Retrieving Womens History Changing Perceptions Of The Role Of Women In Politics And Society:

Retrieving Women's History S. Jay Kleinberg, 1988 **Retrieving Women's History** Unesco, 1988 This volume investigates the role played by women in ancient more recent and contemporary history and demonstrates that taking into account the activities of women radically alters the perspectives of historians **Retrieving Women's History** S. J. Kleinberg, 1992-08-26 This volume investigates the role played by women in ancient more recent and contemporary history and demonstrates that taking into account the activities of women radically alters the perspectives of historians **Writing Women's History** Karen M. Offen, Ruth Roach Pierson, Jane Rendall, 1991-08-23 Five essays address such themes as the relationship between feminist history and women's history the use of the concept of experience the development of the history of gender demographic history and women's history and the importance of post structuralism to women's history

Discovering Women's History Deirdre Beddoe, 2018-10-08 The highly practical guide introduces the reader to the main areas of British women's history education work family life sexuality and politics After an introduction to each topic detailed commentary is provided on a range of primary source material together with advice on further reading For the new edition the author has written a brand new chapter on how to choose a dissertation subject and the pitfalls to avoid **Gender, Genre, and Victorian Historical Writing** Rohan Amanda Maitzen, 2013-10-28 First published in 1999 and Middlemarch and of a range of nineteenth century historical works including works by and about women that are discussed extensively here for the first time The blurring of boundaries between historical and fictional narratives stimulated by the enormous success of Walter Scott's novels and the development of social history are shown to have been key factors in an uneven controversial but persistent feminization of history the first because of the longstanding association of novels with women the second because social history focuses on the private sphere traditionally women's domain Along with the appearance of numerous historical texts written by women and taking women as their subjects these developments challenged conventional beliefs about historical authority and relevance that had long relegated women to the margins both literally and metaphorically In its exploration of these changes and their implications Gender and Victorian Historical Writing revises standard assumptions about Victorian ideas of history finding an awareness of and experimentation with gender and genre that prefigure theoretical and scholarly concerns in contemporary women's history **The Wolf King** Abigail Krasner Balbale, 2023-01-15 Winner of the Wallace K Ferguson Prize Winner of the Dionisius A Agius Book Prize The Wolf King explores how political power was conceptualized constructed and wielded in twelfth century al Andalus focusing on the eventful reign of Muhammad ibn Sad ibn Ahmad ibn Mardan sh r 1147 1172 Celebrated in Castilian and Latin sources as el rey lobo rex lupus and denigrated by Almohad and later Arabic sources as irreligious and disloyal to fellow Muslims because he fought the Almohads and served as vassal to the Castilians Ibn Mardan sh ruled a kingdom that at its peak constituted nearly half of al Andalus and served as an important buffer between the Almohads and the Christian kingdoms of Castile and

Aragon Through a close examination of contemporary sources across the region Abigail Krasner Balbale shows that Ibn Mardan sh s short lived dynasty was actually an attempt to integrate al Andalus more closely with the Islamic East particularly the Abbasid caliphate At stake in his battles against the Almohads was the very idea of the caliphate in this period as well as who could define righteous religious authority The Wolf King makes effective use of chronicles chancery documents poetry architecture coinage and artifacts to uncover how Ibn Mardan sh adapted language and cultural forms from around the Islamic world to assert and consolidate power and then tracks how these strategies and the memory of Ibn Mardan sh more generally influenced expressions of kingship in subsequent periods Open access edition funded by the National Endowment for the Humanities [A Concise Companion to Feminist Theory](#) Mary Eagleton,2008-04-15 The Concise Companion to Feminist Theory introduces readers to the broad scope of feminist theory over the last 35 years Introduces readers to the broad scope of feminist theory over the past 35 years Guides students along the cutting edge of current feminist theory Suitable for students and scholars of all fields touched by feminist thought Covers an exceptionally broad range of disciplines discourses and feminist positions Organised around concepts rather than schools of feminism

