Revolution In Military Affairs Implications For Canada And Nato

Andrew Futter, Jeffrey Collins

Revolution In Military Affairs Implications For Canada And Nato:

Revolution in Military Affairs Elinor C. Sloan, 2002-04-18 Although the RMA has been the subject of much discussion in the United States for over a decade it has not received the same level of analytic attention in Canada and other NATO and allied countries Sloan examines the RMA in the context of Canada Australia France Germany and the United Kingdom in addition to assessing the transformation efforts of the United States Military She concludes that small and medium military powers such as Canada must at a minimum take selected concrete measures to maximize their military capabilities through the RMA if they are to avoid operational and political marginalisation in the promotion of international peace and security

The Revolution in Military Affairs Elinor Camille Sloan, 2002

Reassessing the Revolution in Military Affairs

Andrew Futter, Jeffrey Collins, 2015-10-12 A generation after the First Gulf War and in the wake of a decade of counterinsurgency operations and irregular warfare this book explores how the concept of the Revolution in Military Affairs continues to shape the way modern militaries across the globe think about plan and fight wars Revolution in Military Affairs Elinor Camille Sloan, Raoul-Dandurand Chair of Strategic and Diplomatic Studies, 2002 The campaign in Afghanistan the Gulf war and Kosovo show how advances in information technology are driving a high tech revolution in military affairs RMA This text outlines elements of the RMA and examines efforts of the US and NATO **NATO Review**, 1999

Information and Revolutions in Military Affairs Emily O. Goldman, 2013-09-13 Like the industrial revolution before it the information technology revolution appears to be creating a new ruling class a new economy and a new society Information technology is also transforming military operations and warfare A vast literature on the revolution in military affairs or RMA cites the important indeed dominant role of information technology in enabling a new military revolution This volume challenges conventional wisdom not by claiming that information s impact on military operations is not positive or transformative but by claiming its impact is not new Previous periods of military revolution can also be characterized as information revolutions Through the close examination of six case studies of military transformation during the industrial age the contributors to this volume demonstrate how the employment of emerging information systems was critical to realizing a major boost in military effectiveness The most successful adaptations to the new environment were made by the most skillful users of information This volume draws upon the expertise of leading military historians political scientists and defense practitioners to craft a set of original essays that provide the first retrospective examination of how information affects the process of military revolution This book was previously published as a special issue of the Journal of Strategic Studies

Where Have All the Soldiers Gone? James J. Sheehan, 2009 An eminent historian offers a sweeping look at Europes tumultuous 20th century showing how the rejection of violence after World War II transformed a continent Security and Defence in the Terrorist Era Elinor Camille Sloan, Université du Québec à Montréal. Centre d'études des politiques étrangères et de sécurité, Raoul-Dandurand Chair of Strategic and Diplomatic Studies, 2005 This book assesses Canadian

security and defence requirements post September 11 Gender and Drone Warfare Lindsay Clark,2019-06-20 This book investigates how drone warfare is deeply gendered and how this can be explored through the methodological framework of Haunting Utilising original interview data from British Reaper drone crews the book analyses the way killing by drones complicates traditional understandings of masculinity and femininity in warfare As their role does not include physical risk drone crews have been critiqued for failing to meet the masculine requirements necessary to be considered warriors and have been derided for feminising war However this book argues that drone warfare and the experiences of the crews exceeds the traditional masculine feminine binary and suggests a new approach to explore this issue The framework of Haunting presented here draws on the insights of Jacques Derrida Avery Gordon and others to highlight four key themes complex personhood in hyper visibility disturbed temporality and power as frames through which the intersection of gender and drone warfare can be examined This book argues that Haunting provides a framework for both revealing and destabilising gendered binaries of use for feminist security studies and International Relations scholars as well as shedding light on British drone warfare This book will be of interest to students of gender studies sociology war studies and critical security studies

Carnage and Connectivity David Betz,2015-11-15 Charts the evolution of military power in the digital age from conventional warfare to cyberwar and examines its implications **Towards a Francophone Community** Robin S. Gendron,2006-04-18 Using extensive archival research Gendron rebuts the argument of Quebec nationalists and scholars that the Canadian government's neglect of French Africa forced Quebec to develop its own international identity Towards a Francophone Community shows that there had been active federal interest in French African affairs since the late 1940s within the context of developments in NATO and the Cold War the vagaries of Canada's relations with France and the Quiet Revolution in Quebec The Rise of Neoliberalism in Advanced Capitalist Economies M. Howard,J.E. King,2008-06-24 In

this unique and dramatic account of the rise of neoliberalism Howard and King consider the major features of historical materialism the factors which resulted in 19th and 20th century thinkers incorrectly predicting the long term decline of the market and the prospects for a reversal of neoliberalism in the 21st century **US Foreign Policy in a Challenging World** Marco Clementi,Matteo Dian,Barbara Pisciotta,2017-07-18 This book examines how the US is dealing with the challenge of reconciling its global interests with regional dynamics and how it is able to produce and sustain order at the system level and within regional subsystems The book comprises four parts the first of which addresses global issues such as nonproliferation trade and freedom of the seas US policies in these areas are carefully analyzed considering whether and how they have been differently implemented at the regional level The remaining parts of the book focus on the US posture toward specific regions Europe the Middle East and East Asia The policies adopted by the US to confront the most relevant challenges in each region are identified and the ways in which policies in a specific region influence or are influenced by challenges in another region are explored The book is a rich source of knowledge on the nature of the balance that the US

has pursued between global and regional interests It will be of much interest to scholars to practitioners to postgraduate PhD students of international relations theory and American foreign policy and to all with an interest in the ability of the US to produce international order

