forgotten or never known Among radio personalities and television entertainers almost nobody had a career as long or storied as Red Skelton one of America's foremost comedians during the 20th century Over the course of 70 years Skelton made crowds laugh from vaudeville to performing as a clown and while he is best known for The Red Skelton Show and his other variety shows he also managed a 45 year stage career as a pantomime or one of the other characters he created over the years Although Skelton was extremely popular in America at the peak of his career his entertainment was also a throwback to the early 20th century which compelled television studios to balk at the notion of continuing to air his shows by 1970 even though his shows had spent almost two straight decades with Top 10 ratings on the air Understandably bitter Skelton refused to have his shows in syndication until the 1980s and by then the same concerns about his appeal to younger crowds had only gotten worse as he and his show had aged Skelton is still best remembered for his performances and his television career but he was also a noted artist who fittingly excelled at depicting clowns on canvas Despite the seemingly silly content of his work Skelton's skills as an artist were so impressive that he made millions of dollars a year selling his art and having it displayed By the time he died in 1997 it's estimated that he may have made more money through art than through performing American Legends The Life of Red Skelton chronicles the life and career of one of America's most beloved comedians Along with pictures of important people places and events you will learn about Red Skelton like never before in no time at all **A Legacy of Laughter** Red Skelton Museum of American Comedy, 2019 *Red Skelton*, 1996 First tape follows Red's meteoric career from vaudeville hit to movie star and top TV comedian Second tape Red plays bumbling Rusty Morgan a hapless fellow who makes the perfect victim for a couple con men who swindle him out of his money
