Lee,Alistair B. Fraser,2001 Venerated as god and goddess feared as demon and pestilence trusted as battle omen and used as a proving ground for optical theories the rainbow s image is woven into the fabric of our past and present From antiquity to the nineteenth century the rainbow has played a vital role in both inspiring and testing new ideas about the physical world Although scientists today understand the rainbow s underlying optics fairly well its subtle variability in nature has yet to be fully explained Throughout history the rainbow has been seen primarily as a symbol of peace covenant or divine sanction rather than as a natural phenomenon Lee and Fraser discuss the role the rainbow has played in societies throughout the ages contrasting its guises as a sign of optimism bearer of Greek gods messages of war and retribution and a symbol of the Judeo Christian bridge to the divine The

authors traverse the bridges between the rainbow's various roles as they explore its scientific, artistic and folkloric visions. This unique book exploring the rainbow from the perspectives of atmospheric optics, art history, color theory and mythology will inspire readers to gaze at the rainbow anew. Grayson, 2009-11 **The Revelation Rainbow** Charles Walter Doughty, 2016-07-19. This book *Revelation Rainbow* is the end of a forty-year quest by the author to find answers to the questions generated by Biblically uninformed scholarship that shrouds rather than unveils the great truths of this Holy Spirit-directed work of our Lord. Hundreds of students of Revelation have been left in a bewildered state because certain scholars approach the book with a human mindset instead of a Spirit-led mindset. Instead of looking at Revelation as The Divine apocalypse, they try to humanize and literalize the book as a study of human secular history, leaving the student with a complicated scheme of things that do not make sense. Having met these students, Mr Doughty was greatly distressed to see them turn from God's Word, especially Revelation, altogether. Subjects like the Antichrist, Millennium, Mark of the Beast, Rapture, Tribulation and Left Behind are just some of the end-time twists causing confusion. [Finding the Earth Goddess](#) Earthrayne, 2008-09-01. *Finding the Earth Goddess* includes the personal journey of the author who has abandoned her own religion to embark on the Wiccan path and also includes practical suggestions for the reader to start their own journey into Wicca. It is full of interesting information and includes the History of the Religion, The Wiccan Celebrations, Magical Tools, Step by step Ceremonies and Creating Magick. *Finding the Earth Goddess* has illustrations throughout and personal entries by the author. The sole purpose of this book is to help beginners start their own spiritual journey. **Heart for Creation** Chris Polhill, 2012-01-18. Prayers, worship resources and reflections to help individuals and groups effect a change in mindset in relation to the environment so that we act from a more rooted place.
