**Jolie Gentil Books 12 to 14 Plus the Prequel** Elaine L. Orr, 2024-09-15 Jolie Gentil Mysteries Books 12 14 and the Prequel Jolie and Scoobie High School Misadventures The Jersey Shore can be fun but then there's the occasional murder Ocean Alley's most curious sleuth Jolie Gentil stays on top of crime but has to use careful judgment so she doesn't mess up life with her great husband and four year old twins Somehow trouble still finds her and from time to time

she enlists friends to help her solve a murder before a killer comes after her Sticky Fingered Books Generally parents don't find bodies in their kids daycare center Leave it to Jolie to be the exception Murder isn't funny but the adults and 4 year old twins bring chuckles as Jolie gets help from Scoobie and friends George and Ramona as she tries to figure out who wanted the daycare director dead And what does it have to do with plans for downtown changes Can development be deadly New Lease on Death People don't usually keel over in the Java Jolt Coffee Shop and Jolie does not often find bodies in vacant houses Jolie didn't think anyone in Ocean Alley's real estate business could be ornerier than cigar chewing Lester Argrow but Buck Brock wins the prize Problem is the prize is death in a vacant house with an old friend of Jolie's as a key suspect Phoning in a Murder The band director hates cell phones in class or on the football field But is that a good reason to kill him Or maybe he's chosen his friends poorly Either way Scoobie's much younger brother is the last person seen on security footage before the band teacher dies Jolie needs to prove he isn't the one who stuck a needle in the man's neck Jolie and Scoobie High School Misadventures Sixteen year old Jolie is furious to be duped She gets dropped off at Aunt Madge's Cozy Corner B B not for a fun weekend but for her junior year of high school while her parents work things out in their marriage She feels like an outsider but does make friends with Scoobie a kid who seems to be always on his own To make money she babysits Who knew taking care of kids could be dangerous Review My favorite part of this series is following the arc of characters whose lives feel authentic Babies and seniors recovering alcoholics and vets with PTSD and everything else we all see in our communities These topics are treated as the part of life which they are and rather than detract from the story they enrich it Amazon Review

**Margaret Wise Brown's Experimental Art** Julia Pond, 2024-09-25 In this study the engaging art created by children's author Margaret Wise Brown receives the critical attention it deserves as a lasting contribution to American children's literature Through analysis of her dozens of titles published during the height of western Modernism this scholarly text shares Brown's importance and impact from the perspective of Brown's work rather than biographically Moving beyond such popular titles as Goodnight Moon and The Runaway Bunny into deeper cuts reveals how Brown's oeuvre bridges multiple disciplines including writing visual art philosophy and music Her projects successfully experiment with artistic collaboration and synesthesia as a natural expression for a child readership while both contributing to and reflecting high Modernism amidst the two World Wars The quality of Brown's writing and the maturity of her themes reveal respect for her child audience and recommend her work to the generations of readers who followed her early death As this book demonstrates Margaret Wise Brown remains one of the truly great authors of children's literature [Whitaker's Books in Print](#), 1998
