the last significant combat in Vietnam in 1979 in addition to navy and air operations through 1999 In contrast to the many works on the specifics and hardware of China's military modernization this book discusses such topics as military planning command and control fighting and politics combat tactics and performance technological catch up and doctrinal flexibility the role of Mao Zedong scale and typologies of fighting and deterrence The contributors include scholars from Mainland China Taiwan and the United States who draw from a wealth of fresh archival sources

Official Military Historical Offices and Sources: Europe, Africa, the Middle East, and India Robin Higham, 2000

Official Military Historical Offices and Sources Robin Higham, 2000-05-30 Making official history from all over the world accessible this volume and its companion complement and bring Robin Higham's 1970 classic work *Official Histories* up to date Each chapter written by the staff of the relevant historical office gives both historiographical background and information on the volumes published by that office Covering the Western Hemisphere and the Pacific Rim this volume provides a plethora of information as does the companion volume on Europe Russia Africa the Middle East and India Buried in official history volumes is a lot of fine and useful history and official volumes deserve to be perused This book will make those histories available to scholars and graduate students and will be especially useful to those concerned with military social and diplomatic history as well as medicine
