The book cover features a large, dark silhouette of a man's head in profile, facing right. Inside the head, a landscape scene is depicted with a man standing on a path that leads towards a horizon. The sky is filled with soft, white clouds, and the ground is reflected in a body of water at the bottom. The title 'RECLAIMING MEN'S SPIRITUALITY' is written in white, bold, sans-serif capital letters across the upper part of the head silhouette.

Reclaiming Spirituality:

Reclaiming Spirituality Diarmuid Ó Murchú, 1998 In this thought provoking and rambunctious follow up to Quantum Theology English priest and social psychologist Diarmuid O Murchu celebrates the spiritual renaissance of our time as an alternative to religious fanaticism and religious indifference He sees this phenomenon as part of the evolving spiritual story of humankind stretching back 70 000 years The spirituality that is appealing to seekers today embodies global inclusive co operative egalitarian and feminine values O Murchu outlines its linkage of the new cosmology with a respect for the natural world through the spirituality of native peoples He points out its embrace of pre patriarchal values of relatedness passion feeling imagination and justice Two other accents of this new paradigm are its emphasis upon the erotic power of spirituality and its reappropriation of the shadow in all its diverse dimensions Only time will tell what new permutations this global spirituality will take O Murchu has done a fine job mapping out its contemporary lineaments *Reclaiming Spirituality* Diarmuid O. brilliantly poses the question When will Anglo dominant groups even critical ones ever listen This book is likely to provoke and influence discussion on racial antagonism for a long long time to come Engaging the Spirit Robert Boak
