Revolution and Political Change Alexander J. Groth, 1996 This book is a collection of essays from the scholarly literature on the causes and characteristics of political revolutions of modernity The editor's introductory chapter emphasizes increasing political mobilization and above all the acceleration of interactive changes in the fundamental context of politics social economic and cultural as a precursor to increasingly volatile world environments

Social and Political Change in Revolutionary China David S. G. Goodman, 2000 This history provides the first book length study and the first county level analysis of social and political change in the Taihang Base Area during the key years of the War of Resistance to Japan which was instrumental in the establishment of the People's Republic of China David Goodman explores revolution as process arguing that the Chinese Communist Party was successful because of its management of revolutionary incrementalism In particular he examines the roles and interactions of a variety of groups highlighting the activities of urban intellectuals teachers and peasant small holders as agents of change Based on new sources of information including materials from the Taihang Base Area recently republished by the CCP documentation and reports from the Taiyuan Archive that have not been made publicly available and interviews with veterans of the Taihang Base Area this meticulously researched work deepens our understanding of the social and political origins of the Chinese revolution by considering how both the rural population and the CCP adapted and changed within that process Stories, Identities, and Political Change Charles Tilly, 2002 An award winning sociologist Charles Tilly has been equally influential in

explaining politics history and how societies change Tilly s newest book tackles fundamental questions about the nature of personal political and national identities and their linkage to big events revolutions social movements democratization and other processes of political and social change Tilly focuses in this book on the role of stories as means of creating personal identity but also as explanations true or false of political tensions and realities He uses well known examples from around the world the Zapatista rebellion Hindu Muslim conflicts and other examples in which nationalism and other forms of group identity are politically pivotal Tilly writes with the immediacy of a journalist but the profound insight of a great theorist

Struggles for Political Change in the Arab World Lisa Blaydes, Amr Hamzawy, Hesham Sallam, 2022-10-11 The advent of the Arab Spring in late 2010 was a hopeful moment for partisans of progressive change throughout the Arab world Authoritarian leaders who had long stood in the way of meaningful political reform in the countries of the region were either ousted or faced the possibility of political if not physical demise The downfall of long standing dictators as they faced off with strong willed protesters was a clear sign that democratic change was within reach Throughout the last ten years however the Arab world has witnessed authoritarian regimes regaining resilience pro democracy movements losing momentum and struggles between the first and the latter involving regional and international powers This volume explains how relevant political players in Arab countries among regimes opposition movements and external actors have adapted ten years after the onset of the Arab Spring It includes contributions on Egypt Morocco Kuwait Saudi Arabia Syria Algeria Sudan Lebanon Iraq Jordan Yemen and Tunisia It also features studies on the respective roles of the United States China Iran and Turkey vis vis questions of political change and stability in the Arab region and includes a study analyzing the role of Saudi Arabia and its allies in subverting revolutionary movements in other countries

Europe in 1830 Clive H. Church, 2022-02-06 This book first published in 1983 is a valuable corrective to the lack of academic research on the events of 1830 a year of revolutions across the continent of Europe Social protests and political changes are examined to note the causes of the political turmoil and revolution in 1830 and then the results of the revolutions developments are analysed as general European social political and diplomatic crises as well as a series of individual outbreaks The book also

turns to comparative study to look at the hows and wherefores of the revolutions as the dynamics participants and effects of revolution are examined in turn

Reexamining Economic and Political Reforms in Russia, 1985-2000 Vladimir Gel'man, Dmitry Travin, Otar Marganiya, 2014-06-25 Reexamining Economic and Political Reforms in Russia 1985 2000 Generations Ideas and Changes analyzes the impact of generational changes and ideational changes on major political and economic reforms conducted in Russia during the late twentieth century This book examines how the policy agenda was shaped by the ideas of the generations representatives for the sixties and seventies Representatives of the generation of sixties conducted reforms from 1985 to 1991 and invested major efforts in political liberalization but did not pay enough attention to economic reforms On the other hand the reformers from the generation of seventies who were in charge of policy making from 1991 to 1998 were genuinely oriented toward market building but rather insensitive to the democratization of the political regime This book explores how these differences in ideational agendas produced inconsistent and controversial outcomes from both stages of reforms

Islam and Political Reform in Saudi Arabia Mansoor Jassem Alshamsi, 2012-06-12 This book examines the link between Islamic thought jurisprudence on the one hand and political action on the other It shows how reformism is deeply rooted in Islamic tradition and how Sunni scholars have become activists for change in Saudi Arabia

Political Change and Public Culture in Post-1990 Nepal Michael J. Hutt, Pratyoush Onta, 2017 This book explores various domains of the Nepali public sphere in which ideas about democracy and citizenship have been debated and contested since 1990 It investigates the ways in which the public meaning of the major political and sociocultural changes that occurred in Nepal between 1990 and 2013 was constructed conveyed and consumed These changes took place against the backdrop of an enormous growth in literacy the proliferation of print and broadcast media the emergence of a public discourse on human rights and the vigorous reassertion of linguistic ethnic and regional identities Scholars from a range of different disciplinary locations delve into debates on rumours ethnicity and identity activism and gender to provide empirically grounded histories of the nation during one of its most important political transitions
