Learn how to design develop and implement good quality education and training programs. *Competent Caregivers* *Competent Children* provides a thorough overview of the design and delivery of effective training and education for practitioners in the field of child and youth care. Some of the leading authorities in the profession including Henry Maier James Anglin and Roy Ferguson combine conceptual approaches with practical guidelines to produce workable strategies that insure the best preparation for caregivers. In this crucial resource for child care professionals chapters focus on the achievements of the child care field thus far and the internal barriers that block its ongoing development. The skills entry level and experienced child care practitioners need and strategies for developing a content and format that will focus on these needs. The models that have been used successfully to deliver programs to child care practitioners in a variety of settings in a broad range of geographic areas. For all who educate and train child care practitioners and for those who employ them as members of a professional staff. *Competent Caregivers* *Competent Children* is a highly valuable book.
