R. Singh,2022-06-03 This book QUESTION BANK ON THE LAWS OF CRICKET through the use of 1001 game situations is designed to bring out the lesser

understood intricacies of the Laws The serious umpiring aspirant as well as the lay reader will find this book useful IF YOU ARE a Cricket Player a Cricket Coach a Cricket Umpire a Cricket Commentator a Cricket Spectator or an Armchair Expert you need this book This book contains 1001 simply worded Questions game situations to test and hone your knowledge of the Laws of Cricket Answers and detailed explanations are provided **REVISED QUESTION BANK ON THE LAWS OF**

CRICKET M. R. Singh, 2023-11-28 This QUESTION BANK is based on the Laws of Cricket 2017 Code 3rd edition 2022 As the name QUESTION BANK suggests this book is a compilation of questions 1001 practical game situations in Cricket which are designed to test the knowledge of the serious student of the game The QUESTION BANK is divided into convenient sections The questions are all multiple answer questions and are aimed at highlighting some of the little known nuances of the Laws Answers for the questions along with explanations wherever necessary are provided at the end in a separate section In addition I have added four Appendices as follows because I thought these might help the practical Umpire Appendix Z1 Examples of Calculation of Minimum Overs Law 12 Appendix Z2 Examples of working of Penalty Time Law 24 Appendix Z3 Graphics that explain what is a Batter's Ground Law 30 Appendix Z4 Graphics that explain the various possible situations of a Batter with a Runner Law 25 The QUESTION BANK is primarily aimed at the aspiring Umpire who might be preparing for some umpiring qualification test at some level Besides I believe that the knowledge of an Umpire is best tested by evaluating how he applies his learning to the many varied situations the game can throw up That is why I have chosen to put before the student game situations to which he can apply the knowledge he might already have acquired I think however this book can be of immense use to just about anyone associated with the game If you are a player coach match referee sports journalist commentator and even a spectator you will find this book to be of use when faced with a peculiar game situation Even as I pen this the 3rd Test match of the England India series is on and questions have arisen about the guard position of Indian player Rishab Pant I found that senior and experienced commentators did not know if the Umpire was at all empowered by the Laws to check the erring Striker In the same game a question arose about Rishab Pant again taping the last two fingers of his wicket keeping gloves The Umpires had ruled that it was illegal and had asked him to remove the tape Many such situations arise in the game the answers to which are not always clear It has been my experience that players their Captains match referees and commentators do not really know some of the more intricate laws In fact I have seen some who don't know even some of the simplest of the Laws This book will answer all the questions they can possibly think of and did not know whom to ask I have no doubt that a better understanding of the Laws can make one a better player and a better coach In my view every batch of cricket trainees should undergo a session or two on the Laws of Cricket where the focus can be on the laws most concerning them They need not be put through the whole lot Besides every player will hang up his boots one day The knowledge acquired through this book might kindle some interest and might lay the foundations of an umpiring career ahead I hope this book is found to be of use mrsingh 28 08 2021 Preface to the REVISED edition After the publication

of the first Question Bank in 2022 I soon realised that there were quite a few small but embarrassing errors In a book of this kind on which a lot of newbie umpires relied this was most unacceptable and also damaging to my reputation and credibility Most of the errors were minor in nature like pointing to a wrong answer option or merely typos But to my everlasting regret a few were not I owe my buyers an apology on this account In this edition I have hopefully managed to eliminate all these errors and make this a book that readers can rely upon I have also added a few more questions based on recent events And I wish my student umpires good luck in their endeavors in mastering the Laws of Cricket M R Singh 1 11 2023