Rethinking the Nature of War Isabelle Duyvesteyn, Jan Angstrom, 2005 Have globalization virulent ethnic differences and globally operating insurgents fundamentally changed the nature of war in the last decade Interpretations of war as driven by politics and state rationale formulated most importantly by the 19th century practitioner Carl von Clausewitz have received strong criticism Political explanations have been said to fall short in explaining conflicts in the Balkans Africa Asia and the attacks of 11 September 2001 in the United States This book re evaluates these criticisms not only by scrutinising Clausewitz's arguments and their applicability but also by a careful reading of the criticism itself In doing so it presents empirical evidence on the basis of several case studies addressing various aspects of modern war such as the actors conduct and purposes of war

Naval War College Review, 2003

Militarizing Artificial Intelligence Nik Hynek, Anzhelika Solovyeva, 2022-07-01 This book examines the military characteristics and potential of Artificial Intelligence AI in the new global revolution in military affairs Offering an original perspective on the utilization imagination and politics of AI in the context of military development and weapons regulation the work provides a comprehensive response to the question of how we might reflect on the AI revolution in warfare and what can be said about the ways in which this has been handled In the first part of the book AI is accommodated both theoretically and empirically in the strategic context of the Revolution in Military Affairs RMA The book offers a novel understanding of autonomous weapons as multi layered composite systems pointing to a complex non linear interplay between evolutionary and revolutionary dynamics In the second section the book provides an impartial analysis of the related politics and operations of power whereby increases in military budgets and R D of the great powers are met and countered by advocacy networks and scientists campaigning for a ban on lethal autonomous weapons As such it moves beyond popular caricatures of killer robots and points out some of the problems which result from over reliance on such imagery This book will be of much interest to students of strategic studies critical security studies arms control and disarmament science and technology studies and general International Relations

Canada's Mechanized Infantry Peter Kasurak, 2020-02-01 Canada's Mechanized Infantry explores the largely ignored development of the infantry in the Canadian Army after the First World War Although many modern studies of technology and war focus on tanks and armour soldiers from the Second World War onward have discovered that success really depends on a combination of infantry armour and artillery to form combat teams Peter Kasurak demonstrates how the army implemented successful infantry vehicles and doctrine to ultimately further its military goals during the Second World War In the postwar period however progress was slowed by a top down culture and an unwillingness to abandon conventional thinking on the primacy of foot infantry and regimental organization This insightful book is the first to examine the challenges that have confronted the Canadian Army in transforming its infantry from First World War foot soldiers into a twenty first century combat force

integrating soldiers vehicles weapons and electronics

Resource Allocation and Management in Defence: Need for a Framework ,2013-01-15 The question that faces governments and militaries the world over is how best to allocate resources for management of defence in the new age This book by Shri A K Ghosh who has an economics background explores the framework for change in resource allocation and capability building It emphasises the importance of introducing programming in Indian defence to serve as a link between defence planning and budgeting There is match between defence planning and budgeting needs to be connected by the introduction of resource constrained budgeting having a multi year perspective The RMA force modernisation cost benefit analysis management of risks and internal and external audits are among the many issues the author has provided a perspective on It is argued by the author that defence needs to be viewed as a giant business and where possible business practices should be introduced The book is recommended reading for planners and decision makers of defence management and will benefit readers from the armed forces as well The lay readers interested in the subject of national defence and security will also find it useful and interesting

Neoclassical Realism and Defence Reform in Post-Cold War Europe T. Dyson,2016-02-29 Dyson explains the convergence and divergence between British French and German defence reforms in the post Cold War era He engages with cultural and realist theories and develops a neoclassical realist approach to change and stasis in defence policy bringing new material to bear on the factors which have affected defence reforms

The Palgrave Handbook of Canada in International Affairs Robert W. Murray,Paul Gecelovsky,2021-04-29 This book argues that Canada and its international policies are at a crossroads as US hegemony is increasingly challenged and a new international order is emerging The contributors look at how Canada has been adjusting to this new environment and resetting priorities to meet its international policy objectives in a number of different fields from the alignment of domestic politics along new foreign policies to reshaping its international identity in a post Anglo order its relationship with international organizations such as the UN and NATO place among middle powers management of peace operations and defense role in G7 and G20 climate change and Arctic policy development and relations with the Global South Embracing multilateralism has been and will continue to be key to Canada s repositioning and its ability to maintain its position in this new world order This book takes a comprehensive look at Canada s role in the world and the various political and policy variables that will impact Canada s foreign policy decisions into the future Chapter 22 is available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com)

Revolution In Military Affairs Implications For Canada And Nato Introduction

In today's digital age, the availability of Revolution In Military Affairs Implications For Canada And Nato books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Revolution In Military Affairs Implications For Canada And Nato books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Revolution In Military Affairs Implications For Canada And Nato books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Revolution In Military Affairs Implications For Canada And Nato versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Revolution In Military Affairs Implications For Canada And Nato books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Revolution In Military Affairs Implications For Canada And Nato books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Revolution In Military Affairs Implications For

Canada And Nato books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Revolution In Military Affairs Implications For Canada And Nato books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Revolution In Military Affairs Implications For Canada And Nato books and manuals for download and embark on your journey of knowledge?

FAQs About Revolution In Military Affairs Implications For Canada And Nato Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Revolution In Military Affairs Implications For Canada And Nato is one of the best book in our library for free trial. We provide copy of Revolution In Military Affairs Implications For Canada And Nato in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Revolution In Military Affairs Implications For Canada And Nato. Where to download Revolution

In Military Affairs Implications For Canada And Nato online for free? Are you looking for Revolution In Military Affairs Implications For Canada And Nato PDF? This is definitely going to save you time and cash in something you should think about.
