Library Services in Theory and Context Michael K. Buckland, 2014-05-09 Library Services in Theory and Context provides a theoretical framework for considering the nature of library services This book is organized into four parts encompassing 16 chapters that focus on the management of library services The first part presents some basic problems in librarianship along with the scope and probable nature of appropriate theory The second part considers the five key aspects and use of library services including inquiries retrieval the process of becoming informed the demand for library services and the allocation of resources to and within library services The third part deals with the connection and extensions of library services specifically the problem of achieving internal consistency and the generalizability of conceptual framework to information services The fourth part reconsiders some of the basic conceptual problems in library services This book will be of great value to school administrators and librarians

Assessing Information Needs Robert J. Grover Professor Emeritus, Roger C. Greer, John Agada, 2010-06-16 Based on a tested model for community analysis this book offers a guide to the management of client centered transformative information services that can be applied in any type of library or information agency Knowing a community enables library and information professionals to prioritize the community's information needs and design appropriate services for them Assessing Information Needs Managing Transformative Library Services was written to provide the rationale for community analysis a model for gathering community data and a process for analyzing data and applying it to the management of an information agency The book explains why information professionals should customize services as well as the how to of collecting data A model for gathering community information is described applied and demonstrated through a case study The book then shows how such information is interpreted and used to plan information services that are transformative for individuals and groups in the case study community providing lessons that readers can use with their own institutions Rooted in a philosophy of customer service the method presented here is perfect for public school academic and special libraries or other types of information agencies

Developing a Digital National Library for Undergraduate Science, Mathematics, Engineering and Technology Education National Research Council, Division of Behavioral and Social Sciences and Education, Board on Science Education, Steering Committee for Developing a Digital

National Library for Undergraduate Science, Mathematics, Engineering, and Technology Education,1998-01-29 In 1996 the National Science Foundation NSF released a report about ways to improve undergraduate science mathematics engineering and technology SME T education One recommendation called for establishing a digital library similar to those that are being constructed for many research communities that would make available electronically a wide variety of materials for improving teaching and learning of SME T The NSF asked the National Research Council to examine the feasibility of and issues associated with establishing such a digital national library In response an NRC steering committee commissioned a series of papers and convened a workshop to consider these issues This resulting book delineates the issues that should be considered and provides recommendations to resolve them prior to committing funds *Functioning Of Regional Public Libraries In Andhra Pradesh: A Study* L. V. Chandra Sekhara Rao,Rao,L V Chandra Sekhara,2008 This book is a comprehensive study and discussion about the functioning of the Regional Public Libraries in the state of Andhra Pradesh It has laid its major emphasis on the functioning of the Regional Public Libraries functioning and the views of the commissioner of public libraries renowned libraries of different Regional Public Libraries in the state This book gives an understanding between the functioning of Regional Public Libraries and social issues different social aspect and their influence on the society It discusses about public libraries movement in Andhra Pradesh and their present need And also reviews earlier studies and methodology The readers will find this book useful in historical sociological and educational aspects in the fields of Library and Information Science **The Library as Forum in the Social Media Age** John M. Budd,2022-03-25 How do individuals in our country converse about thorny political matters We know that these kinds of discussions can be fraught but there are ways that the conversations can be thoughtful and civil In this book ways to ensure civil conversations are explored deeply A major thrust of the book is that the library writ large can be the locus for informed conversations typified by evidence and truth We begin with a description of the library what it is what purposes it can serve what contributions it can make to civil discourse As we will see the theme of liberty runs throughout the commentary Another chapter explores what discourse is how discourse theory can inform civil conversations and what kinds of discursive practices achieve the goal of civility This is admittedly a tall order but it is absolutely necessary to fulfill the promise of the book The chapter further presents examples of topics that are components of political conversations today as well as substantive sources that can inform those conversations The final chapter returns to the library The spirit and substance of providing a venue for civil conversation are discussed at some length The conclusion presents how the library can be the exemplar for civil conversation The audience for the book is not limited to librarians but extends to all who are interested in and committed to reasoned discussion of the political issues that divide us today Examples of topics of conversation conclude the last chapter The purpose is to illustrate just how the fraught topics can be discussed in a civil and considered manner The ultimate purpose of the book is to present a realistic manner by which political conversations can take place fostered by libraries
