RED SAILS IN THE SUNSET

- JIMMY KENNEDY/HUGH WILLIAMS (WILL GROSZ)

VERSE

'Twas down where fish-er fold gath-er, I
Red sails, the night breeze is blow-ing, and
was - der'd far from the thron'g moon I heard a fish-er girl
clouds are hid-ing the no bright stars are
sing-ing and it this means re-frain was her song:
the storm's com-ing soon: }

CHORUS (MED.)

Red sails in the sun-set way out on the sea.
Oh, car-ry my loved one home safe-ly to me.
We sailed at the dawn-ing, all day I've been blue.
Red sails in the sun-set I'm trust-ing in you.
Swift wings you must bor-row, make straight for the shore.

Red Sails No Sunset:

Red Sails, No Sunset Lindsay Wright,1993 *Engelbert - What's In A Name?* Engelbert Humperdinck,2012-05-10 The man known simply as Enge by his millions of fans worldwide has sold over 150 million records and is in the Guinness Book of Records for achieving 56 consecutive weeks in the chart with Release Me From living on the dole and receiving last rites with tuberculosis to buying a Hollywood palace with a heart shaped pool and a fleet of fourteen Rolls Royces Engelbert wears his King of Romance crown so well that horticulturists even named a rose after him And the love god has certainly lived up to his reputation indulging in a string of affairs and one night stands whilst remaining happily married to his first love Patricia Forty years on from his early hits Enge is still at the very top selling out concerts across the world representing the UK at the 2012 Eurovision Song Contest and topping the charts in all the major markets Inspired by the warmth of his millions of affectionate fans and the endless support of his wife Engelbert shares his incredible life story with openness humour and astonishing honesty **Sing Out! -- All Time and Old Time Favourites** ,1997-07 In 1970 the Ontario government prepared a book of All Time and Old Time Favourites to be available to all Senior Citezen Homes Clubs and Centers and adult Charitable Institutions for use by the members residents auxiliaries and staff But these contained only the words In 1973 the Markhaven Committe produced a music book to go along with the word The songs are pitched a little lower in a key that is easier for seniors to sing and tha arrangements are simple enough for most pianists to be able to sit down and play **Sky Hawk** Gerit L. Fenega,2014-03-13 This book is a firsthand account of the Vietnam conflict as it unfolded before a midlevel career military officer In a first person account it does not portend to be a microcosm of that war but rather what it was like for one year at one place to participate and ultimately lead an attack squadron in combat This an upbeat anecdote filled historically accurate but nonscholarly tale of events seen or taken part in by the author The book aims for a wide audience that likes aviation adventure and insight into leadership It forcefully brings home the lessons we as a country should learn from such turmoil This is no memoir to justify the action or inaction of a midlevel manager but a month by month account of controlled mayhem and high humor among professionals in the maelstrom of battle **A Time of Transition** Paul Glen,2014 A professional man in his 50 s and in a 2d career is sent to a former communist country to help it make the transition to free market management In the country he is requested to teach businessmen with the help of Gabriela a skilled translator Gradually they become very close and together enjoy many pleasant adventures but complications of family and distance interfere with their relationship **The Man Who Wrote the Teddy Bears' Picnic** J. J. Kennedy,2011-11-04 A first biography of one of Britain s leading lyric songwriters The Man Who Wrote The Teddy Bears Picnic tells the story of Irish born Jimmy Kennedy one of the last and arguably the finest of the professional Tin Pan Alley songwriters of the pre Beatles golden age of popular song A fascinating insight into the life of a man who rose from small town beginnings to become for fifty years the lyrical and musical power behind some of the twentieth centurys top popular song entertainers

from the days of Variety right up to The Beatles era Jimmy had something like 30 No 1 hits to his credit worldwide but is little known outside of music business circles The book written by his younger son ex journalist J J Kennedy sets out to remedy this omission and celebrates his contribution to the genre Though his romantic ballads like Red Sails in the Sunset continue to be played all round the world Jimmy is possibly best remembered today for the Cokey Cokey which he adapted from a Canadian folk song in 1943 and The Teddy Bears Picnic which gave magical childrens words to an old American tune Well written and easy to read the book serves as an excellent historical record of pop and is full of facts observations and authoritative comment on the cut and thrust village that was Tin Pan Alley It captures the bustle of the place and its almost industrial approach to song creation It paints a colourful picture of some of the leading characters of the period and exposes the double dealing greed and downright exploitation prevalent in that world But the book also creates a romantic mysticism around the characters who dashed around in Denmark street peddling their talent so often in vain It transports you to smoky little rooms with music coming from every corridor and it tells the story in black and white like an old Hollywood movie Swimming among all these sharks is the unlikely figure of Jimmy Kennedy dapper and charming modest and artistically fine tuned yet steely resilient and highly commercial A man who could spot the financial worth of his work write to order sometimes in lightning quick time and stand his ground when he knew he had a hit He was in fact a one man hit machine But it wasn't always one man and the book illuminates the winning partnerships with Michael Carr Will Grosz et al One of the key strengths of the book is its nostalgia appeal and has some wonderful anecdotes including recollections from Terry Wogan Val Doonican and others and non musical people such as Denis and Margaret Thatcher All in all a very intelligent book and one which will become a work of reference for anyone studying the popular music art form of the twentieth century Billboard, 1951-04-07 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Yachting Escapes: The Caribbean, **Weekly World News**, 1981-06-23 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site Noose Bill James, 2013-12-01 James who may be one of Britain's most underrated crime fiction writers produces a shocker packed with menace and very black humor Booklist starred review Britain 1956 A young actress seemingly tries to commit suicide over a tangled love affair but is taken to the hospital and her life saved The story is just the sort of thing that journalist Ian Charteris likes to cover a poignant mix of near tragedy possible thwarted romance and glamour needing sensitive but of course dramatic treatment It should be a routine assignment a welcomed assignment It would be if it weren't for the identity of the young woman She may just may be Ian's sister The unwelcomed reminder of the past drags Ian back into memories of places and events he'd rather forget As far as

