Reclaiming Surrendered Ground Protecting Your Family From Spiritual Attacks:

Reclaiming Surrendered Ground Jim Logan, 2015-12-15 Equip Your Family for Spiritual Warfare Jim Logan used to think spiritual warfare was a radical idea But in his work as a counselor he realized just how real it is especially in the lives of families Few families are aware of Satan's attacks on them Even fewer know how to withstand them Is yours ready Reclaiming Surrendered Ground is born out of the principles Logan returned to again and again to counsel families under satanic attack It will help you and your family to discover where you have given ground to the Enemy reclaim that ground and then live freely in Christ's victory Don't let the enemy get a foothold in your family Read Reclaiming Surrendered Ground and be equipped for battle

Essentials of Spiritual Warfare A. Scott Moreau, 2008-09-01 There's a war going on and you have what it takes to win Christians are engaged in a cosmic war between good and evil a war waged on many fronts in our hearts and minds in our churches and in our world How can we be equipped for the fight Is God still in control How did Jesus engage in spiritual warfare How powerful is Satan and how can we resist him With clarity and depth Scott Moreau answers these questions and more as he maps out a biblical overview of spiritual warfare He encourages us to put truth into action and to stand firm in our personal battles and against evil in the world

Battling and Winning in Spiritual Warfare Vol. 1 Ademolaami A. Afolayan, 2019-06-15 This book is one of the most practical and powerful volumes on the topic of spiritual warfare Every principle or revelation highlighted in it is backed with appropriate scriptures analyzed objectively for the benefit and edification of readers An overall impression while reading this book is that the author overcame all the challenges from Satan principally through a consistent prayer life Reading this book will help you also to battle and win all your spiritual warfare

Satan Roars! Sandra Mackey, 2020-10-21 Satan Roars Whispering His Lies By Sandra Mackey The Bible is not about Satan The Bible is God's message to his earthly family about his Son Jesus Christ However since humanity's fall in the Garden of Eden Satan has been trying to steal God's precious human creatures for his own evil purposes precious human creatures that God's own son died to save Among other reasons he does this to keep us from glorifying God and spreading the good news of the gospel This book is a mystery of opposites and contradictions as we recognize the spiritual war taking place in our individual lives and in our world at large Spiritual realities include God the Father God the Son and God the Holy Spirit as well as God's messengers and agents whoever or whatever they may be Yet they also include Satan as he prowls around seeking to destroy those who believe and obey God He also has his messengers and agents and if we believe that in this age there continues to be active participation in our lives by angels or other spirit beings we can't take the good and reject the evil Nor should we accept the evil and resist the good There is ample evidence of both forces at work

among us However none of this will be frightening for children of God Believers understand that this earth is not our home We were created for the new heaven and new earth that Jesus Christ has prepared for us I believe that heaven will be a home of endless joy and love and that once again we will have access to the Tree of Life without any interference from Satan Believers must know that this is our great hope to live righteously here on earth In fact because of our complete faith and hope in what is to come we live with anticipation as if we were already there Dear children do not let anyone lead you astray He who does what is right is righteous just as he is righteous He who does what is sinful is of the devil because the devil has been sinning from the beginning The reason the Son of God appeared was to destroy the devil s work 1 John 3 7 8
