Revenge Of The Aesthetic The Place:

Revenge of the Aesthetic Michael Clark, 2000-07-17 *Revenge of the Aesthetic* stands as a call for further reassessment of the kind of work being done in the field of literary studies and promises to occupy a critical position in ensuing debates over the place of literature in relation to theory Emory Elliott Distinguished Professor of English University of California Riverside In the landscape of theory we have been in the throes of historicism a variety of cultural studies and a variety of marxisms all reading right through the text as if texts were not material but transparent as if they were representations of the social That was their limit *Revenge of the Aesthetic* may well mark the beginning of a revolution against such practices Helen Regueiro Elam Professor of English SUNY Albany *Devil Theatre* Jan Frans van Dijkhuizen, 2007 The so called Devil Theatre is here set against its context of non dramatic texts on possession and exorcism providing many new insights Representations of demonic possession and exorcism rituals abound in English Renaissance drama an area which this book seeks to illuminate by comparison with non dramatic works The author investigates stage images of possession in relation to a range of early modern demonological theological and medical prose texts on the subject looking specifically at how the theatre responded to these texts He argues that the stage appropriated debates over demonic possession to explore the competing roles of the inner life and the body in early modern definitions of selfhood The theatre also employed the contemporary controversy over possession and exorcism to investigate the politics of religion and to consider the nature of monarchic power Moreover because demonic possession cases and exorcism rituals were frequently dismissed by conformist writers as a piece of theatre they offered an opportunity to reflect on the nature of drama and role playing JAN FRANS VAN DIJKHUIZEN is lecturer and research fellow at the University of Leiden *Black Art and Aesthetics* Michael Kelly, Monique Roelofs, 2023-11-30 *Black Art and Aesthetics* comprises essays poems interviews and over 50 images from artists and writers GerShun Avilez Angela Y Davis Thomas F DeFrantz Theaster Gates Aracelis Girmay Jeremy Matthew Glick Deborah Goffe James B Haile III Vijay Iyer Isaac Julien Benjamin Krusling Daphne Lamothe George E Lewis Sarah Elizabeth Lewis Meleko Mokgosi Wangechi Mutu Fumi Okiji Nell Painter Mickaella Perina Kevin Quashie Claudia Rankine Claudia Schmuckli Evie Shockley Paul C Taylor Kara Walker Simone White and Mabel O Wilson The stellar contributors practice Black aesthetics by engaging intersectionally with class queer sexuality female embodiment dance vocabularies coloniality Afrodiasporic music Black post soul art Afropessimism and more Black aesthetics thus restores aesthetics to its full potential by encompassing all forms of sensation and imagination in art culture design everyday life and nature and by creating new ways of reckoning with experience identity and resistance Highlighting wide ranging forms of Black aesthetics across the arts culture and theory *Black Art and Aesthetics* Relationalities Interiorities Reckonings provides an unprecedented view of a field enjoying a global resurgence Black aesthetics materializes in communities of artists activists theorists and others who critique racial inequities create new forms of interiority and relationality uncover affective histories and develop strategies for social justice

