Red Storm on the Reich Duffy Christopher Staff, [Hitler's war in the East, 1941-1945](#) Rolf-Dieter Müller, 2009 [The Wehrmacht's Last Stand](#) Robert M. Citino, 2020-07-09 By 1943 the war was lost and most German officers knew it Three quarters of a century later the question persists What kept the German army going in an increasingly hopeless situation Where some historians have found explanations in the power of Hitler or the role of ideology Robert M Citino the world's leading scholar on the subject posits a more straightforward solution *Bewegungskrieg* the way of war cultivated by the Germans over the course of history In this gripping account of German military campaigns during the final phase of World War II Citino charts the inevitable path by which *Bewegungskrieg* or a war of movement inexorably led to Nazi Germany's defeat The Wehrmacht's Last Stand analyzes the German Totenritt or death ride from January 1944 with simultaneous Allied offensives at Anzio and Ukraine until May 1945 the collapse of the Wehrmacht in the field and the Soviet storming of Berlin In clear and compelling prose and bringing extensive reading of the German language literature to bear Citino focuses on the German view of these campaigns Often very different from the Allied perspective this approach allows for a more nuanced and far reaching understanding of the last battles of the Wehrmacht than any now available With Citino's previous volumes *Death of the Wehrmacht* and *The Wehrmacht Retreats* The Wehrmacht's Last Stand completes a uniquely comprehensive picture of the

Albert Speer s assertions of ignorance of the Final Solution and claims to being the good Nazi Kirkus Reviews In his bestselling autobiography Albert Speer Minister of Armaments and chief architect of Nazi Germany repeatedly insisted he knew nothing of the genocidal crimes of Hitler s Third Reich In this revealing new biography author Martin Kitchen disputes Speer s lifelong assertions of ignorance and innocence portraying a far darker figure who was deeply implicated in the appalling crimes committed by the regime he served so well Kitchen reconstructs Speer s life with what we now know including information from valuable new sources that have come to light only in recent years The result is the first truly serious accounting of the man his beliefs and his actions during one of the darkest epochs in modern history not only countering Speer s claims of non culpability but also disputing the commonly held misconception that it was his unique genius alone that kept the German military armed and fighting long after its defeat was inevitable A devastating portrait of an empty narcissistic and compulsively ambitious personality The Wall Street Journal Kitchen s exhaustively researched detailed book nails one by one the lies of the man who provided a thick coat of whitewash to millions of old Nazis Its fascinating account of how the moral degradation of the chaotic Nazi regime corrupted an entire nation is a timely warning for today Daily Mail Book of the Month An excellent new biography Kitchen has taken a wrecking ball to Speer s mendacious and meticulously created self image And about time too History Today Le Mythe Du Sale Boche Benton L.

Bradberry, 2018-07-17 Comme l indique le titre Le mythe du sale boche les Allemands ne sont pas les ultimes vilains de l histoire Ils ne sont pas non plus comme le veut la version officielle les saboteurs de la paix europ enne et la cause des deux

Guerres mondiales du siècle dernier Les atrocités qu'ils auraient soi-disant perpétrées durant ces conflits armés furent inventées de toute pièce par la propagande alliée afin d'obtenir l'appui de l'opinion publique La propagande de la Shoah qui est apparue après la Seconde Guerre mondiale a par ailleurs grandement contribué à consolider cette haine du sale boche Mais cette version officielle de l'histoire est elle-même vridique L'Allemagne est elle-même l'incarnation du mal absolu Dans ce livre l'auteur brosse un tableau différent Il explique en effet que l'Allemagne n'était la cause ni de la Première ni de la Seconde Guerre mondiale mais dans les deux cas la victime de l'agression des alliés L'instabilité engendrée par la guerre 14-18 a permis la révolution bolchevique russe de 1917 d'éclater ce qui a apporté au monde le communisme Or Hitler et l'Allemagne ont tout de suite compris que le communisme international de sa base en Union soviétique était une menace existentielle non seulement pour l'Occident mais pour toute la civilisation chrétienne L'Allemagne hitlérienne a dès lors amorcé une lutte mort contre cette idéologie sanguinaire Loin d'être le saboteur de la paix européenne l'Allemagne en s'engageant en rempart a donc empêché la révolution bolchevique de s'étendre toute l'Europe Il est dommage que les alliés n'aient pas vu la Russie communiste sous le même jour que l'Allemagne Cette alliance entre les pays occidentaux et le communisme a eu des conséquences désastreuses sur la civilisation occidentale chrétienne L'auteur se dit convaincu que la France la Grande Bretagne et les États-Unis se sont battus du mauvais côté