Ian is concerned the past is a foreign country And not just foreign Fundamentally and cantankerously hostile Vengeful war torn dangerous It is impossible to escape the past the noose is already around Ian s neck and every step he takes tightens it And this is not the only noose James spins an effective psychological tale of a man whose past shapes his future Publishers Weekly **History Plays** Charles Mee,2018-03-05 sheer subversive bravado The New York Times Here are six enthusiastically received history plays by Charles Mee The Life of George Washington Full Circle The War to End War Vienna Lusthaus Gone and Requiem for the Dead The War to End War is engrossing as it spins its arguments brilliant even in its detours and diversions When the lights came back up it was clear Mee had blown the collective mind of the audience By sheer force of intellect and provocation he had violated nearly all rules of theater making and playwriting in an evening that was never boring If there were more smart theater like this more smart people would go to see theater theater2k com The titillating eeriness of impending doom is exploited so gorgeously in Vienna Lusthaus that you can understand how civilizations become complicit in their own demise A seamless amalgam of dance music and drama is set before World War I in Vienna where Freud and Hitler overlapped which it presents in a delicately surreal fashion as a hothouse of sensuality and incipient Nazism The New York Times Through the ages the tale of the judgment of the chalk circle has been told many times by many authors but never ever not once in a blue moon has it been told with the abundant imagination and affirmation of Charles Mee s Full Circle at Steppenwolf Theatre This is as its final stage picture so beautifully shows a play of hope one that believes some good may someday come from our turbulent times Rarely has that hope been expressed with such passion such strength such joy Chicago Tribune Elektra's Adventures in Tragedy Douglas Rees,2018-05-08 Funny and smart with all the angst and sass of adolescence and a colorful cast of characters this is a refreshing contemporary coming of age YA about one Greek American girl s odyssey home Sixteen year old Elektra Kamenides is well on her way to becoming a proper southern belle in the small Mississippi college town she calls home That is until her mother decides to uproot her and her kid sister Thalia and start over in California They leave behind Elektra s father a professor and leading expert on Greek mythology and Elektra can t understand why For her life is tragedy and all signs point to her family being cursed Their journey ends in Guadalupe Slough a community of old Chicano families and oddball drifters sandwiched between San Jos nd the southern shores of San Francisco Bay The houseboat that her mother has bought sight unseen is really just an ancient trailer parked on a barge and sunk into a mudflat What would Odysseus do Elektra asks herself Determined to get back to Mississippi at all costs she ll beg lie and steal to get there But things are not always what they seem and home is wherever you decide to make it **The Unreleased Beatles** Richie Unterberger,2006 A survey of the significant body of recorded works by the Beatles that were not released includes discussions on an array of live concert performances home demo recordings studio outtakes and more in a chronologically arranged volume that includes coverage of unreleased video footage Original Myra Carrol Noel Streatfeild,2018-09-06 Myra Carrol has it all beauty kindness and a loving marriage

Jasper Johns Catherine Craft, 2012-05-08 At a time when the dominant mode of painting Abstract Expressionism emphasised expressive drama through bold brushwork and largely abstract compositions Johns' paintings of the American flag targets numbers and the alphabet demonstrated a decided departure from convention Despite being painted with obvious care they seemed emotionally reticent cool and quiet far from the emotional fireworks then fashionable It all began

with my painting a picture of an American flag Using this design took care of a great deal for me because I didn't have to design it So I went on to similar things like the targets things the mind already knows That gave me room to work on other levels For instance I've always thought of painting as a surface painting it in one color made this very clear Then I decided that looking at a painting should not require a special kind of focus like going to church A picture ought to be looked at the same way you look at a radiator Unlike most artists statements in New York during the 1950s Johns remarks contained none of the familiar talk of doubt and angst and his selection of subject matter appeared deliberate thoughtful and far removed from emotional attachments and desires To younger artists his art seemed not so much cold and unfeeling as clear eyed and honest after the excesses of Abstract Expressionism Furthermore in selecting recognisable subjects Johns seemed to reject prevailing abstract modes of painting yet his subjects themselves flags targets numbers each possessed a vital characteristic of classic abstraction namely a flatness rendering them all but indistinguishable from the picture plane itself This book underlines how Johns's work made the polarity between abstraction and representation that had dominated debates about modern art for decades seem suddenly obsolete opening up other ways of thinking about art's relation to the world It also tries to understand why since his first exhibition at the Leo Castelli Gallery at the age of twenty seven he has remained one of the major artists of the contemporary artistic scene