Aesthetic Theory Across the Disciplines Max Rynnänen, Zoltán Somhegyi, 2023-11-13 What is aesthetics How is it related to other disciplines The chapters of this book examine the history theoretical conditions and connection points between aesthetics and other disciplines At the same time the authors are also interested in practical clashes of methodology and agenda especially when it is not merely about the securing of the position of one or the other discipline but is used in a dialogical manner as the form of understanding better the nature of both as well as the benefits of their collaboration The authors work on the border of aesthetics and at least one other academic field Through their regular scholarly activities the contributors constantly benefit from cross and interdisciplinary practice and this makes them ideal interpreters of these methodological questions Contributors include Mami Aota Karl Axelsson Paul Duncum Lisa Giombini Oiva Kuisma Jacob Lund Tyrus Miller Max Rynnänen Mateusz Salwa Zoltán Somhegyi Wendy Steiner and Joseph Tanke *Embodying Pragmatism* Wojciech Mąlecki, 2010 *Embodying Pragmatism* is the first monograph in English devoted to Richard Shusterman an internationally renowned philosopher and one of today's most innovative thinkers in pragmatism and aesthetics The book presents a comprehensive account of Shusterman's principal philosophical ideas concerning pragmatism aesthetics and literary theory including such themes as interpretation aesthetic experience popular art and human embodiment culminating in his proposal of a new discipline called somaesthetics As Shusterman's philosophical writings involve a dialogue with both analytic and continental traditions this monograph not only offers a critical vision of contemporary pragmatist thought but also situates Shusterman and pragmatism within the current state of theory **Black Aliveness, or A Poetics of Being** Kevin Quashie, 2021-02-05 In *Black Aliveness or A Poetics of Being* Kevin Quashie imagines a Black world in which one encounters Black being as it is rather than only as it exists in the shadow of anti-Black violence As such he makes a case for Black aliveness even in the face of the persistence of death in Black life and Black study Centrally Quashie theorizes aliveness through the aesthetics of poetry reading poetic inhabitation in Black feminist literary texts by Lucille Clifton Audre Lorde June Jordan Toni Morrison and Evie Shockley among others showing how their philosophical and creative thinking constitutes worldmaking This worldmaking conceptualizes Blackness as capacious relational beyond the normative terms of recognition Blackness as a condition of oneness Reading for poetic aliveness then becomes a means of exploring Black being rather than nonbeing and animates the ethical question how to be In this way Quashie offers a Black feminist philosophy of being which is nothing less than a philosophy of the becoming of the Black world *Literature and Aesthetics*, 2003

Literary Gestures Rocio G Davis, Sue-Im Lee, 2009-08-31 Form as function in Asian American literature **Western American Literature**, 2006 *Ecocritical Aesthetics* Peter Quigley, Scott Slovic, 2018-02-28 This lively collection of essays explores the vital role of beauty in the human experience of place interactions with other species and contemplation of our own embodied lives Devoting attention to themes such as global climate change animal subjectivity environmental justice and activism and human moral responsibility for the environment these contributions demonstrate that beauty is not only a

meaningful dimension of our experience but also a powerful strategy for inspiring cultural transformation Taken as a whole they underscore the ongoing relevance of aesthetics to the ecocritical project and the concern for beauty that motivates effective social and political engagement *Common Places* Svetlana BOYM, Svetlana Boym, 2009-06-30 What is the real Russia What is the relationship between national dreams and kitsch between political and artistic utopia and everyday existence Commonplaces of daily living would be perfect clues for those seeking to understand a culture But all who write big books on Russian life confess their failure to get properly inside Russia to understand its doublespeak Svetlana Boym is a unique guide A member of the last Soviet Generation the Russian equivalent of our Generation X she grew up in Leningrad and has lived in the West for the past thirteen years Her book provides a view of Russia that is historically informed replete with unexpected detail and everywhere stamped with authority Alternating analysis with personal accounts of Russian life Boym conveys the foreignness of Russia and examines its peculiar conceptions of private life and common good of Culture and Trash of sincerity and banality Armed with a Dictionary of Untranslatable Terms we step around Uncle Fedia asleep in the hall surrounded by a puddle of urine and enter the Communal Apartment the central exhibit of the book It is the ruin of the communal utopia and a unique institution of Soviet daily life a model Soviet home and a breeding ground for grassroots informants Here privacy is forbidden here the inhabitants defiantly treasure their bits of domestic trash targets of ideological campaigns for the transformation perestroika of everyday life Against the Russian and Soviet myths of national destiny the trivial the ordinary even the trashy take on a utopian dimension Boym studies Russian culture in a broad sense of the word she ranges from nineteenth and twentieth century intellectual thought to art and popular culture With her we go walking in Moscow and Leningrad eavesdrop on domestic life and discover jokes films and TV programs Boym then reflects on the 1991 coup that marked the end of the Soviet Union and evoked fin de siècle apocalyptic visions The book ends with a poignant reflection on the nature of communal utopia and nostalgia on homesickness and the sickness of being home **Living**

