Reconstructing Pastoral Theology A Christological Foundation:

Reconstructing Pastoral Theology Andrew Purves, 2004-09-20 In *Pastoral Care in the Classical Tradition* Andrew Purves argued that pastoral care and theology has long ignored Scripture and Christian doctrine and pastoral practice has become secularized in both method and goal the fiefdom of psychology and the social sciences He builds further on this idea here presenting a christological basis for ministry and pastoral theology

A Perichoretic Pastoral Theology Jim Horsthuis, 2022-09-08 This book articulates a perichoretic pastoral theology offering a pastoral theological response to the question of how ministering persons practice ministry in communion with the triune God Key elements from contemporary pastoral theology theologies of human experience concern for human suffering and situational attentiveness are drawn into conversation with the doctrine of perichoresis Jim Horsthuis provides a vision for life and ministry in relational participational and spiritual communion with the Father Son and Holy Spirit The chapters explore four spiritual movements that foster this vision 1 the move from experience to relationship 2 the move from concern to presence 3 the move from competence to communion and 4 the move from practice to prayer The book represents a unique academic contribution to both pastoral theology and Trinitarian theology

Evangelical Calvinism Myk Habets, Bobby Grow, 2012-06-08 In this exciting volume new and emerging voices join senior Reformed scholars in presenting a coherent and impassioned articulation of Calvinism for today's world Evangelical Calvinism represents a mood within current Reformed theology The various contributors are in different ways articulating that mood of which their very diversity is a significant element In attempting to outline features of an Evangelical Calvinism a number of the contributors compare and contrast this approach with that of Federal Calvinism currently dominant in North American Reformed theology challenging the assumption that Federal Calvinism is the only possible expression of orthodox Reformed theology This book does not however represent the arrival of a new Calvinism or even a neo Calvinism if by those terms are meant a novel reading of the Reformed faith An Evangelical Calvinism highlights a Calvinistic tradition that has developed particularly within Scotland but is not unique to the Scots The editors have picked up the baton passed on by John Calvin Karl Barth Thomas Torrance and others in order to offer the family of Reformed theologies a reinvigorated theological and spiritual ethos This volume promises to set the agenda for Reformed Calvinist discussion for some time to come

Exploring Christology and Atonement Andrew Purves, 2015-08-07 The Scottish theologians John McLeod Campbell Hugh Ross Mackintosh and Thomas F Torrance were theologians of reconciliation who emphasized the reality of God's redemptive grace in the person and work of Jesus Christ In this magisterial treatment Andrew Purves unfolds the riches of their theology for pastoral ministry today

Beyond Snakes and Shamrocks Ross A. Lockhart, 2018-07-02 Somewhere in the mists of time between history and hagiography stands the great evangelist and missionary St Patrick Raised a cultural Christian Patrick's encounter with God during captivity in Ireland transformed his life and the history of a people Freedom from slavery and a return home to Britain produced the

divine summons Vox Hibernia to return to Ireland and the place of captivity in order to witness to the gospel of Jesus Christ Christian witness in twenty first century Vancouver Seattle or Portland is a world away from fifth century Armagh Slane or Cashel Yet the great evangelist to pre Christian peoples of Hibernia has much to teach us as we seek to engage our secular post Christian context There is wisdom in the missional leadership of the one we call St Patrick that goes well beyond tales of snakes and shamrocks How might Patrick s mission experience with pre Christian peoples direct our contemporary missional encounter with post Christian peoples Come explore the story of the shepherd slave turned shepherd of souls and discover that there is power still in the legacy of Patrick when yoked with the Spirit filled presence and purpose of the risen Christ

Evangelical Calvinism Dr. Myk Habets,Bobby Grow,2017-05-04 Continuing the discussion initiated in volume one volume two of Evangelical Calvinism further articulates the central motifs of this mood within Reformed theology by examining themes having to do with dogmatics and devotion After further clarifying the methodological and dogmatic aspects common to an Evangelical Calvinism the heart of the present volume is an explication of the vicarious ministry of Christ as it is worked out in its diverse theological dimensions The volume offers constructive accounts of various aspects of liturgy sacraments and doxology showing the vitality and lived spirituality of this Christian vision of faith and practice Both advocates and critics of Evangelical Calvinism now have an extended and thorough body of work with which to interact As with volume 1 this volume promises to set the agenda for contemporary and constructive Reformed studies in a way that provides an alternative to neo Calvinism and Westminster Calvinism alike

Thomas F. Torrance's Theology of the Ascension Stavan Narendra John,2025-05-29 The ascension is a crucial doctrine integrally related to the incarnation When it is underemphasized it results in an impoverishment of our theology of Christ the church human beings and eschatology T F Torrance s theology offers a compelling vision and holistic doctrine of the ascension that notwithstanding its flaws deserves a careful and detailed examination Torrance develops a holistic account of the ascension by considering the ontology spatiality and present ministry of the ascended Jesus What results is a theological construction that affirms the ascended body of Christ and understands the Lord to be currently serving as our human representative in a ministry of priestly intercession prophetic declaration and ascended kingship Torrance is able to do this without succumbing to literalism space travel

demythologization metaphorical reading or Pelagianism human effort based sanctification and glorification This book interprets and then develops Torrance s theology of the ascension in critical dialogue with contemporary theological interlocutors

Brimming with God Barbara J. Blodgett,Matthew Floding,2015-08-13 The yearning to be a theologian is widespread Pastors students supervisors and

mentors all wish to think theologically about their ministries but often feel inadequately prepared This book seeks to respond by showcasing a variety of approaches to theological reflection brought to bear upon actual situations in ministry It is written by theological field educators We define theological reflection as reflection upon lived embodied experiences in ministry that seeks to make sense of practice and form reflectors in habits for competent ministry An introductory chapter defines theological reflection as practiced within field education and points readers toward a diversity of approaches Eleven subsequent chapters present two reflections upon the same case each reflection written by a different author and representing a different reflection method The book's significance is as a resource for teaching theological reflection in a range of settings It not only offers a definition of and rationale for theological reflection but models various approaches to it Its use of cases furthermore models the use of case studies in theological education and pastoral practice more widely
