Reclaiming Goodness Education And The Spiritual Quest

Roy Gardner, Denis Lawton, Jo Cairns

Reclaiming Goodness Education And The Spiritual Quest:

Reclaiming Goodness Hanan A. Alexander, 2001-05-22 Reclaiming Goodness Education and the Spiritual Quest begins with the premise that sound models for achieving both spiritual fulfillment and the good life are lacking in contemporary culture Arguing that contemporary education is responsible for having abandoned spirituality and the cultivation of goodness in people Hanan A Alexander advances a definition of spirituality which acknowledges an integral connection to education Reclaiming Goodness charts a way to reintegrate ethical and spiritual values with the values of critical thought and reason Written in accessible and non technical prose it will be of interest to professional educators as well as to a wider audience

Holistic Education Resource Book Peter Schreiner, Esther Banev, Simon Oxley, The book comes out of the ecumenical movement and is one outcome of the Holistic Education Study Process of the World Council of Churches It contributes to a dialogue between education philosophy and religious education spiritual education and the search for peace and justice reconciliation and healing as a yearning of all human beings **Liberal Learning and the Great Christian Traditions** Gregory W. Jenkins, Jonathan Yonan, 2015-07-07 As an aspect of civic humanism the liberal arts comprehended the skills necessary to realize the common good of free citizens within a free society the mental habits basic to citizenship as preached and taught in the classical medieval and Renaissance worlds The liberal arts formed people with the virtues proper to civic life The Church has never been quiet about these issues In every age Christians have addressed themselves to what the human animal is that such a being can be trained in civic virtue and how this can best be done why Christians should care and what Faith has to say on such matters as profane learning This book s essays explore how the various Christian Traditions have taken up the question of liberal learning by setting it within the context of their own peculiar idioms and histories

Rekindling Embers of the Soul Miranda Lin, Thomas A. Lucey, 2023-11-01 This edited volume Rekindling Embers of the Soul An Examination of Spirituality Issues Relating to Teacher Education fills the gap in scholarship by providing information about an understudied aspect of teacher education research In an education environment that provides an increasing degree of standardization founded upon corporatized materialist values the concept of spirituality and its importance in shaping the diverse identities of students and teachers becomes neglected This volume offers ten chapters which relate the spirituality to teacher education with regard to theory and research instruction and content Both researchers and teachers will appreciate the insights that it offers

Special Religious Education in Australia and its Value to Contemporary Society Zehavit Gross, Suzanne D. Rutland, 2021-02-22 This book explores the advantages of and challenges concerning Special Religious Education SRE in multicultural Australia and argues for the need for General Religious Education GRE as well Through the lens of the most recent scholarship and drawing on an in depth qualitative study and specific case studies the book examines the current

debate on the role of religious education within government schools It addresses key concepts of values education spirituality health and wellbeing and cultural and religious identity It analyses why it is important to retain SRE together with GRE as government policy It explores highly relevant controversial and contested issues regarding SRE including the 30% of Australia's population who declare themselves as having no religion and brings fresh insights to the table While secularization has increased in both the national and international spheres there has also been an increase in fundamentalism within religious beliefs Events such as the September 11 terror attacks and the more recent mass shootings by white supremacists and eco fascists in Christchurch New Zealand and Pittsburgh and San Diego in the USA are reminders that religion is still a major actor in the twenty first century This poses new challenges for the relationship between church and state and demonstrates the need to revisit the role of religious education within government schools While the importance of GRE is generally acknowledged SRE has increasingly come under attack by some researchers and teacher and parent bodies as being inappropriate and contradictory to the values of the postmodern world On the other hand the key stakeholders from all the faith traditions in Australia wish to retain the SRE classes in government schools The book addresses this burning issue and shows that it is relevant not only for Australia but also globally **Conflicting**

Philosophies of Education in Israel/Palestine Ilan Gur-Ze'ev, 2013-06-29 effectiveness and creativity in different contexts In this issue this will be presented in full detail in the articles which refer to different aspects of the Israeli educational context This special issue of Studies in Philosophy and Education concentrates on the intellectual impotence moral devotion cultural willingness and social and technological efforts for the preservation and enhancement of the tyranny of normalizing education over human beings in a specific arena The various studies in this issue with all their differences of orientation and issues under consideration will reconstruct the ways for forcing subjects and communities to commit themselves to destroy the otherness or the human potential of the inner and external Other They reveal this phenomenon as a characteristic of both the victimizers and their 8 victims Normally philosophy of education supports this process and justifies or hides this reality As will be shown in this special issue however at the same time philosophy of education might also become a non productive or even a rebellious element in the culture industry and present a serious challenge to the present order It can address and challenge the perpetual success of normalizing education in all its versions among all rival communities narratives and armies of teachers consumers soldiers and intellectuals This of course does not guarantee that such a critique or resistance will not become another dogmatic or nihilistic blow to the free Spirit or nothing but another version of normalizing education
