**Traditional Christmas Recipes of Spain** Malcolm Coxall,2013-09-17 For any traveller crossing Spain it is soon obvious that every region has its own distinctive culinary specialities Look a little closer and we realise that every province also has its own specialities Indeed when we really begin to dig deeper we find that most villages also have their own very particular recipes This high degree of culinary diversity may come as a nice surprise to many a jaded palate Sadly in much of the industrial world we are accustomed to bland standardised and utilitarian food Even at times like Christmas when good food should be central few really local specialities exist in our rather monochrome Westernised gastronomy Gladly Spain mostly avoided this industrialisation of food so that most people remain avidly interested in and proud of their own food products and their regional dishes This attitude probably explains the huge number of Michelin stars in the country Spain is a treasure trove of food diversity with centuries of cultural influences from Romans Arabs Jews and Christians contributing to many of the dishes still served today Spain is blessed with a pride and love of its own traditional recipes combined with a range and variety of ingredients that many a chef outside of Spain can only dream about Christmas is a special time in Spain and there

Axarqu a is a small remarkable corner of Andaluc a in Spain It has witnessed some of the most culturally cataclysmic events of the last 40 000 years of European history such as the arrival of the first modern human beings in Europe the invasion of the Phoenicians Byzantines Romans Visigoths Arabs and most recently the Christians It is a bountiful area with fertile soils and a good climate However it is not always an easy place In just a few years the climate of the area can fluctuate from abundance to drought The geography of the region makes access very difficult to this day many of its villages are remote often inaccessible These extraordinary historical climatic and geographical conditions have made the Axarqu a an area of great diversity One of the most interesting facets of the region is its cuisine It is full of Roman Arab Jewish and Christian culinary tradition The cuisine of the Axarqu a is a delicious and exciting voyage of exploration in taste and history