Death in Early Modern Drama James Alsop, 2024-07-31 This book explores historical socio political and metatheatrical readings of a whole host of dying bodies and risen corpses each part of a long tradition of living death on stage Just as zombies ghouls and the undead in modern media often stand in for present day concerns early modern writers frequently imagined living death in complex ways that allowed them to address contemporary anxieties These include fresh bleeding bodies and body parts ghostly Lord Mayors and dying characters who must carefully choose their last words or have those words chosen for them by the living As well as offering fresh interpretations of well known plays such as Middleton's *The Lady's Tragedy* and Webster's *The White Devil* this innovative study also sheds light on less well known works such as the anonymous *The Tragedy of Locrine* Marston's *Antonio's Revenge* and Munday's mayoral pageants *Chruso thriambos* and *Chrysanaleia* The author demonstrates that wherever characters in early modern drama appear to straddle the line between this world and the next it is rarely a simple matter of life and death This book will be of great interest to students scholars

and practitioners in theatre and performance studies and cultural and social studies

Film Moments James Walters, Tom Brown, 2017-10-07 Film is made of moments In its earliest form the cinema was a moment mere seconds recorded and projected into the darkness Even as film has developed into today's complex and intricate medium it is the brief temporary and transitory that combines to create the whole Our memories of films are composed of the moments we deem to be crucial touchstones for our understanding and appreciation Moments matter The 38 specially commissioned essays in Film Moments examine a wide selection of key scenes across a broad spectrum of national cinemas historical periods and genres featuring films by renowned auteurs including Alfred Hitchcock Jean Renoir and Vincente Minnelli and important contemporary directors such as Pedro Costa Zhang Ke Jia and Quentin Tarantino addressing films including City Lights Gone with the Wind The Wizard of Oz The Night of the Hunter Wild Strawberries 8 1 2 Bonnie and Clyde Star Wars Conte d t United 93 and Lord of the Rings Return of the King Film Moments provides both an enlightening introduction for students to the diversity of approaches and concerns in the study of film and a dynamic and vibrant account of key film sequences for anyone interested in enhancing their understanding of cinema

The Storm at Sea Christopher Pye, 2015-03-02 The Storm at Sea Political Aesthetics in the Time of Shakespeare counters a tradition of cultural analysis that judges considerations of aesthetic autonomy in the early modern context to be either anachronistic or an index of political disengagement Pye argues that for a post theocratic era in which the mise en forme of the social domain itself was for the first time at stake the problem of the aesthetic lay at the very core of the political it is precisely through its engagement with the question of aesthetic autonomy that early modern works most profoundly explore their relation to matters of law state sovereignty and political subjectivity Pye establishes the significance of a creationist political aesthetic at once a discrete historical category and a phenomenon that troubles our familiar forms of historical accounting and suggests that the fate of such an aesthetic is intimately bound up with the emergence of modern conceptions of the political sphere The Storm at Sea moves historically from Leonardo da Vinci to Thomas Hobbes it focuses on Shakespeare and English drama with chapters on Hamlet Othello A Winter's Tale and The Tempest as well as sustained readings of As You Like It King Lear Thomas Kyd's Spanish Tragedy and Christopher Marlowe's Doctor Faustus Engaging political thinkers such as Carl Schmitt Giorgio Agamben Claude Lefort and Roberto Esposito The Storm at Sea will be of interest to political theorists as well as to students of literary and visual theory

The Circulation of Knowledge in Early Modern English Literature Sophie Chiari, 2016-03-09 With its many rites of initiation religious educational professional or sexual Elizabethan and Jacobean education emphasized both imitation and discovery in a struggle to bring population to a minimal literacy while more demanding techniques were being developed for the cultural elite The Circulation of Knowledge in Early Modern English Literature examines the question of transmission and of the educational procedures in 16th and 17th century England by emphasizing deviant practices that questioned reassessed or even challenged pre established cultural norms and traditions This volume thus alternates theoretical analyses with more

specific readings in order to investigate the multiple ways in which ideas then circulated It also addresses the ways in which the dominant cultural forms of the literature and drama of Shakespeare's age were being subverted In this regard its various contributors analyze how the interrelated processes of initiation transmission and transgression operated at the core of early modern English culture and how Christopher Marlowe William Shakespeare and Thomas Middleton or lesser known poets and playwrights such as Thomas Howell Thomas Edwards and George Villiers managed to appropriate these cultural processes in their works