Women Workers and Technological Change in Europe in the Nineteenth and Twentieth Centuries Gertjan de Groot,Marlou Schrover,1995 The author examines the relationship between home and work and the construction of gender equality and discusses the key roles of women in the sphere of the home wife mother worker showing how the role identity of wife dominates and affects the other two roles *Women Workers And Technological Change In Europe In The Nineteenth And twentieth century* Gertjan De Groot,Marlou Schrover,2005-08-05 From the traditional stereotyped viewpoint femininity and technology clash This negative association between women and technology is one of the features of the sex typing of jobs Men are seen as technically competent and creative women are seen as incompetent suited only to work with machines that have been made and maintained by men Men identify themselves with technology and technology is identified with masculinity The relationship between technology technological change and women s work is however very complex Through studies examining technological change and the sexual division of labour this book traces the origins of the segregation between women s work and men s work and sheds light on the complicated relationship between work and technology Drawing on research from a number of European countries England Sweden Denmark and the Netherlands international contributors present detailed studies on women s work spanning two centuries The chapters deal with a variety of work environments office work textiles and pottery food production civil service and cotton and wool industries This work rejects the idea that women were mainly employed as unskilled labour in the industrial revolutions asserting that skill was required from the women but that both the historical record about women s work and the social construction of the concept of skill have denied this **Historical Dictionary of Women in Sub-Saharan Africa** Kathleen Sheldon,2016-03-04 African women s history is a vast topic that embraces a wide variety of societies in over 50 countries with different geographies

social customs religions and historical situations Africa is a predominantly agricultural continent and a major factor in African agriculture is the central role of women as farmers It is estimated that between 65 and 80 percent of African women are engaged in cultivating food for their families and in the past that percentage was likely even higher Thus one common thread across much of the continent is women s daily work in their family plot This second edition of Historical Dictionary of Women in Sub Saharan Africa contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on individual African women in history politics religion and the arts on important events organizations and publications and on topics important to women in general marriage fertility employment and to African women in particular market women child marriage queen mothers This book is an excellent access point for students researchers and anyone wanting to know more about the Women in Africa

Travelling Theory and Women's Movements in Turkey Demet Gulcicek, 2023-12-15 Drawing on archival research Travelling Theory and Women s Movements in Turkey examines the imagination of Europe in the context of women s rights movements in a self defined non European setting It brings travelling theory poststructuralist feminist theories and orientalist studies together to provide an original theoretical framework for understanding the complex and often contradictory imaginations of Europe Such imaginations can be an object of desire fantasy hate and hostility in a non European context This volume sheds light on the manner in which local power dynamics are reproduced negotiated and subverted during the travel of women s and feminist movements With a focus on the late Ottoman Empire the book questions how Other positions can be inhabited by the Self and unpacks sexual and normative dimensions of demanding women s rights in this context As such it will appeal to scholars of sociology cultural studies and gender studies with interests in feminist theory and notions of European and non European categories

From the Field to the Legislature Eugenia O'Neal, 2001-03-30 Women of the Virgin Islands From the Field to the Legislature recognizes and restores women to their central role in the history of the Virgin Islands by examining their lives from the earliest days of the colony s settlement Constrained by their sex race and colonized status women nevertheless led lives of ordinary heroism which ensured the territory s economic social and cultural survival In this comprehensive history of women in one of the world s last British colonies O Neal shows how women continue to define and redefine themselves and their roles in both their public and private lives even as the colony itself undergoes its own transformation As the twenty first century begins this book takes a look back at the role colonialism played in the twentieth century in furthering male political leadership and patriarchal norms While party politics might have had the potential to advance women s political careers O Neal concludes they have largely failed to do so despite the advances women have made Beginning in the late 1600s when the islands were first colonized by the British O Neal examines the growth of slavery and shows how women exercised leadership roles in their community while preserving some of the traditions of their native Africa She moves on to discuss the shaping of women s roles after the abolition of slavery and the struggles women faced as

a result Moving into the twentieth century the book takes a look at women in the economy society government education and even in the family and explores how roles have grown and changed even as the islands themselves continue to be transformed O Neal shows that while patriarchal attitudes were strengthened women still found their way into the public arena albeit with difficulty influencing all areas of social policy This book represents a truly original and enlightening addition to the literature on the Virgin Islands and Caribbean history

