## **Red Highway:**

Red Highway Loren D. Estleman, 2016-05-17 During the Great Depression a ruthless killer breaks out of prison to reclaim his status as Public Enemy Number One in this chilling action packed novel Before Dillinger before Bonnie and Clyde there was Virgil Ballard the most ruthless killer the United States has ever seen Ballard gets his start in the early 1920s hijacking liquor trucks and selling the bootlegged hooch He has a youthful face and the eyes of a killer and it isn't long before he baptizes himself in another man's blood The state gives him a life sentence but no jail can hold Ballard When he busts out of prison he knows he has a date with death but how many coppers can he take out along the way Inspired by the author's love of 1930s gangster movies Loren D Estleman's debut thriller surges with the narrative energy and crackling dialogue that would become hallmarks of his numerous acclaimed and award winning hard boiled crime novels The Red Highway Nicolas Rothwell, 2010-11 Nicolas Rothwell embarks on an inner journey while travelling through an amazing part of the world After a spell reporting the Iraq War Rothwell returns to Australia's north Drifting and displaced he starts to explore the deserts and towns of the north **Red Highways** Rose Aguilar, 2016-01-08 Tired of speaking to like minded people San Francisco blogger and radio journalist Rose Aguilar quit her job bought a Toyota van picked up her boyfriend and took off on a six month road trip through southern and mountain states There she interviewed a wide array of people who rarely if ever appear in the national media They include a former Republican evangelical pastor who now preaches inclusion in Tulsa anti war pro choice and green Republicans and a Montana hunter planning to leave his job as a conservationist to fight for gay rights This political travelogue challenges stereotypes and goes far beyond the sound bites and statistics to reveal what red state voters really care about and what they expect from their political leaders As Aguilar writes in the first chapter We breathe the same air we live under the same political system we've probably seen the same television and news shows and most of us grew up going to public schools yet because we might vote differently once every four years we find ourselves stereotyped in the national media and separated by red and blue borders Red Highways is a riveting examination of what matters most in the heartland what makes it tick and what issues get its citizens to vote *Blue Bug, Red Road* Gaines Post, Gaines Post, Jr., 2008 This wonderful narrative by a retired history professor takes us back through the time and space of his ancestors and his own youth Weaving between present and past it offers a unique blend of nostalgia and incisive commentary about the imprint of Americans on the land and on each other Gaines Post Jr shares with us an odyssey that is at once personal and universal James McPherson Emeritus Professor of History Princeton University and author of *Battle Cry of Freedom* On a solo trip in 2002 Gaines Post Jr drives his 1966 Volkswagen Bug from California to Wisconsin and back traveling so slowly that the land and its history seep into his bones Crossing old trails kindles his imagination of the westward expansion that attracted his ancestors and shaped America's national character In South Dakota he visits Red Cloud's grave and hears the great Lakota leader whisper that Post is not at the end of his path While working cattle on a

Wyoming ranch Post recalls his grandfather born during Red Cloud's War Part travelogue part memoir and overflowing with history's natural wonder Blue Bug Red Road speaks to those with a wandering spirit searching for quiet layers of time and memory within the American landscape *The Good Red Road* Kenneth Lincoln, 1997-01-01 In 1975 Kenneth Lincoln went on the road with his small daughter and four students traveling from Los Angeles through Arizona New Mexico Nebraska and the Dakotas searching for the essence of the Indian experience in modern America His gritty but poetic account of this trip explores the challenges facing native peoples The Good Red Road captures the tension between Indians and whites reveals the continuing importance of religion among the Lakotas and depicts the differences among Indians Finally the book is a journey of self discovery by Lincoln and his students one of them coauthor Al Logan Slagle a Cherokee Indian and later an advocate for Indian rights

**The Wine Red Road** Jim Perkins, 2012-04 When is a burning vehicle at the bottom of a ravine not a traffic accident but an attempt to cover up a murder When the vehicle involved has been pushed into the ravine and the crispy critter who was the driver of the vehicle is discovered to have a gunshot hole in her head And why are officers of the California Highway Patrol prime suspects in the murder Only a jilted wife really knows the answer

**Blood Red Road** Moira Young, 2011-06-07 The book that will blow you away has a dazzling new look in paperback Saba has spent her whole life in Silverlake a dried up wasteland ravaged by constant sandstorms The Wrecker civilization has long been destroyed leaving only landfills for Saba and her family to scavenge from That's fine by her as long as her beloved twin brother Lugh is around But when four cloaked horsemen capture Lugh Saba's world is shattered and she embarks on a quest to get him back Suddenly thrown into the lawless ugly reality of the outside world Saba discovers she is a fierce fighter an unbeatable survivor and a cunning opponent Teamed up with a handsome daredevil named Jack and a gang of girl revolutionaries called the Free Hawks Saba's unrelenting search for Lugh stages a showdown that will change the course of her own civilization Blood Red Road has a searing pace a poetic writing style and an epic love story making Moira Young is one of the most exciting new voices in teen fiction

*The Fast Red Road* Stephen Graham Jones, 2000 The Fast Red Road A Plainsong is a novel which plunders in a gleeful two fisted fashion the myth and pop culture surrounding the American Indian It is a story fueled on pot fumes and blues borrowing and distorting the rigid conventions of the traditional western Indians cowboys and outlaws are as interchangeable as their outfits men strike poses from Gunsmoke and horses are traded for Trans Ams Pidgin the half blood protagonist inhabits a world of illusion of aliens ghosts telekinesis and water pistol violence where television offers redemption and the Indian always gets it up the ass Having escaped the porn factories of Utah Pidgin heads for Clovis NM to bury his father Cline But the body is stolen at the funeral and Pidgin must recover it With the aid of car thief Charlie Ward he crisscrosses a wasted New Mexico straying through bars junkyards and rodeos evading the cops and tearing through barriers Dukestyle Charlie Ward slid his thin leather belt from his jeans and held it out the window whipping the cutlass faster faster his dyed black hair unbraiding in the fifty mile per hour wind and they never stopped for gas Along the way

Pidgin escapes a giant coyote survives a showdown with Custer and encounters the remnants of the Goliard Tribe a group of radicals to which Cline belonged Pidgin's search allows him to reconcile the death of his father with five hundred years of colonial myth making and will eventually place him in a position to rewrite history Jones tells his tale in lean poetic prose He paints a bleak fever burnt west a land of strip joints strip malls and all you can eat beef fed beef stalls where the inhabitants speak a raw disposable lingo His vision is dark yet frighteningly recognizable In the tradition of Gerald Vizenor's Griever *The Fast Red Road* A Plainsong blazes a trail through the puppets and mirrors of myth meeting the unexpected at every turn and proving that the past the texture of the road can and must be changed **Along the Red Road** John