Aesthetics of Weather Madalina Diaconu, 2024-09-19 In an age of rife consumption and increasing need for consideration of sustainable social practices an exploration of the aesthetics of weather from various angles becomes vital in shedding light on its importance to our experience of the changing world In response offering the first in depth and nuanced examination of the aesthetics of weather this book underlines the relevance the concept has for scientific communication for fostering sustainable patterns of behaviour and for rejecting the environmentally damaging consumption of landscapes and fine weather In addition it provides examples taken from global contemporary popular culture whilst calling attention to the socioeconomic and political dimensions of individual experience demonstrating and analysing our fascination with and cultural interpretations of weather phenomena in our everyday lives Within its three sections the volume reinvents traditional phenomenological methods to create socially politically and historically embedded phenomenographies and explore the importance of aesthetic practices in shaping our experience of weather and climate It also provides a deeper engagement with general topics such as the relationship between perception emotion imagination and cognition in our aesthetic experience of the weather combining these with aesthetic analyses of the so called fine weather With its broad scope of inquiry ranging from Aristotle to eco phenomenology from the pioneers of scientific meteorology to contemporary art and from everyday aesthetics to geoengineering this book argues that an aesthetics of weather inflected by greater knowledge and the taking of a critical stance towards aestheticism can become a valuable ally to climate ethics in the Anthropocene

The Doctrine of Election and the Emergence of Elizabethan Tragedy Martha Tuck Rozett, 2014-07-14 This compelling argument for the link between Calvinism in English religious life and the rise of tragedy on the Elizabethan stage draws on a variety of material including theological tracts sermons and dramatic works beginning with sixteenth century morality plays and continuing through Marlowe's career and the beginning of Shakespeare's Originally published in 1984 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Body Onscreen in the Digital Age Susan Flynn, 2021-01-28 This collection examines the peculiarly modern phenomenon of voyeurism as it is experienced through the

digital screen Violence voyeurism and power populate film more than ever and the centrality of the terrified body to many digital narratives suggests new forms of terror and angst where bodies are subjected to an endless knowing look The particular perils of the digital age can be seen on by and through screen bodies as they are made remade represented and used The essays in this book examine the machinations of voyeurism in the digital age and the realization of power through digital visual forms They look at the uses of power over the female body at the domination and repression of women through symbolic violence at discourses of power as they are played out onscreen and at how the digital realm might engage the active passive dichotomy in new ways

Hamlet, Protestantism, and the Mourning of Contingency Professor John E. Curran Jr, 2013-04-28 Building on current scholarly interest in the religious dimensions of the play this study shows how Shakespeare uses Hamlet to comment on the Calvinistic Protestantism predominant around 1600 By considering the play's inner workings against the religious ideas of its time John Curran explores how Shakespeare portrays in this work a completely deterministic universe in the Calvinist mode and Curran argues exposes the disturbing aspects of Calvinism By rendering a Catholic Prince Hamlet caught in a Protestant world which consistently denies him his aspirations for a noble life Shakespeare is able in this play his most theologically engaged to delineate the differences between the two belief systems but also to demonstrate the consequences of replacing the old religion so completely with the new

Positive emotions in early modern literature and culture Cora Fox, Bradley J. Irish, Cassie M. Miura, 2021-04-27 What did it mean to be happy in early modern Europe Positive emotions in early modern literature and culture includes essays that reframe historical understandings of emotional life in the Renaissance focusing on under studied feelings such as mirth solidarity and tranquillity Methodologically diverse and interdisciplinary these essays draw from the history of emotions affect theory and the contemporary social and cognitive sciences to reveal rich and sustained cultural attention in the early modern period to these positive feelings The book also highlights culturally distinct negotiations of the problematic binary between what constitutes positive and negative emotions A comprehensive introduction and afterword open multiple paths for research into the histories of good feeling and their significances for understanding present constructions of happiness and wellbeing