The Armenian Women's Movement in the Late Ottoman Empire Hasmik Khalapyan, 2025-01-09 The last decades of the Ottoman Empire saw heated debates about and changes to the role of women in society This book analyses the history of the women's movement among Ottoman Armenians Examining debates on the role of women in the Armenian context Armenian women's access to education work and marriage rights it reveals how women were empowered by nationalist discourses and the wider movement for reform in the empire and the ways these limited or broadened women's activism Drawing from a wide array of archival primary source material it provides a comprehensive and comparative analysis of changes to the socio-economic political cultural status of Ottoman Armenian women from end of the Tanzimat period to the outbreak of World War I

The Victorian Studies Reader Kelly Boyd, Rohan McWilliam, 2024-11-01 Selected as an Outstanding Academic Title in the 2008 CHOICE awards The Victorian Studies Reader gathers together in one volume some of the key pieces on Victorian history society and culture The book draws on new trends in looking at the Victorian Age and includes sections on periodization politics consumerism intellectual life sexuality empire The Victorian Studies Reader is a rich resource essential for all those studying this important period of history

Ideals, Images, and Real Lives Alice Thorner, Maithreyi Krishna Raj, 2000 Women studies as a distinct field emerged in India in the mid seventies But preoccupation with the position of women dates back to more than a century and a half By the use of methods of history literary criticism and analysis of discourse this volume seeks not only to illustrate the broadening of the sphere of women studies in India in recent years but also to point to the need for relating ideas about women and gender relations to the social and economic forces that shape history

Re-Presenting Feminist Methodologies Kalpana Kannabiran, Padmini Swaminathan, 2017-03-16 This book tracks the trajectory of gender in the social sciences and humanities through an exploration of the challenges and contradictions that confront contemporary feminist analysis as well as future directions Drawing on research in India the essays in the volume engage with the subject in imaginative ways each one going beyond documenting the persistence of gender inequality instead raising new questions and dilemmas while unravelling the complexities of the terrain They also interrogate extant knowledge that has constructed women as agentless over the years incapable of contesting or transforming social orders by taking a close look at gendered decision making processes and outcomes sex for pleasure health care practices content and context of formal schooling or the developmental state that mainstreams gender Do existing feminist methodologies enable the understanding of emerging themes as online sexual politics transnational surrogacy or masculinist anti feminist sensibilities The feminist methodologies

delineated here will provide readers with a toolkit to assess the criticality of gender as well as its nuances The work foregrounds the importance of intersectionality and builds a case for context specific articulations of gender and societies that destabilize binary universals This volume will be useful to scholars and researchers across the disciplines of the social sciences and humanities especially gender studies women s studies feminism research methodology education sociology political science and public policy

Sexual Politics in Indonesia S. Wieringa, 2002-05-21 This book analyzes the interaction between nationalism feminism and socialism in Indonesia since the beginning of the twentieth century until the New Order State of President Suharto The focus is on the communist women s organization Gerwani which was by 1965 the largest communist women s organization in the non communist world Gerwani members combined feminist demands such as a reform of the marriage law with an insistence upon a political role for women The organization was destroyed in a campaign of sexual slander orchestrated by the military under General Suharto

Hundreds of thousands of people were killed President Sukarno lost his power and General Suharto took over **“I Was the Only Woman”** Sue Hendler, 2017-03-15 I was the only woman These words appear again and again in the stories of women planners working in Canada from the 1940s to the 1970s Despite their small numbers women were active in the Community Planning Association of Canada and the Town Planning Institute of Canada later called the Canadian Institute of Planners during those years This book tells their stories expanding our understanding of what constitutes planning and who counts as planners It challenges us to re evaluate not only the profession s past but also its role in creating a more inclusive and equitable future