The Myth of German Villainy Benton L. Bradberry, 2012-07 As the title *The Myth of German Villainy* indicates this book is about the mischaracterization of Germany as history's ultimate villain The official story of Western Civilization in the twentieth century casts Germany as the disturber of the peace in Europe and the cause of both World War I and World War II though the facts don't bear that out During both wars fantastic atrocity stories were invented by Allied propaganda to create hatred of the German people for the purpose of bringing public opinion around to support the wars The Holocaust propaganda which emerged after World War II further solidified this image of Germany as history's ultimate villain But how true is this official story Was Germany really history's ultimate villain In this book the author paints a different picture He explains that Germany was not the perpetrator of World War I nor World War II but instead was the victim of Allied aggression in both wars The instability wrought by World War I made the 1917 Bolshevik Revolution in Russia possible which brought world Communism into existence Hitler and Germany recognized world Communism with its base in the Soviet Union as an existential threat to Western Christian Civilization and he dedicated himself and Germany to a death struggle against it Far from being the disturber of European peace Germany served as a bulwark which prevented Communist revolution from sweeping over Europe The pity was that the United States and Britain did not see Communist Russia in the same light ultimately with disastrous consequences for Western Civilization The author believes that Britain and the United States joined the wrong side in the war

Slaughter on the Eastern Front Anthony Tucker-Jones, 2017-05-01 In the summer of 1941 a collective madness overtook Adolf Hitler and his senior generals They convinced themselves that they could take on and defeat a superpower in the making the Soviet Union Foolishly they thought

in a swift campaign they could smash the Red Army and force Stalin to sue for peace despite dire warnings that Stalin was amassing a reserve army of more than 1 million men on the Volga The end result would be such carnage that it would tear the German forces apart In his major reassessment of the war on the Eastern Front Anthony Tucker Jones casts new light on the brutal fighting including such astounding German defeats as at Stalingrad Kursk Minsk and finally Berlin He controversially contends that from the very start intelligence officers on both sides failed to influence their leadership resulting in untold slaughter He also reveals the shocking blunders by Hitler Stalin and even Churchill that led to the appalling needless destruction of Hitler s armed forces as early as the winter of 1941 42 Step by step Tucker Jones describes how the German war machine fought to its very last against a relentless enemy fully aware that defeat was inevitable

The Siege of Kustrin, 1945 Tony Le Tissier, 2009-07-15 The acclaimed WWII historian and author of *Race to the Reichstag* vividly chronicles the preliminary battle that opened the Red Army s path to Berlin In January of 1945 the arrival of Soviet troops at the garrison town of Kustrin came as a tremendous shock to the German High Command The Soviets were now only fifty miles from Berlin itself Before they could advance on the capital the Red Army needed the vital road and rail bridges passing through Kustrin A combination of flooding and strategic blunders resulted in a sixty day siege by two Soviet armies which totally destroyed the town The delay in the Soviet advance gave the Germans time to consolidate the defenses shielding Berlin Despite Hitler s orders to fight to the last bullet the Kustrin garrison commander and a thousand defenders managed a dramatic break out to the German lines The protracted siege had an appalling human cost with thousands of lives lost on both sides and many more wounded With painstaking research and eyewitness testimony Tony Le Tissier bring the story of the siege to life
